TEAM PARKING Buses/Suburbans/Mini Buses may drop teams off at the main entrance (County Road 24.6). After drop-off, buses are expected to park at the baseball fields (see map). There will be a volunteer to transport drivers back to the golf course. It is about a 5-minute trip by golf cart.

TEAM CAMPS Team camps should be set-up on the south side of the course, east of the finish/start line.

SPECTATORS Spectators will park along Country Road 24.6. There will be volunteers available to direct vehicles. Please do not block driveways.

The course is very spectator friendly. Please remind everyone to keep off the sand greens and the course path clear for runners.

QUALIFYING 2A Qualifying Procedure – Top four (4) teams and all athletes who finish in the top fifteen (15) places. Full teams must consist of 4 to 8 members (score 4).

AWARDS Medals will be presented to those individuals finishing in the top 15 places.
Plaques will be presented to the first and second place teams.

Awards will take place at the starting line.

FOOD There will be food vendors on-site. Our Booster Club is also providing snacks for athletes finishing the race.

FACILITIES There will be porta potties available on-site.

COURSE The course will be marked on both outside perimeters with flags. Runners should stay between the flags at all times. Hazards will be marked with orange paint or cones.

The course surface is dirt and natural grasses. Please see attached map for details.

We will have a lead biker and golf cart trailing. There will also be volunteers along the course to help with directions and to keep spectators from interfering.

Important: The Springfield Golf Club is kind enough to let us use their facility free of charge so please make sure athletes stay off the sand greens.

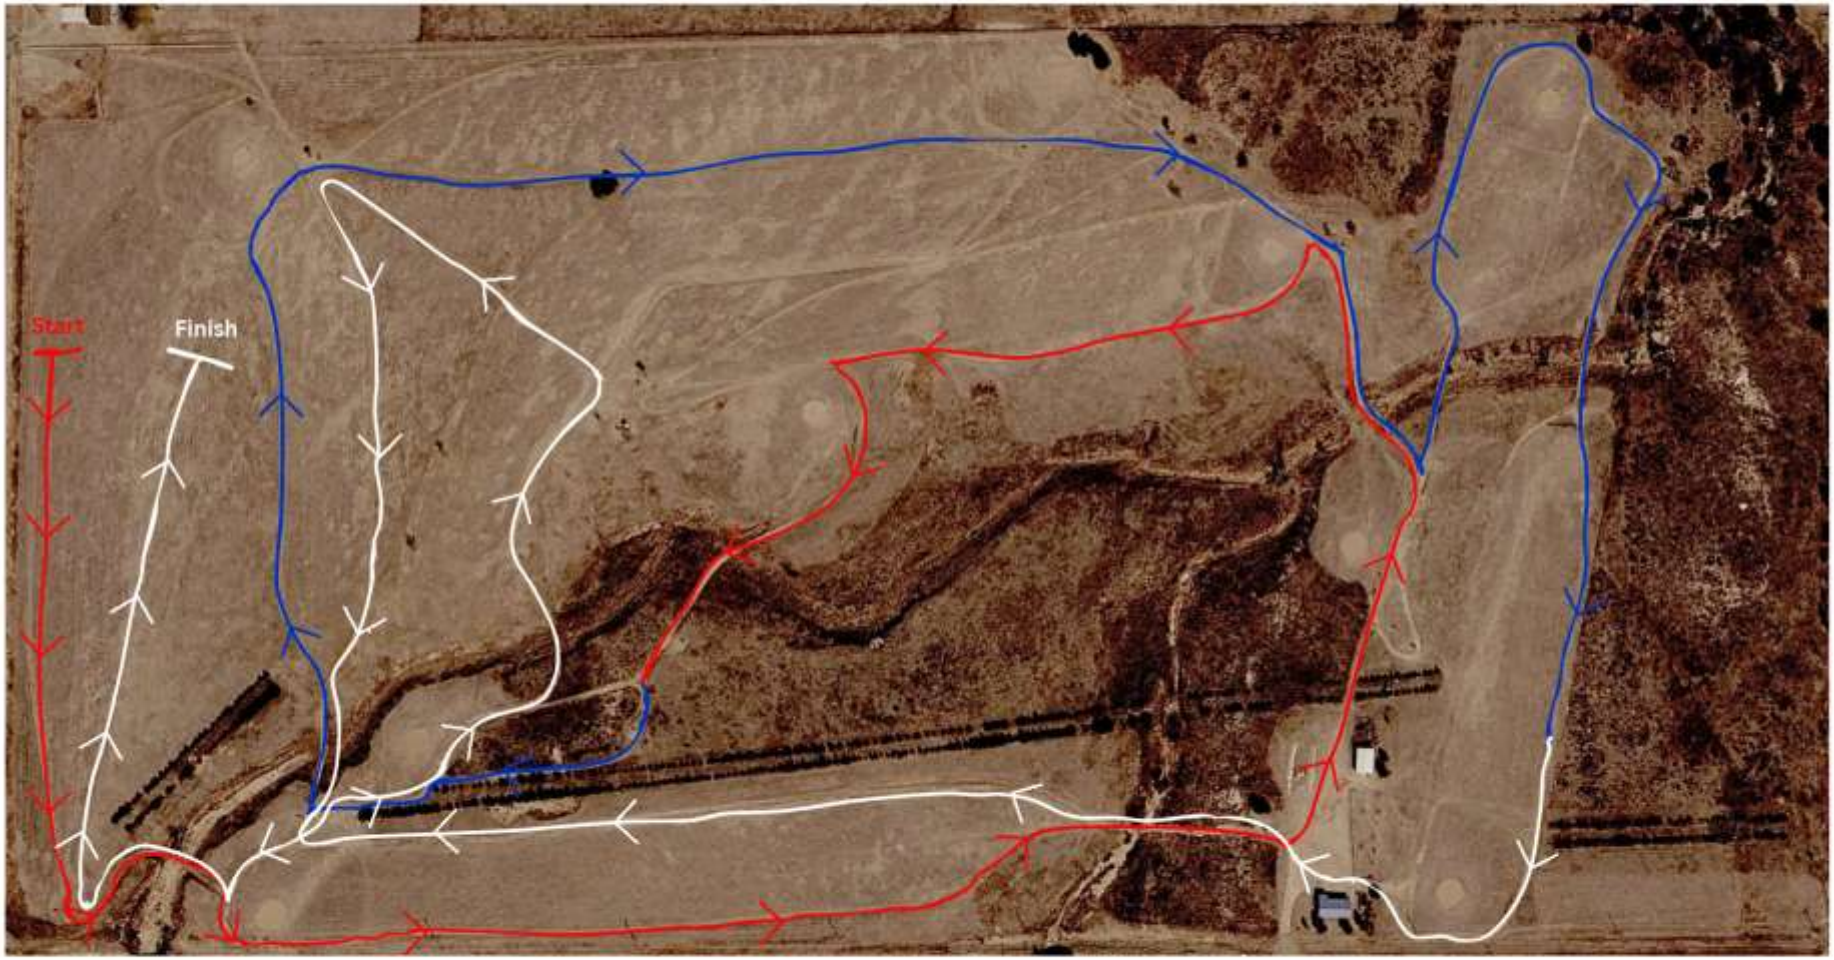

BOX NUMBERS Per CHSAA rule, box number will be assigned via a random draw. The draw will take place with official Chad Kiniston on October 20th once MileSplit registration has concluded.

FUN RUN Those who would like to participate in the fun run should register at the registration table in order to get their bib number. Medals will be given to finishers.

This event will be running while results are being calculated. A reminder that per CHSAA, high school athletes cannot participate.
