To the brothers and sisters in Christ Jesus who are in the church in Damascus,

I greet you with the peace of the Lord, and I want that our Lord Jesus Christ will bless you and your families abundantly.

I am very happy for you who have been and are a great blessing for us here in Moldova and for me so that I can serve more efficiently and without hindrance. I pray that the Lord will abundantly reward your service. I would like to thank you very much for **the financial and spiritual support (in your prayers)** that you give to me, my family, the church and **the southern region of Moldova where I serve.** Thank you very much for your involvement in **the construction projects of houses of prayer** here in Moldova.

I would like to continue to share with you about my activities here in Moldova. By the grace of God five years ago I came and entered the village of **Huluboia** with the proclamation of the gospel. Here in this village, I found a family who went to church in the neighboring village of Tataresti and then with them we started working and starting a new church. In this village we managed to build a house of prayer and now on **April 5, 2026**, we managed to **inaugurate this house of prayer**. Many unconverted people from the village and even the mayor and his wife participated in this service, where for the first time they heard a biblical message.

Also, on **April 4, 2026**, I organized **a seminar for ministers and evangelists** from the southern area to motivate and equip churches for mission and evangelism. We discussed new mission projects and the planting of new churches. At the same time, we are motivating young people to go to **the school for mission and evangelism for the preparation of new ministers to open new churches**. The school will now start on April 20 in the city of Chisinau.

Now with the arrival of the spring holidays of the Entrance of the Lord Jesus into Jerusalem, we have started to go outside in the open air to do **evangelistic services**. We were in the center at the culture house in the village of Slobozia Mare, in the park in the village of Giurgiulesti and we have more planned in the villages of Enichioi, Bobocica, Cislita Prut and others.

Another ministry that I do is to visit new churches starting up for support, help and development and with other churches to motivate them and teach them how to serve others. In other localities we have churches that are building houses of prayer and need material and financial support.

Finally, we want you to continue to be with us to support us in your prayers so that the Lord blesses these projects.

Requests for prayer:

1. The word that is preached may bear fruit and **many people may be saved**.

2. Pray that the Lord will bring **young people into the ministry**, as the harvest and grace from the Lord are great, but few are those who make themselves available to the Lord.

3. Pray that we find the necessary **funds for the construction of houses of prayer**.

With respect and esteem:

Pastor Bularu Stelian
