CROSS COUNTRY

September 15th-20th 2025

RESULTS

In less than 24 hours the Cross Country team traveled over 560 miles, ran in 2 meets in 2 different time zones, broke 4 career records, 1 season record and still found time to listen to the high school football game on the bus and show up to support the highschool volleyball and junior high football teams at their games.

The runners took on two new courses when the high school team traveled to Colorado City for a Friday afternoon meet and then the junior high joined them in Hugoton, KS for an early morning meet. Coach Brooke was pleased with how they all ran, especially the high school on the second day. "It speaks to how hard they are training and the shape they are in to be able to perform so well in a short turnaround."

Draven Ferch	Thomas Schmidt
Colorado City	Colorado City
13th/83 - 19:14.50	54th/83 - 23.12.5
Hugoton	Hugoton
21st/77 - 18:12.37	70th/77 - 23.:25.07
