Ringwood, NJ 07456-1699

Dear Mrs. Leidig:

On behalf of Governor Mikie Sherrill and the New Jersey Department of Community Affairs, I am pleased to inform you that Ringwood Public Schools will receive a School Regionalization Efficiency Program (SREP) grant of $150,000. This award will provide funds to collaborative feasibility study by Ringwood, Wanaque, and Lakeland to evaluate regionalization, improve efficiency, align K-12 curriculum, optimize resources, and expand educational opportunities while ensuring long-term fiscal sustainability.

Provision of such financial assistance is subject to appropriate execution of a grant/loan agreement with the Department and compliance by Ringwood Public Schools with the terms, conditions and requirements set forth therein. Expenditures incurred prior to receipt of the executed grant agreement are incurred solely at the risk of the grant recipient should funding not be available to support this award. If you have any questions regarding this funding, please do not hesitate to contact the Department of Community Affairs' Division of Local Government Services at (609) 930-1969.

I would like to extend my best wishes for this most worthwhile project and its successful completion.

Sincerely,

Jacquelyn A. Suarez
Commissioner
