The District Office Staff will provide support with the registration process at Morrison CUSD #6 100 E. Knox St. July 6th – July 31st from 7:30 to 3:00 Monday – Friday. Support will also be provided at each school starting August 3rd. Registration support will include assisting families on skyward utilizing the district computers.

REGISTRATION & FEE COLLECTION

Parents and Guardians:

Morrison Schools will be utilizing the online process to complete all students' registration. Online registration will open July 6th and continue until August 20th. In order to complete online registration, parents need to have a skyward parent login, which was provided last year. Please contact District Office if you need your login information.

Registration is a two-step process beginning with entering/verifying your child's information in Skyward, then print forms if needed. The second step is payment utilizing Skyward - RevTrak, a credit card, e-check, or paying registration fees in person at the District Office July 6th through July 31st.

District Office will take payments over the phone.

SKYWARD:

Step 1 - Skyward Registration:

1. Log in to Skyward Parent Portal
2. Click on School Registration link on the left side
3. Review and correct any information on each of the following tabs.
 - a. Demographics – Student demographic information
 - b. Emergency Alerts – Emergency notification phone, text, and email information
 - c. Language – Home Language Survey
 - d. Guardians – Parent/Guardian contact information
 - e. Emergency – Emergency contacts and medical providers
 - f. Health – Medications, health concerns, and insurance information
 - g. Permissions – Parental permissions for handbook, policies, etc. need by the school.
 - h. Documents – Links to required and informational documents/forms
 - i. Finish – This completes the skyward registration step.
4. Please complete these steps for each child.

Step 2 – Payments

NOTICE TO NEW STUDENTS

Any new student's registering in a Morrison School for the first time after having attended school in another district should request the former school to send his/her school records to the school he/she will attend this year. If this has not been done, the parent must sign a release and we will send a request for these records. New students are required to provide proof of residency within the District by providing the required number of documents from each of the following categories:

Category I (One document required)

- Most recent property tax bill and proof of payment, e.g., canceled check or Form 1098 (homeowners)
- Mortgage papers (homeowners)
- Signed and dated lease and proof of last month's payment, e.g., canceled check or receipts (renters)
- Letter of residence from landlord in lieu of lease (7:60-AP2, E1)
- Letter of residence to be used when the person seeking to enroll a student is living With a District resident (7:60-AP2,E2)

Category II (Two documents showing proper address are required)

- Driver's license
- Vehicle registration
- Voter registration
- Most recent cable television and/or credit card bill
- Current bank statement
- Current public aid card
- Current homeowners/renters insurance policy and premium payment receipt
- Most recent gas, electric, and/or water bill
- Current library card
- Receipt for moving van rental

All registration fees must be paid before athletic/extra-curricular fees. Student accounts will have pre-assigned registration fees automatically loaded into Skyward. Monthly invoices for mandatory fees will be sent via email from Skyward beginning September 1st until all mandatory fees are paid. Any family wishing to make payment plans with the District Office may notify the District office 815-772-2064.

SCHOOL BREAKFAST/LUNCH

Breakfast programs are prepared and served at the elementary, middle, and high school from 7:40 A.M. to 8:00 A.M. Upon completion of breakfast, students move to their assigned morning areas. Students are offered 8 ounces of milk, $\frac{1}{2}$ cup fruit, vegetable, or juice; and two servings of bread or meat or one each. The breakfast menu provides the nourishment your child needs to perform in morning classes. The price of a paid breakfast is \$2.00 and the reduced-price breakfast is \$0.30. If the student is eligible for free or reduced lunch, he/she may also sign up to receive a free or reduced breakfast.

LUNCH FEES	<u>Full</u>	<u>Reduced</u>	<u>Free</u>
Breakfast (Elementary)	\$2.00	\$0.30	\$0
Lunch (Elementary)	\$3.00	\$0.40	\$0
Lunch (JH/HS)	\$3.50	\$0.40	\$0
Lunch (Staff)	\$4.00		
Milk	\$0.50	\$0.50	\$0.50

Lunch Procedures: The Morrison school lunch program is completely automated. No cash will be accepted in the cafeteria during lunch time. Parents must prepay meals for their child(ren) by sending money on the first day of each week or Parents also have an option to pay online as well. Following is a brief explanation for each school.

Elementary: As your child eats school lunch or purchases milk with a cold lunch, their individual bar code will be scanned by the lunchroom monitor. Your child's account will be credited with the dollar amount of money you send to school. Each time your child purchases a lunch or milk it will be deducted from the balance in his/her account. When the balance on the account reaches a certain level you will be alerted and can make another deposit.

Students qualifying **for free/reduced lunch** will receive meals but must pay for milk when eating a cold lunch or morning milk break at Northside. **Free and Reduced students are required to pay for milk or extra food taken at lunch.** Money should be sent to school in an envelope with the child's name, payer's name (parent/guardian), teacher's name and the amount enclosed.

JUNIOR HIGH and HIGH SCHOOL: The first meal each day that a student purchases will cost \$3.50. If the student purchases additional meals on the same day, the second meal will be at a higher ala carte rate for each item purchased. Money should be sent the first day of the week with your child in an envelope with the child's name, payer on the account, grade and amount enclosed.

PHYSICAL, DENTAL, & EYE EXAMINATIONS IMMUNIZATION REQUIREMENTS

All students upon entrance into Pre-School, Kindergarten, Sixth, and Ninth Grade, or entering an Illinois school for the first time must have a physical examination performed by a doctor.

Chiropractor exams or sports physicals are NOT accepted. Physicals must be on an Illinois Department of Health form and on file in the School where the student is in attendance. Forms are available in all School Offices and on the webpage.

Students requiring a physical must have the physical on file by October 15th, or will not be able to attend school. Every effort should be made to have this completed by the first day of school. New students entering the District will have thirty (30) days to obtain such examination or appointments after they are enrolled. **STRICTLY ENFORCED.**

State law and the Department of Public Health require evidence of immunity against:

Pre-School	MES	MJHS	MHS
DPT	DPT	Tdap	Tdap
Polio	Polio	Polio	Polio
MMR	MMR	MMR	MMR
Varicella	Varicella	Varicella	Varicella
Pneumococcal		Hepatitis B	Hepatitis B
Hib		Meningococcal	Meningococcal
Hepatitis B			

*Meningococcal – **12th grade** - two doses if meningococcal needed (If 1st dose after 16 years of age only one dose required).

* Any child entering Kindergarten through 6th Grade is required to have a lead screen.

* Dental examination is required by May 15, 2027 for all students entering Kindergarten, Second, Sixth Grade and Ninth Grade.

* Vision examination is required by October 15, 2026 for all students entering Kindergarten and students that are new to an Illinois School.

Vision and Hearing Screenings: Vision and hearing screening test will be given to students according to State mandates which are as follows.

- Pre-School – Hearing and Vision
- K- Hearing and Vision
- 1st- Hearing
- 2nd – Hearing, Vision, and Color deficiency screening
- 3rd- Hearing
- 5th – Vision checked as recommended and any teacher referrals will be screened
- 8th – Vision
- All Students with IEP's and new to the district
- All teacher referrals

Vision screening is not a substitute for a complete eye and vision examination by an eye doctor. Your child is not required to undergo the vision screening if an optometrist or ophthalmologist has completed and signed a report indicating that an eye examination has been administered within the previous 12 months. We must have a copy of this report on file.

Students in these grades must have the physical on file, or an appointment made by October 15th, or be suspended from School. Every effort should be made to have this completed by the first day of school. New students entering the District will have thirty (30) days to obtain such examinations or appointments after they are enrolled.

Religious Exemption from Immunizations and/or Examination Form Process:

In accordance with rules adopted by the Illinois Department of Public (IDPH), a student will be exempted from this policy's requirements for: Religious or medical grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Nurse. When the Religious Exemption form is presented, the Nurse shall immediately inform the parents/guardians of exclusion procedures pursuant to Board Policy 7:280, Communicable and Chronic Infectious Disease and State rules if there is an outbreak of one or more diseases from which the student is not protected.

District Supply of EPIPEN

District Supply of EpiPens The State of IL requires parents/guardians to be informed that: (1) the District maintains a supply of Undesignated Epinephrine Auto injectors (UEA), and (2) the District and the prescribing physician are protected from liability when the school nurse and/or trained personnel administer a UEA to any student when these individuals in good faith professionally believe that the student is having an anaphylactic reaction.

PRE-K – 12th GRADE CONCUSSION POLICY

Concussions are one of the most commonly reported injuries in children and adolescents who participate in sports and recreational activities. Continuing to play with a concussion or symptoms of a head injury leaves a young athlete especially vulnerable to greater injury and even death. The Return-to-Play protocol which will determine when a student may return to practice or competition after a concussion as well as the Return-to-Learn protocol which will determine when a student may return to the classroom after a concussion. Please visit www.cdc.gov/Concussion for more information regarding the concussion policy.

Medical Release In case of surgery, orthopedic injuries, and extended illnesses, a note is required from your student's physician regarding activity for recess, required gym classes, and sports participation.

***REMINDER SPORTS PHYSICALS need to be completed before attending the 1st day of practice.**

ABSENCE FROM SCHOOL

Regular school attendance is directly related to success at school. If a student must be absent from school, please call the school office by 8:30 A.M. to report the child's absence and the reason for the absence. If a student who is subject to compulsory attendance laws is absent without valid cause for more than 10 days he/she will be released to Regional office of Education for truancy intervention.

Homebound Education and Hospital Instruction

A student absent from school for more than two consecutive weeks because of health or physical impairment may receive services of a certified teacher in the home or hospital. Appropriate educational services can begin as soon as eligibility has been established with a written statement from a licensed medical examiner and a written parent or guardian request is filed in the office of the Superintendent. Instructional time will be provided for a minimum of 5 clock hours per week on days when school is normally in session.

Homeless Children & Education

The Illinois Education for Homeless Children Act and the McKinney-Vento Homeless Assistance Act require school districts to provide a homeless education liaison to assist these children in working with the problems involved in getting to school and staying there. Many times homeless children and teens face barriers to enrollment such as lost records, immunizations, and physical examinations. Your liaison can assist with these issues. Call for information. Together we can try to minimize the disruption to the lives of these children. Homeless children have the right to: Stay in their old school, or go to the school near where they are staying. Homeless children have the right to get transportation to school, if needed. The Morrison Community Unit School District #6 Homeless Liaison is Mr. Joe Robbins, (815) 772-2064

Annual Asbestos Management Plan Notice

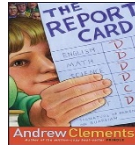

This is to inform you of the status of Morrison CUSD #6 Asbestos Management Plan(s). It has been determined by the Illinois of Public Health and the Federal Environmental Protection Agency that asbestos is a potential health hazard and precautions should be taken to avoid disturbing and asbestos containing materials. The Inspection/Management plan is available at each building office.

KWQC TV Davenport Channel 6	
WQAD TV Moline Channel 8	

In case school is dismissed early or it is necessary to delay the running of buses due to inclement weather, the information will also be broadcast over the same stations. In the event conditions warrant the necessity of a delay in the starting time of school for the safety of students, the following procedures are in effect:

- The superintendent shall have the authority to delay the morning start of school and will determine the length of the delay based on conditions.
- Depending on the length of the delay, all schedules will be delayed accordingly:
Example; a one-hour delay will delay all bus schedules one hour, etc.
- The principal will make the adjustments in each building that are most appropriate for the circumstances.
- Notification of late start or early dismissal will be done in the same manner as a cancellation.
- Parents/guardians should make necessary arrangements for child care in the event that a late start becomes a school cancellation day.
- The superintendent has the option of canceling school if the delayed start does not provide the safety required for students

TITLE I INFORMATION

Pupils who do not attend a Morrison public school but Reside in the district may be entitled to receive services funded by federal sources such as Title I, II, and IV as well as IDEA. A meeting will be held at the Unit Office (100 E Knox Street, Morrison, IL) on Tuesday, June 30th at 10:00 a.m. for the purpose of discussing these opportunities. All community members are welcome to attend.

TOO HOT! SCHOOL CLOSED DUE TO HEAT

School Closed Due to Heat at the start of the school year, it is necessary for the administrative team to monitor the classroom temperature for extreme heat. We have thermometers in classrooms throughout the district. You can help address the comfort of your child on these hot days by dressing him/her in cool clothing and providing him or her with a bottle of WATER to drink throughout the school day. We will assure that all students have plenty of fluids on days of extreme heat.

In the event of extreme heat, the district may announce an early dismissal. The decision would be made by 10:00 a.m. and announced on the local radio & television stations as well as skyward.

Please make sure that your child knows what to do in the event of early dismissal. Inform his or her teacher about specific instructions about where your child is to go on early-outs.

**** EXTRA-CURRICULAR ACTIVITIES** would be rescheduled to a later time of day on days that school would be dismissed early.

District Schools and Administrators:

Northside School (K-2) Mr. Andy Harridge, Principal (815) 772-2153

Morrison Unit Dist. #6 Dr. Matt DeBaene, Superintendent (815) 772-2064

The Morrison Community Unit School District #6 is an organization devoted to the development of young people and serving the basic educational needs of the community. If you have questions or concerns about your schools, their programs or operation, please feel free to contact the building or unit district office.

Safety First - Where to Drop Your Kids Off

7:45 -8:00 a.m. and 2:45 – 3:15 p.m.

****Students may arrive to school no earlier than at 7:45 a.m. ****

To increase safety for students who use the parking lot between the Junior High and Southside School, the District has worked closely with Morrison Police Chief Moon and the city of Morrison to improve traffic patterns in the parking lot and on Academic Drive. Buses will enter and exit the front of Southside main parking lot in a one-way direction both during the AM drop off and PM pickup. Sixth grade students will be moved to the front of the junior high as they wait for school to start. Junior High & Southside parents must use the loop parallel/closest to Academic Drive as a drop off point in the morning and pickup site after school. Traffic through the drop/pickup loop will remain one way at all times. When exiting the loop onto Academic

Drive, drivers will be able to turn right or left. Southside parents will not be allowed to drop off student's **front of Southside in the loop**. Dropping off a student on Academic Drive is not the safest drop off location. Please note that this is an attempt to make the parking lot, Academic Drive and schools as safe as possible. If we feel additional changes are beneficial and or the new patterns create more student safety issues, the School District, Police Department and the city of Morrison will continue to refine the process. Do not hesitate to contact the School District or Morrison Police if you have concerns, questions or suggestions.

Destruction of Records

a. Permanent records shall be maintained for 60 years after the student graduates, transfers or otherwise permanently withdraws from school and thereafter destroyed.

b. Temporary records will be destroyed each July; five years after the student's transfer graduation or permanently withdraws from the District, unless called during a periodic review.

Parents may copy student record information before such time records are destroyed. Student temporary records shall be reviewed every four years or upon a student's change in attendance center to verify entries and to eliminate or correct any out of date, misleading, inaccurate, unnecessary or irrelevant information.

c. Documents subject to a litigation hold shall not be destroyed until such time as the litigation hold has been lifted or the applicable time line for retention has expired, whichever occurs last.

Driver Education Prerequisite

Students that are eligible to take a driver education course must receive a passing grade in at least eight (8) courses during the previous two semesters before enrolling in the course. If a student is a freshman, school districts may count passing grades from the last semester of the student's eight-grade school year. The Superintendent may waive this requirement if he believes a waiver to be in the student's best interest.

Morrison Athletic Boosters

The Morrison Athletic Boosters invite all parents with a student involved in athletics to an athletic booster meeting. The Booster Meetings take place on the first Wednesday of each month. All meetings take place at Happy Joes. The Morrison Athletic Boosters is an organization that raises money to help provide the extras to the athletic department that might not otherwise be attainable. Any parental support is greatly appreciated.

SCRIP PROGRAM

The district realizes that paying fees can be a challenge. To help families, the district has worked with the Athletic Boosters to establish a Scrip program. This allows you or member of your extended family to make purchases with gift cards to area merchants that you would already be making at no additional cost to you. The merchants then make a donation to the boosters and half of that donation can be credited toward your student's fees. Please look at the link on the website for further information. Any questions please call LuAnn Wieneke 1-815-441-9040

Anyone participating in extra-curricular activity that is not able to finish the season due to health reasons or injury may request a refund. To do so a dated physician's note stating the nature of the illness/injury and that the student will be out for the remainder of the season must be submitted to the office. After approval by the superintendent, a prorated refund will be mailed to the athlete's guardian. Any questions please call the school office.

MJHS VOLLEYBALL:

First Practice for 7th & 8th grade girls interested in participating in volleyball will be Monday, August 10th from 3:20-5:30 at MJHS. Each girl must have her own kneepads and athletic shoes. Before your child may participate in practice, she must have a current physical on file and all school registration and athletic fees paid. Information for 6th grade girls interested in volleyball will be coming soon. We will share additional details as they become available.

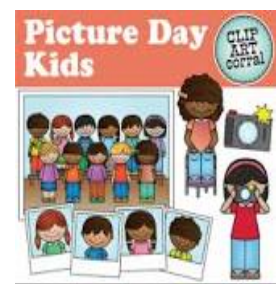

FEE WAIVERS:

****Remember you must fill out a Fee Waiver and turn it in at the District office with all supporting documents to apply for free or reduced book fees. If you would like to set up payments before school starts, stop at the District office to set up a payment plan.**

All fees have to be paid before the first day of practice.

Morrison High School 2026-2027 Schedule Optimization

Frequently Asked Questions & Fact Sheet

As part of our commitment to continuous improvement, Morrison High School is refining its daily bell schedule for the 2026-2027 school year. This grassroots adjustment was developed by the School Improvement Team (SIT) and passed with 79% staff approval (15-4). Its goals are to maximize instructional time, create a dedicated window for daily academic interventions (RtI), and expand course opportunities for our Whiteside Area Career Center (WACC) students.

Below are clarifications regarding the logistical details, student support mechanisms, and how we are protecting student extracurricular participation.

Category	Frequently Asked Question & Response
WACC Schedule	Q: What time do WACC students return to the high school, and what time is homeroom? AM WACC students return to the high school at approximately 10:10/10:15 (weather dependent). Under the optimized schedule, homeroom takes place daily between 2nd and 3rd period, running from 9:52-10:20.
Peer Collaboration	Q: Will WACC students be able to collaborate in person with peers and advisors during homeroom? Yes. WACC students will return during the final 5 to 10 minutes of the advisory period and report directly there.
Extracurricular Flexibility	Q: Extracurricular flexibility was promised for groups like Student Council, BLIND, Key Club, and FFA. What will this actually look like in practice? We recognize that these organizations are vital pillars of our school culture. As such, adult sponsors of these groups are committed to providing before and after school times for ALL students. • Rotational Meeting Schedules: Advisors will coordinate meeting days before, during and after school (e.g., Student Council meets on Tuesdays, FFA on Thursdays) so students involved in multiple activities never have to choose between them. • Targeted Windows: For large-scale project preparation (like Homecoming or FFA contest prep), advisors will continue to utilize brief windows before school (7:45 AM - 8:05 AM) or immediately after dismissal, supplemented by digital collaboration tools to keep students aligned without requiring them to miss instructional time. • Activity Period Block Outs: Building leadership and the SIT are evaluating designating specific days of the week during the homeroom block strictly for "Club/Organizational Meetings" versus days dedicated to academic interventions.
Academic Interventions	Q: If the new homeroom is meant for targeted academic interventions and counseling support, how will we ensure WACC students receive these services? WACC students will continue to receive these services with the same high level of support they have always received. Support services remain fully intact. Students will be identified through academic, attendance, behavioral, and social-emotional data, and interventions will be scheduled on a structured rotational basis throughout the week. This approach allows students to receive targeted academic assistance, counseling support, and check-ins without consistently missing the same class or instructional time.
Expanded Elective Access	Q: The administration stated that this schedule opens up new elective courses for WACC students rather than mandatory study halls. What specific courses are now available to them? Through this more balanced master schedule, students attending WACC will now be able to add an additional class to their schedule — something that was not previously possible. The revised schedule creates greater flexibility at the beginning of the school day and removes barriers that previously limited course access for WACC students. Under the previous schedule, certain courses could not be offered in the morning because WACC students would have been unable to participate due to travel times. With the new structure, those limitations are greatly reduced, allowing students access to the full course catalog offered in a given school year. This increased flexibility creates more opportunities for students to enroll in AP courses, electives, dual credit offerings, community internship experiences, and other specialized programs that may have previously conflicted with WACC participation. By opening up the morning schedule, upper-level courses and popular single-section electives that once overlapped with WACC travel times can now be accessed by these students, ensuring greater equity and expanded academic opportunities for all learners.
