4. Matters concerning negotiations, and specifically:	**WWPSA Negotiations Update; Sidebar with WWPEA**
5. Matters involving the purchase of real property and/or the investment of public funds, and specifically:	
6. Matters involving the real tactics and techniques utilized in protecting the safety and property of the public, and specifically:	
7. Matters involving anticipated or pending litigation, including matters of attorney client privilege, and specifically:	**Purchase of Property**
8. Matters involving personnel issues, including but not limited to, the employment, appointment, termination of employment, terms and conditions of employment, evaluation of performance, promotion or discipline of any public officer or employee, and specifically:	**Superintendent Evaluation**
9. Matters involving quasi-judicial deliberations, and specifically:	

BE IT FURTHER RESOLVED that any discussion held by the Board, which need not remain confidential, will be made public as soon as feasible. The minutes of the executive session will not be disclosed until the need for confidentiality no longer exists.

BE IT FURTHER RESOLVED that the Board will return to open session to conduct business at the conclusion of the executive session.

The meeting reconvened to public session at 7:38 p.m. in the multipurpose room. The following Board members were present:

Ms. Pooja Bansal	Ms. Dana Krug	Mr. Paul O'Brien
Ms. Sharon DiSebastian	Ms. Graelynn McKeown	Ms. Ajanta Shah
Ms. Elizabeth George-Cheniara	Ms. Loi Moliga	Ms. Shwetha Shetty

No Board members were absent. Present also were: Dr. David Aderhold, Superintendent; Ms. Jessica Cincotta, Assistant Superintendent for Pupil Services/Planning; Dr. Barbara Gould, Chief Academic Officer; Ms. Charity Comella, Assistant Superintendent for Personnel; Ms. Susan Totaro, Chief Equity Officer; and Ms. Bonnie Cheney, Assistant Board Secretary.

BOARD PRESIDENT'S COMMENTS

Board President McKeown welcomed everyone to the meeting and explained that the meeting was called to order during the earlier executive session. She congratulated the class of 2026 on their graduation. She expressed excitement to see all of the athletes at the meeting.

SUPERINTENDENT'S COMMENTS

Dr. Aderhold commented that the 2026 graduation was especially meaningful to him as the graduates were kindergartners when he began his superintendency with the district 13 years ago. He mentioned that there will be many programs running throughout the district over the summer, including Extended School Year (ESY), summer camps, and various advancement programs. He noted that the summer will be busy with as many as 1,000 students on campus on any one day in the summer and many facilities upgrades happening. The Superintendent reported that the installation of solar arrays will be happening over the next year and a half, which will result in five schools becoming energy neutral. He mentioned that summer is an active time with curriculum writing and professional development. Dr. Aderhold ended his comments by recognizing the retiree celebration that occurred on June 9, and the celebration of athletes that is happening tonight.

ATHLETICS ACKNOWLEDGEMENTS

Ms. McKeown welcomed Ms. Katharine Dobinson and Mr. Jeffrey Reilly, District Athletic Directors, to celebrate WW-P spring athletes.

Ms. Kate Dobinson, High School South Athletic Director, expressed pride in recognizing athletes and coaches from High School South, which will have at least 12 student athletes continue to compete at the collegiate level next year. She expressed that the spring season was full of success and excitement. The first individual she recognized was Coach Stephanie Pegues, girls cross country coach and assistant swim coach. Ms. Dobinson provided background information on Coach Pegues and congratulated her on being the recipient of the CVC Coaches Sportsmanship Award for HS South. The second individual she recognized was a HS South graduate who broke a track and field 20-year record and then broke that new record in the spring season three more times. He is the current 400-meter sectional champ and currently holds the South 400 m record with a time of 47.22 which he accomplished at the NJSIAA Meet of Champs where he finished in 4th place. The next group of individuals she recognized was the boys varsity volleyball team. Ms. Dobinson recognized the students individually and noted that the team is coached by David Colon, Maddie Lee and Maki Casey. This season, the team won the BCSL Liberty Division, the BCSL Tournament, took home the NJSIAA South Group 3 championship and competed at the Group 3 Finals. In addition, they had several notable individual highlights: Coach Colon earned his 100th career win, one student earned his 500 digs, one

student earned his 1,000th assist, and another student broke the school record for blocks. Ms. Dobinson listed team members' post season honors and reported that Coach David Colon was named Coach of the Year by NJ.com. The last group that Ms. Dobinson recognized was the South boys varsity tennis team. She recognized the individual team members, coached by Richard Arnold and Jon Walton. The South boys tennis team took back-to-back Divisional Championships, CVC Championships, NJSIAA South Group 3 Championship and Group 3 Championships. Post season honors include All State Second Team, Group 3 First Team honors, Group 3 Third Team honors, and the CVC Team of the Year.

Ms. Dobinson mentioned that she and Mr. Reilly look forward to this evening every season. She expressed that the student-athletes make them proud every day through their work not only on the playing fields and courts, but in the classroom. She thanked the Board for continually supporting student athletes.

Mr. Jeffrey Reilly, High School North Athletic Director, recognized the High School North spring athletes. First, he honored the girls track and field team, reporting that they won the CVC Championship and the Central Group 3 Championship. Mr. Reilly recognized each team members accomplishments individually, and congratulated them for winning sectionals and CVC two years in a row. One student placed second for the 3200 Meter Run at the Meet of Champions. Mr. Reilly recognized the coach for the girls track and field team, Deanna Altvater, who was named Mercer Track Coaches Association Coach of the Year. Next, Mr. Reilly recognized the WW-P North boys track and field team, as well as their coach, Brian Gould. He reported on the individual accomplishments of each player, with one student athlete achieving 3rd place in the 3200 Meter Run at the Meet of Champions. Mr. Reilly then recognized coach Brian Gould, who received the Central Valley Conference NJ.com Coach of the Year.

Mr. Reilly concluded the presentation by stating that High School North had a wonderful year overall for athletics, but track and field went extremely well. He expressed pride and excitement that the CVC Championships and Mercer County Coaches Classic were hosted at High School North. He thanked the Board for their support of the athletic programs.

Ms. McKeown thanked the athletic directors for their presentation, congratulated the student athletes, and thanked the athletes and family members for coming to the meeting. She paused for a moment to allow students and family members to leave the meeting if they so desired.

PUBLIC HEARING ON THE ACCEPTABLE USE POLICY

Ms. McKeown explained that the public hearing on the Acceptable Use Policy #2361 would not take place this evening but will be postponed until a later date.

PUBLIC COMMENTS

There were no public comments.

COMMITTEE REPORTS

Ms. McKeown turned the floor over to Board member Elizabeth George-Cheniara to begin the committee reports.

Administration & Facilities Committee

Board member Elizabeth George-Cheniara reported that the Administration & Facilities Committee met on June 16, 2026. At the meeting, Ms. Melissa Levine, Director of Special Services, presented an

overview of the special services department highlighting the number of students the district supports, ways that support is seen in classrooms, the staff involved in special services, and the financial costs associated with educational placements. The Committee then reviewed the following policies for first reading this evening: P1230 Superintendent's Duties, P2200 Curriculum, P2411 Career Education and Academic Counseling, P0162.01 Legal Notices, and P2260 Equity in School and Classroom Practices. The committee reviewed the recommended updates to these policies and discussed how the revisions align with the District's strategic priorities and commitment to supporting all students while also ensuring compliance with current regulations and best practices. The Committee reviewed policy P5112 Entrance Age and recommends it for second reading and approval this evening. The Committee also reviewed regulations R2200 Curriculum Content, R2411 Guidance Counseling, and R2460.30 Additional/Compensatory Special Education and Related Services and recommends abolishing them based on current state statutes and updated regulatory guidance. Eliminating these regulations will ensure alignment with applicable laws, newly written policies and promote a more effective policy framework. After reviewing policies, Ms. Cincotta provided an overview of high school and middle school athletics for the spring season. The committee reviewed communication regarding the ban on student personal internet enabled devices that was sent to staff, students, and families highlighting expectations in schools for the 2026-2027 school year. Ms. Cincotta informed the committee the district is looking into companies that work with schools to create safe tech environments, but at this time no decisions have been made. The Committee reviewed the contract for AVID services for 2026-2027 for both high schools and recommends it for approval. The Committee discussed the ongoing conversations with organizations who rent our facilities and what goes into billing when rentals are confirmed.

Curriculum Committee

Board member Shwetha Shetty reported that the Curriculum Committee met on June 16, 2026. At the meeting, the Committee reviewed the School Performance Report and discussed key enrollment, achievement, growth, and school climate indicators to identify strengths and areas for continued improvement. The Committee confirmed the summer meeting schedule of July 21 and August 11. The Committee received an overview of plans for new teacher orientation, including onboarding activities, district priorities, and supports designed to ensure a successful start for new staff members. The Committee reviewed and recommends approval of items on the board meeting agenda for this evening, including the renewal of several technology platforms and databases, PSAT testing materials, professional development for staff members, and a professional development consultant to provide a two-day on-site training session.

Finance Committee

Board member Dana Krug reported that the Finance Committee also met on June 16, 2026. At the meeting, the Committee reviewed the monthly financial reports and administration affirmed that no major accounts are over expended and that sufficient funds are available to complete the fiscal year. The Committee reviewed agenda items for this evening and recommend them for approval, including excess cyber liability coverage, tuition and lunch rates, a Solar Renewable Energy Credits sale, athletic supply bid awards, landscaping services, maintenance services, and bus maintenance services contract renewals, disposal of obsolete equipment, renewal of transportation routes, and acknowledgement of the list of awarded contracts for the past year. Administration shared information regarding the Energy Savings Improvement Program 2. The work on the solar carport projects will begin this summer. Foundations will be installed at Maurice Hawk Elementary School, Millstone River School, and High School North, along with the necessary building electrical connections. Structural steel for Maurice Hawk is scheduled for delivery on August 17. The contractor anticipates completing the erection of the steel structure within two weeks, prior to the start

of the school year. Steel delivery for Millstone River is scheduled for early September, while steel delivery for High School North is expected in November. The District will conduct a Solar Renewable Energy Credits (SRECs) sale in July for Class 1 SRECS. The solar panels have reached the end of their useful life, so the credits are considered Class 1, which have limited market value. The District's auditors have begun preparations for the annual audit and have already reached out to initiate the process in June. This timeline is similar to the District's pre-COVID audit schedule and will allow for earlier coordination and planning of audit activities. The Committee reviewed items related to food services. New federal school nutrition guidelines took effect on June 8, 2026, allowing schools to offer whole, reduced-fat, low-fat, and fat-free fluid milk. Beginning with the 2027-2028 school year, new sodium limits will be implemented for school meals. Lunch meals must contain 15% less sodium than current standards, while breakfast meals must contain 10% less sodium than current standards. Beginning with the 2027-2028 school year, new sugar limits will take effect. Added sugars must account for less than 10% of the total weekly calories served through school breakfast and lunch programs. Southwest Food Excellence (SFE) hosted a *Roving Chef* event at Maurice Hawk Elementary School on May 28 and a *FlavorFest* event at High School South on June 3. SFE served 2,076 more breakfasts in May 2026 than in May 2025, despite having the same number of serving days. Lunch participation also increased, with 1,646 more lunches served compared to May 2025. The average number of lunches served per day to students eligible for Free, Reduced Price, and NJ Income Eligible meal benefits increased by 8% compared to the same period last year. The average daily number of breakfasts served in the classroom increased by 32 students, with 79% of those meals served to students eligible for Free, Reduced-Price, and NJ Income Eligible meal benefits. The District is on track to fully utilize its New Jersey Farm to School Procurement Initiative funding (formerly Local Food for Schools). The District received $5,463.41 during the current year. Funds were used to support nutrition education through Farm to School programs, the High School North and High School South culinary programs, the High School South *Chopped* competition, the Special Services *Thanks a Brunch* celebration, and healthy snack options for nurses' offices. Summer EBT benefits will be provided to 879 West Windsor-Plainsboro students to assist with summer meal needs. Each eligible student will receive $120 in grocery benefits.

LIAISON REPORTS *[None]*

NEW BUSINESS *[None]*

PUBLIC COMMENT

One member of the public, a faculty member, commented regarding this being her last day as a faculty member. She expressed her gratefulness to the Board for conducting business as her mother, a former Board member, would have wished. She recognized and thanked Dr. Aderhold for his leadership style, his monthly meetings with the union, the programs started under his leadership, and how the District was run during Covid.

BOARD PRESIDENT COMMENTS

Ms. McKeown conveyed that there would be no need to recess into closed executive session as all executive session business was completed during the earlier session.

ADJOURNMENT

At approximately 8:18 p.m., upon motion by Ms. Bansal, seconded by Ms. Moliga, and by unanimous voice vote of all present, the meeting adjourned.

Dr. Christopher J. Russo, Board Secretary
