CHEERLEADING

September 15th-20th 2025

HIGH SCHOOL

The Springfield Longhorns' home game against Elkhart wasn't just about football thanks to the cheerleaders; it was a full-on celebration of school spirit. From the first chant to the last whistle, the squad kept the crowd on its feet and the stands roaring.

Before the action even started, the girls showed what true sportsmanship looks like by creating and delivering goodie bags to the visiting Elkhart team. And they didn't stop there. Earlier Friday, the cheerleaders brought the same enthusiasm to the hospital's open house, brightening the day with face painting and vibrant chalk art for local families.

This week's Cheerleader of the Week is Gintri, who gave every ounce of her energy to the team. Gintri also carried the American flag for the national anthem, a proud moment that highlighted her leadership and Longhorn pride.

Whether rallying the fans, serving the community, or honoring the flag, the Longhorn cheerleaders proved they're champions of spirit on the field and far beyond it.

JUNIOR HIGH

The Shorthorn cheerleaders helped cheer the football team on to a victory against the Boise City Wildcats. Later that week, the girls brought the same enthusiasim and spirit to Lamar when the football team played under the lights at the new Thunder Stadium.
