## A Message from Your Superintendent

### Greetings Daleville Family Members!

I hope this newsletter finds you doing well. We are beginning a new initiative to communicate with our stakeholders with the creation of this newsletter. We plan to send the newsletter to you every two months. The newsletter will offer information about activities going on in our schools and school corporation, school calendars and upcoming events, and articles of interest from our elementary school and high school.

Our mission at Daleville Community Schools is to maximize the skills and potential of all students for a successful future. We believe that education is a continuous process and that critical thinking skills are the foundation that assures a person the ability to adapt to an ever-changing world. We believe that our charge is to develop our students physically, mentally, emotionally, and socially so that they are well-prepared for life after their education at Daleville Schools. We strive to integrate technology in teaching the fundamental skills as outlined in the state proficiencies and to expand about this base of learning in order to provide a program of instruction that challenges the individual's abilities.

We focus our efforts on creating a safe and orderly learning environment with a family atmosphere that motivates our students' desire for learning, develops pride in school and community, promotes positive self esteem, instills self-discipline, provides a sense of accomplishment, and respect for the rights and opinions of others.

I have stated many times in conversations and emails with students, staff members, and parents that the safety of our students and staff is our highest priority. Student and staff safety impacts every decision we make and every new initiative we consider.

We must be a team in our efforts to achieve everything we want for our students. Our team includes all students and staff members at Daleville Schools, parents, grandparents, family members, community members, local business leaders, law enforcement, and local, state and national politicians. Together we do amazing things for our students. I see this team, or family, working together continually at Daleville Schools and feel great gratitude and pride for what we have to offer our students.

As we head into the holiday season, I wish for you to have a time filled with happiness and joy with time spent with your family and loved ones.

**As always, it's a great day to be a Bronco.**

*Greg Roach, Superintendent*

## Grants Help Daleville Schools Strengthen K-12 Career Pathways

Daleville Community Schools has been awarded two grants that help grow career pathways and career exploration to include all students from grades K-12. The Exploration, Engagement and Experience (3E) grant was awarded to Daleville Schools in the amount of \$232,000 over two years. This grant allows for the creation of hands-on STEM classes through Project Lead the Way for our students at Daleville Elementary School. The 3E grant also permits the offering of health services classes and internship opportunities for our students at Daleville Junior/Senior High School. We are able to contract a part-time horticulturist with funding from the 3E grant. Daleville Schools was also awarded a \$25,000 EARN grant from the Indiana Department of Education. This grant will support our efforts in providing work-based learning experiences for our students.

Our focus for the use of these grants is to give our students from grades K-12 opportunities to learn about careers in areas where they have interests throughout their K-12 school experience. An example of this is our effort to have 100% of our seniors serve an internship or in a job shadow placement during the 2022-2023 school year. We have established partnerships with over 50 areas businesses to provide a variety of experiences for our students. We will also host a career fair this spring for our students in all grade levels.

## SCHOOL RESOURCE OFFICERS PROVIDE SECURITY & MORE

This school year a second SRO was added to the staff at Daleville Schools. The addition of Officer Herschel allows for an SRO to be assigned to each of our school buildings. Officer Herschel is primarily based in Daleville Elementary School. Officer Norris, who has served as an SRO at Daleville Schools for 9 years, is based at Daleville High School.

The SROs primarily assist our school administrators in providing a safe and secure environment for our students and staff, but they do much more than that. The SROs interact with our students to develop positive, supportive relationships so students can interact with them in a constructive way. Other job duties include working with school administrators to continually review and refine school safety plans and conducting safety drills, educating our students on law related matters and providing an example of a positive role model.
