Good afternoon BCS Families,

We are excited to announce that starting next week, students in Grades 3 - 12 are invited to participate in the Belen Consolidated Schools' Fall Student Wellbeing Survey. This online survey will be conducted at school and will include questions designed to encourage students to reflect on their learning experiences.

We strongly encourage all students to take part, as their responses will provide invaluable insights that will help us enhance our district and better meet their needs. If a student feels they do not have enough information to answer a question, they will have the option to skip that item.

If you have any questions regarding the survey, please do not hesitate to reach out to your child's school.

Thank you for your continued support!

Sincerely,
Jamie Romero
Assessment Coordinator
