“Aven because she's short”

“Kaia is a returning member and a cheerleading coach's dream athlete. She can do justa bout everything. She has been a flyer, a base, and a back spot for stunts; in addition, she has many tumbling skills and some of the best toe touches I have ever seen since coaching. Kaia is extremely humble, not giving herself enough credit as to how talented she truly is. I am so excited that she decided to continue cheerleading. Awesome job, Kaia!”-Coach Meltabarger
