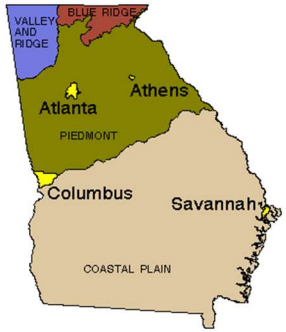
Missionary of the Month:
Erin Schipper



Erin serves with Operation Mobilization (OM) on the U.S. team, leading field relations and partner communications. Having previously lived on the field in the Middle East and traveled extensively to visit ministry projects, Erin now thrives in her role of connecting the U.S. team to what God's doing through OM globally. She spends much of her time writing ministry reports and connecting on video calls with front-line workers around the world.

Erin and her husband, Jay (a former OM missionary), live with their two boys — Grayson (6) and Grant (4) — south of Atlanta, Georgia, where OM's U.S. base is located. Alongside his AV job at the Georgia State Capitol, Jay uses his free time for video ministry projects, especially with OM, and for additional creative side jobs that help pay for the boys' Christian school.

<u>Prayer Requests</u>

* Wisdom as their family seeks direction from the Lord on what Erin's ministry with OM should look like in the coming year, including specific roles and travel opportunities.

* Additional financial supporters to partner with OM to support the work that Erin does; many new partners to join their ministry team who will collectively provide $830 in recurring monthly giving.

(Erin, Jay, and the boys will be at DCC's services on July 19th. Come & meet them in person!)
