# ATHLETE OF THE WEEK

10.12.26 - 10.15.26

JH Cheer

"Jaselynn is a second-year cheerleader who stepped up and became one of our cheer captains as a sixth grader. She is continuing as a cheer captain and does a great job! Jaselynn is a dual-sport athlete who always keeps up with her grades, perfectly balancing both sports and academics. She attended the majority of our summer open gym and often works on cheer things outside of school, coming to us coaches with new stunts and perfected routines. She has only grown as a cheerleader and steps into any role we ask of her. Excellent job, Jaselyn!"-Coach Meltabarger
