God Sees Me

~ Poh Fang Chia, *ODB*, December 6, 2026

"You are the God who sees me." (GENESIS 16:13).

God sees us in our distress. We're never alone because our loving Father knows our situation, and He's trustworthy. We can cry out to Him for help, and He'll lift us up.

****

"Prayer still blows my mind sometimes.
You open your mouth, whisper a few honest words...
and the Creator of heaven and earth leans in like it matters.
Because to Him, you matter.
That's beautiful."
