Community In Acts

July 6, 2026

2 Cor. 9:8 "And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work."

God makes all grace abound in you so that you abound in every good work regardless of energy, project or time. With the task of finishing this building enough so that the students can, learn in it and live in it by the end of August is a wonderful opportunity to put this verse into practice. There are more than enough good works at the ranch/seminary to go around, abound and astound. I must focus on His sufficiency and put this project squarely in His hands.

Calvary Lewistown

Once again, the team from Lewistown went above and beyond the call of duty. We were able to fix the welder, fix the A/C on the tractor, level the entrance to the property, put in approximately 20 posts, wire all of the outlets, weld the entire hand rails for 2 ½ floors, hand out water filters, teach English, fix awning on RV, diagnose what's wrong on the Chevy Truck, pour a pad for the generator, got the new generator running and many other small projects. There was a lot of work done and hundreds of miles driven. We are very thankful for this PA team as well as the team from Puebla.

Strategy for Emerald Coast

With limited funds we are forced to focus on the rooms that we will need to function. We will finish two dorm rooms, kitchen, one class room, visiting prof's room and one office. The building itself will become the afternoon lessons on the trades. In the next two weeks we will buy doors and flooring for those rooms. We will also finish the bathrooms that are in those rooms. All external windows and doors will be done so that we can be completely enclosed. We will also put in A/C in those rooms.

Solar Power

On Friday, we had an extended video conference call with the solar power company located in Poza Rica. We are waiting on their final bid before we make our decision. It has been a lot of back and forth but I believe we have the right company at the right price.

NCI Retreat

This week we will be attending the NCI retreat. We are looking forward to some refreshing time and a much slower pace. The last several weeks have been a whirlwind of travel and intense activities with lots of people.

Prayer Requests:

1. Please pray for wisdom in knowing what to do about my lower back.
2. Please pray for our 20 students and the work the Lord will do in their lives.
3. Please pray for the necessary funds to finish the construction.
4. Please pray that we can finish the spaces needed before August 31st.
