8. **REPORTS:**

a) Old Business - None

b) New Business – None

c) Administrative Report – Dr. Zychowski

- Read a letter from Senate President Stephen Sweeney –

  For the past two years we have fought together to modernize and bring fairness to the School Funding Reform Act (SFRA) of 2008. We started with roundtable discussions and town hall meetings in 2016, and the Senate Select Committee on School Funding held four public hearings in 2017 to gain input from superintendents, school board members, parents, teachers and education experts. Parents and school children also rallied at the State House during budget hearings and held meetings in their host communities. And this year we continued our fight, never wavering from our collective goal of making sure every school district receives 100 percent of state school aid owed to them. For this, I am eternally grateful and thankful for your advocacy.

  While this has been a long and hard-fought struggle, we can now claim victory. The signing of Senate Bill 2 on July 24, 2018 was in large part a testament of your hard work to make the necessary changes to the SFRA, eliminating the "growth caps" that denied districts with growing enrollments the funds they are entitled to and phasing-out the "adjustment aid" that went to districts for students they no longer have.

  In addition, you should also feel proud knowing that your efforts will offer our youth, regardless of where they live, the best public education possible, provide underfunding school districts with additional aid to improve their schools and deliver much-needed property tax relief to residents.

  Again, I cannot thank you enough for your support and look forward to continuing to work with you in the years to come.
- Opening football game, Thursday, August 30, 2018, at 7:00 p.m. at NBTHS
