Middle School Track

This year our middle school track team consisted of over 40 athletes. After a rocky start with weather and mid season snowstorms, we ended up having a fantastic season. As a team, we scored more points than in the past few years. We broke some school records and had many personal bests.

Some records we broke were the 800 Meter run. Sean Setzer broke the record by 3 seconds. Jordan Salzman broke the 100 M hurdles with a time of 20.16. Our 4X400 boys team consisting of Sean Setzer, Colten Pergande, Clay Blevins, and Trevor Kogler beat the record by 30 seconds with a time of 4:30.19! Our girls 4X400 team of Katie Meier, Jade Richardson, Elana Agnew, and Jada Jones broke the record with a time of 5:17.98.

The athletes worked hard and gave it their all at every meet. Coach Eder and myself are so proud of all they accomplished.

Thanks for a great season!

-Coach Book

Elementary Parents/Guardians,

Thank you for supporting your child's education. Fall River Elementary staff and I would like to thank you for being an active participant and positive role model for your daughter/son throughout the school year. Together with your child, you probably read or listened to over two hundred books, talked about hot lunch, learned about friends, heard exciting teacher stories, helped/explained homework, purchased snacks, and spent countless meaningful time together talking about school. We had a great school year - thanks to your support and involvement.

Our last student day will be June 6 (dismissal @ 1 pm). Summer School: Session 1 will be held from June 11 - June 29 (8 am to 11:55 am).

Thank you for the opportunity to work with you and your child this school year. I have valued and appreciated your support. Mr. Ryan Verrier will become the Fall River Elementary School Principal starting July 2. I will transition to the Marshall Public School District as their Superintendent. I have enjoyed and will forever cherish the opportunity to serve the Fall River students, staff, and parents - thank you!

Earth Day

The high school students went out and picked up garbage on May 14th to celebrate a late Earth Day. The student council planned the activity and arranged for the student body to go in different areas out in the community to clean up the roadsides, around the school, and Brayton Park. The seniors picked up the most garbage by filling five very full bags of trash that was picked up along Lienke Road. There was a total of 19 bags of trash picked up. Thanks to the high school students for making our community clean.

I have been teaching at Fall River School for 23 years. My positions have included: being an Early Childhood Special Needs, 4 year Kindergarten & 5 year Kindergarten teacher. I taught EC:EEN / 4 yr. Kdg. for 15 years and EC:EEN / 5 yr. kdg for 8 years. Years ago I taught 4K in the morning and 5K in the afternoon, which was pretty fun and stressful at the same time because I was in charge of teaching 2 separate curriculums in 1 day. I followed the same theme but taught separate pre-readiness and readiness skills. In past years, I also had an aide in my classroom to assist students with special educational or physical needs. I really enjoyed those years because an extra set of eyes and hands in kindergarten were so important !

I have a few different favorite memories at Fall River. I'll always remember preparing 4 yr. olds for their holiday concert on stage. Mrs. Seidlinger and I taught them songs, poems, and fingerplays, as they used hand-made props to perform for their families. Another favorite 4K memory was the annual "Friendship Feast", which we celebrated every year at Thanksgiving. Of course my most cherished memories included "teaching kids how to read" and developing their love of learning from the 1st day of school to the last day of school ! This is what I will truly miss, along with the many friendships of teachers, kids, and families throughout the years.

My plans for retirement include working somewhere part time and possibly still being with kids. Since my husband is also retiring as an educator, it will be nice to spend time together after we move to our lake house on Lake Ripley in Cambridge, WI., which is only 40 miles away !

I will always remember the communities of Fall River and Columbus. They are great places to live, work, and raise kids!

Gail Basler

I have taught in the Fall River District twice! The first time I was here for 36 years, left for two years and then returned for another three years. During this time I taught mathematics classes ranging from Math7 up through Advanced Math. I think my favorite memory is the time I escorted the

senior class to New York. We went up the Statue of Liberty and the kids had to help me down because my fear of heights had kicked in while at the top. The thing I will miss most is being with the kids every day. They keep you young. I have seen many changes over the past 39 years, but in the end kids will be kids and that is what I know I will certainly miss the most. In my second retirement, I plan on doing some subbing and traveling as much as possible. I want to thank everyone here and the many people that have moved on for a lifetime of memories. Chris Ducat

You will never find another librarian with such interesting facts.

She was the youngest in her family with her brother and two sisters. She wanted to be like her sister who would always want to read so she was inspired by someone. Her favorite book is Alice through the looking glass. She has been a librarian for 30 years. She worked at Marine park technical college, U.W Madison, and the University of North Florida. Her favorite animal is Sandhill cranes. Her favorite color is blue. Her favorite food is ice cream from sassy cows.

She wanted to be a librarian to help people and to be surrounded by books.

THANK YOU ALL!

On May 18, the Elementary School Pirate Way teachers, HS Band, HS Track teams, and the Pirate Parent Organization sponsored a **Dash of Color** event for nearly 200 Fall River students and parents. Participants enjoyed running or walking the course, throughout the Village Park, which was lined with four color stations. The large group created a color blast, at the conclusion of the event, by simultaneously throwing the contents of their color packet into the air making a huge multi-colored cloud. The special school-community event created countless smiles from participants of all ages as their white t-shirts became covered with bright cornstarch colors. Huge thanks to the high school band, high school track students, Fall River Police, Fall River Fire Department and the Columbus Pick-N-Save for helping make the Dash of Color a huge success.

PPO... supporting our students, supporting our school

Teachers and staff are the heart of our school and that's why we like to focus our attention on them for Teacher Appreciation Week.

Monday - Each entrance to school was decorated with chalk, and a treat bag put in their mailboxes to show our appreciation.

Tuesday - Administration held a cookout for all staff at lunch time.

Wednesday - We provided bagels, cream cheese and juice. They also enjoyed coffee donated by Kwik Trip

Thursday - PPO members and parents donated snacks and treats.

Friday - Each staff member got to choose a flower pot, planted by Lost Lake Acres Greenhouse.

"Thank you for helping our children bloom & grow!"

This year's PPO Senior scholarship of \$500 was awarded to Corrin Waterworth. The scholarship is chosen anonymously, and given to the recipient who we felt best showed us their commitment to community through an essay. Congratulations, Corrin and thank you! This year was very close. We thank all of the seniors who give back to our community!

We purchased the new playground pieces at the end of 2017, before prices went up, and are planning for it to be installed sometime after school gets out. Some of you may have noticed the merry-go-round is gone. We had not planned for it to be taken out before the new equipment was put in, but it broke and was unsafe to play on.

Boxtops are due May 25th. Please send in all you have so none expire. Thanks!

No more Labels for Education....We know a lot of you have been collecting Campbell's labels for years (decades?) to benefit our school and we thank you for that. We're sad to say the Labels for Education program has ended and we can no longer submit labels for credit.

We will be having a meeting sometime midsummer. If you are interested to see what our group is about, you can sign up for PPO notifications on the district events calendar and join us. Meetings are typically one Wednesday a month. We are always looking for new ideas to help our school.
