Congrats Seniors - 2026!

(SEE CLASS PIC ON P.5)

THE BEST SENIOR PRANK EVER!!!

On May 1st, the 2026 Seniors surprised the high school faculty by bringing a younger sibling, relative, or friend to school with them. Some of these young guests were just toddlers, but to the surprise of many, these mini-Trojans went to class with their temporary caregivers with most staying the entire 7 period day! In the end, fun was had by all and our seniors got a true parental/educational experience. I want to commend our seniors for choosing to be remembered for doing something good, the "Trojan Way"!

PCHS STUDENT OF THE MONTH

Lorali Barnes

Senior Lorali Barnes was selected as the PCHS student of the month for March. Lorali was nominated for her great attitude, high academic achievement, and her extracurricular accomplishments. She is a straight A student with 6 AP courses and 4 concurrent credit courses to her credit. She is a 3 time "Trojan Way" qualifier. She was the team captain for both back-to-back state champion golf teams in 2024 and 25. She is a 6-year member of the Trojan Lady Basketball Team, a 6-year member of the Beta Club, Student Council President, and President of PC Thespian Troup. We congratulate Lorali and thank her for being a great representative of Parkers Chapel High School!

STAFF SPOTLIGHT - Mrs. Angela White

Mrs. White is in her Third year in the district with this being her first as custodian in the PCHS building. Before PC, Mrs. Angela had worked in the baking industry for 20 years.

She grew up in Texas where she graduated from Cayuga High School. Mrs. Angela and her husband, Greg, have a total of five children and 9 grandchildren, with one on the way!

When asked about her interests other than family, Mrs. Angela says that she and Greg love to travel and serve the Lord in worship and praise at her church and in the community.

Mrs. Angela's addition to the PCHS Team has made a huge positive impact both physically and culturally. We are blessed to have her!
