Help Valley County Design Their Flag!

Valley County is embarking on developing a county flag and is wanting the students of Valley County to help. All students in the county are invited to submit a proposal for the new Valley County Flag. The flag will be highlighted on the new Valley County webpage and will be hung proudly at the Valley County Courthouse! Winning submissions are also eligible for a cash prize. Students are encouraged to submit designs and a brief narrative describing the elements of their flag design. (See example below from Saline County).

The Saline County flag is a vibrant representation of the county's heritage, natural features, and community spirit. The blue symbolizes the *Big Blue River*. At the center, a red heart honors the rich *Czech heritage* of the region. Radiating from the heart are eight yellow rays, each one representing one of the county's *eight distinct communities*. The green in the design signifies the county's *deep agricultural heritage*.

The contest is open to all students in Grades K-12 who reside in Valley County or attend a Valley County School. Students in public, private, and homeschools are invited to participate.

Contest Details:

1) Submissions should be submitted on a standard 8.5 x 11 white page.
2) Narratives describing the elements of the flag should be 100 words or less. Submissions must include a narrative.
3) All submissions must include the form at the bottom of this page.
4) Submit designs to the Office of the County Clerk by 2/9/2026.
5) The winner will be announced at the County Supervisor's Meeting on 2/24/2026.
6) Cash prize/s TBD.
