2026 Coventry PTO Mum Fundraiser

How it Works:

Purchase mum vouchers to support your group now, bring the voucher to the mum patch during the sales season and turn it in for your applicable mum(s). You get to personally select the color and variety during pick-up. Mum varieties are available on a first-come, first-served basis, so visiting early in the season gives you the best selection of your favorite colors and sizes before they sell out. *You must present your voucher upon purchase*, additional fall items and various size mums will also be available for purchase during pick-up, although not included in this fundraiser.
