-Which one of your teachers would survive a zombie apocalypse?

“Probably Mrs.A”

“Though we struggled to capture a win against Boise City, there were quite a few bright points and highlights during our game this past Monday!! So many that it was difficult to choose just one player for player of the week. Ansyn Dean came off the bench to play defense for us and made several key tackles and played with effort and enthusiasm! Daniel George has made great strides on either side of the ball. He anchors our offensive line at center and proved to be a destructive force playing defensive end!!! Coaches and I are very excited to see players stepping up and taking more significant roles in our team!”-Coach Deter
