Greetings and Glad Tidings!

This year the Calumet Region Little League (CRL) is seeking a combination of 15 individuals, companies, corporations, and organizations to become what we have termed as a Foundation Sponsor. Essentially, a Foundation Sponsor is just how it sounds; a sponsorship that provides footing for a team, to support it while we pour a fresh foundation.

Each year we spend anywhere from \$14,000 to \$20,000 exclusively on uniforms, not including the costs of equipment; which is often purchased new. Foundation level Sponsorship will mitigate the annual cost of uniforms and enable registration fees and other contributions to be used to restore our ballfields to a playable condition. It is very important to us that our families, friends, patrons, and partners are proud to come out and enjoy a ballgame on our fields.

We want to ask you if you are capable and willing to become one of fifteen that agree to **lock-in with us and donate \$1750 a year** to mitigate the costs of uniforms until 2027. Amounts received in excess of the cost of fully equipping our teams for the entire season will be redirected towards field renovations. Of course, at any year you can change your level of sponsorship. Attached is a copy of the CRL Sponsorship Opportunities. We are a 501(c)(3) organization. Donations are tax deductible to the donor to the extent of the law.

Will you lock in with the CRL and donate \$1750 for the next season?

Before the end of this decade, we will have a new standing in the community. Things are changing rapidly. We know the scale of this ask. If at any year, you become unsatisfied or unable to continue to donate at the foundation level, you will have the choice to select another sponsorship package that will best suit you, your company, or your organization. We will remain communicative. You will hear from us again.

We truly thank you for your time, your consideration, and your investment.

Playing season starts with the player drafts in early March. Please respond by March 15th.

All checks should be made payable to the Calumet Region Little League and mailed to the PO Box below.

Sincerely,

A handwritten signature in blue ink that reads "C. Sprouse".
