Superintendent

Dear Parents and Guardians,

The Madison Community Unit School District #12 Transportation Department is committed to ensuring the safety of every student who rides our school buses.

All Pre-K through 2nd grade students who are dropped off at the bus stops must be met by a parent, guardian, or other authorized responsible adult each afternoon.

To help protect our youngest riders, bus drivers will not release students unless an approved adult is present at the bus stop.

If a responsible adult is not present when the bus arrives:

- Your child will remain safely on the bus.
- Your child will be transported back to the school.
- A parent or guardian will be required to pick up the student from the school office.

If you need to update your emergency contacts or add an authorized adult who may receive your child at the bus stop, please contact your child's school office as soon as possible.

A copy of the District's transportation handbook is available on the District website, including additional resources related to transportation.

We appreciate your partnership and cooperation as we work together to provide a safe and secure dismissal process for all students.

Thank you for your attention to this important safety matter.

Sincerely,

Transportation Department
