Dear Families,

My name is Ms. Tula, and I am absolutely thrilled to be your child's teacher this year! This will be my second year teaching kindergarten, and I feel so lucky to begin another year filled with learning, growing, laughing, and making memories with a wonderful new group of students.

My goal is to create a classroom that feels like a second home—a place where every child feels safe, loved, valued, and excited to come to school each day. Kindergarten is such a special year filled with so many firsts, and I want each child to feel supported and celebrated every step of the way.

Together, we will learn so much more than letters and numbers. We will learn how to be kind friends, solve problems, express our feelings, try again when something feels difficult, and celebrate our successes. I believe children learn best when they feel comfortable being themselves, asking questions, making mistakes, and taking risks. Our classroom will be a place where curiosity is encouraged, kindness matters, and every child is capable of amazing things.

One of my biggest goals this year is to help your child develop a love of learning and confidence in themselves. I hope they walk through our classroom door each morning excited for the day and knowing they have a teacher who believes in them.

I also believe that families are an important part of a child's education, and I look forward to working together, communicating openly, and celebrating all of the wonderful growth your child will make this year.

I cannot wait to get to know your child and all the things that make them uniquely *them*. We have such an exciting year ahead, and I am so grateful to be a part of it!

Dear Families,

Welcome to the 2026–2027 school year! My name is Mrs. Alleyne, and I am honored to be teaching 1st grade at Twin Hills Elementary. With your collaboration, I look forward to building meaningful relationships with our students and families throughout the year.

I believe that every child deserves a classroom where they feel safe, valued, encouraged, and inspired to learn. I am proud to share that I was recently recognized as a **2026 Nurture Heart Greatness Award Recipient** for creating a classroom culture that promotes kindness, positive reinforcement, and **DNA (Delicious Nutritious Actions)**. These values guide my teaching and help students develop academically, socially and emotionally.

Outside of the classroom, I am passionate about food, painting, reading, and staying active. I enjoy bringing creativity, movement, and real-world connections into my lessons whenever possible. I am also currently pursuing my **Master's Degree in Education** and look forward to graduating in **Spring 2027**. Continuing my own learning allows me to bring new ideas and best practices into the classroom to better support our children.

As we begin this school year, I want to emphasize how important our partnership is. With your support and the dedication of our outstanding Twin Hills staff, I am confident that we can make this a successful and memorable year for your child.

Important notices, class expectations, and updates will be shared regularly through email, classroom folders, and school communication platforms. Please review these items carefully and reach out with any questions. Open and consistent communication will help us ensure your child's success.

If you have any questions or concerns, please feel free to contact me at **lalleyne@wboe.net**. I am here to support you and your child and will do my best to respond promptly.

Dear Second Grade Families,

Welcome to a new and exciting school year! I am thrilled to be your child's second grade teacher, and I can't wait for all the learning, growing, and fun that lies ahead.

My name is Sherrie Epstein and I will be your child's second grade teacher this year. This is my twenty-seventh year teaching in Willingboro. Most of these years have been spent teaching second grade, my favorite grade to teach!

Second grade is a time to further develop foundational skills in reading, writing, and math, and also explore exciting topics in science and social studies. We'll also work on strengthening social skills and the ability to problem solve. Most importantly, we will work together to help every child feel valued, supported, and successful.

I believe that open communication is key to having a successful school year. Feel free to reach out with any questions or concerns you may have. You can send a note in your child's homework folder, call the school or email me at sepstein@wboe.net I look forward to a fantastic year!

Back-to-School Night is scheduled for Tuesday, September 22nd. I hope to see you there!

Sincerely,

Mrs. Epstein

welcome to THIRD GRADE

Dear Third Grade Families,

Welcome to the 2026–2027 school year! My name is Ms. Kroeckel, and I am excited to be your child's Third Grade ELA and Social Studies teacher this year. I look forward to getting to know each student and helping them grow as readers, writers, thinkers, and learners.

Third grade is an exciting year filled with new challenges and opportunities. In ELA, students will continue developing strong reading comprehension skills, expand their vocabulary, strengthen their writing abilities, and learn how to support their ideas with evidence from texts. In Social Studies, students will explore communities, geography, history, economics, and citizenship while learning how people and events shape the world around them.

My goal is to create a positive, engaging classroom where every student feels supported, challenged, and encouraged to do their best. I believe that a strong partnership between home and school is essential for student success, and I look forward to working together throughout the year.

To help your child have a successful start, please encourage them to read regularly, practice their writing, and come to school each day ready to learn. More information regarding classroom expectations, supplies, and communication will be shared as the school year approaches.

I am excited for a wonderful year of learning, growth, and success. Thank you for your support, and I look forward to meeting you and your child soon!
