Board Meeting Report
5-11-26

I know it can sound like a cliche when you hear, “Where did they time go?” However, I am going to say, “Where did the time go?’ anyway!! We are actually at the end of another school year!

Assessments:
We finished up State Assessments and are completing our spring FastBridge assessments to round out the year. These scores will be added to our data files as we plan for the upcoming year. Goals will be set as a grade level and as buildings to address areas of need. We will be looking at how we will measure progress along the way.

Summer School:
Middle school will offer credit recovery this summer. Once we have our numbers we will have a better idea on staffing needs.

Confirmed Dates: Tuesday - Friday May 26th - June 12th
Student times will be 8:30-11:30
Teacher times will be 8:00-12:00

The incoming K-5th grade students will have an opportunity to attend a Jump Start session prior to school beginning. This will be by invitation only. Teachers are identifying students and looking at staffing possibilities.

Confirmed Dates: Monday - Thursday July 27th - Aug. 7th
Student times will be 8:30-11:30
Teacher times will be 8:00-12:00

Music Department: Our 3-5 performed their spring concert with an “Outer Space” theme. Everyone had a lot of fun. Thanks Tymber Roy for all of her hard work putting this concert together. Next up will be our 6-12 concert.

The middle school band participated in our Mass Band event this spring in Oskaloosa. It was a great experience for our students. The performance was a great one. We will host this event next year and are looking forward to that opportunity.

Field trips are a regular spring time activity.

SHORES

This year the high school AG students prepared "**A Day on the Farm**" experience for our 2nd-5th grade students. The high school students prepared and led each center with our students. It was a great experience for all ages.

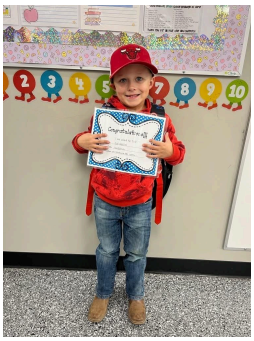
Play Day and AR Store all in one day: May 1st brought with it not only May Day but also our Play Day activities at the track and our spring AR Store as well. Middle students helped to run events with Kayla Thayer's supervision at Play Day. High school students & our aide staff helped to organize and run our AR Store. Many teachers supported both events, adding many hours of preparation for the day!

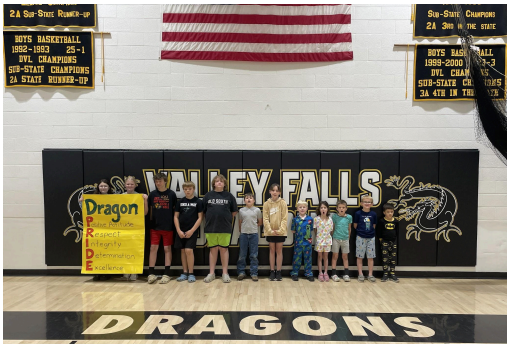
Middle School Athletics/Activities:

Track is in full swing with 30 athletes participating! The students have had great success with many personal bests throughout the year. NEK League meet will be on May 7th at JCN.

Sawyer Schmelzle broke our school record in the shot put for 8th graders. The old record was 34' 10 1/2". Sawyer had a put of 35' 3". Congratulations Sawyer!

Fun times in Valley Falls





Upcoming Events:

May 18th	**8th Grade Promotion**
May 18th	**PK Promotion**
May 19th	**End of Year Carnival/Last Day of School - dismiss at 11:30**
