

Education in Parsons, Kansas Past, Present, and Future

- February 23, 1869 Petition sent to County Superintendent for organization of School District No. 33.
- Aug.2-Nov.2, 1869 School was held in a log house at 23rd & Appleton. Teacher for those three months was Miss Maria Hussy at a rate of \$16.67 per month paid by subscription. Average attendance was 15 with 54 school-age children in the area.
- March 1870 1st annual school district meeting held. Proposal for a new school passed by a vote of 8 to 2. Bonds in the amount of \$1,000 were voted to build a 1-story, two-room frame building at the northwest corner of 21st & Appleton.
- 2nd School Term Held again in log house. Miss Sophronia Emery was the first teacher paid from public funds. Enrollment of 54.
- September 1871 New two-room school opened. Teachers were Miss Emery and Mr. E.H. Taylor (a farmer). The building was later sold for use as a Negro church.

1874 A third-ward grade school (Columbia) was erected at 24th & Corning. Approximate cost, \$10,000. Renamed McKinley shortly after the turn of the century. Additions were made in 1890 and in 1912.

Parsons-How It All Began

1880

Parsons-How It All Began

In the first ward, Lincoln School was constructed at a cost of \$8,930.

1884

Parsons-How It All Began

⇐ Washington Grade School was built in the 4th Ward at 26th & Stevens for \$12,000. In 1899 a larger building was erected in the same location for approximately \$10,000. ⇨

Parsons-How It All Began

1889

1893

Cost of the first Parsons High School, erected at 26th & Main, was \$30,000. Before this, high school classes were held in the 3rd Ward school which offered a three-year course with one year of post-graduate work. In the early 1900's a full four-year course was offered.

Parsons-How It All Began

1903

Parsons-How It All Began

1st brick school in Parsons was at 17th & Main. Cost, \$18,000. (2nd Ward School) Replaced by New Garfield Grade School built at 14th & Corning. Cost, \$36,000.

1905

Enrollment: 2,524 students; 42 teachers; 5 buildings.

1908

Douglass School was constructed at 822 South Central for Negro students in grades 1-8. Upper grades attended the high school. In 1925, an addition costing \$36,399 included a gymnasium & auditorium.

Enrollment was 250 students when total integration of all students was accomplished in 1956 and Douglass School was closed. The building was torn down in 1958. Before Douglass was the Hobson Normal Institute opened by the Friends in 1882 which operated for about ten years, then closed due to lack of sufficient patronage.

1920

New brick building at 14th & Broadway housed students in grades 7-9. It was divided into East and West. Students west of the tracks school at 26th & Main and those east of the tracks attended the new building.

Broadway housed 1926, the junior high West Junior High. Those east of the

1921

Under the superintendency of H.D. Ramsey, the pension plan was inaugurated.

1923

Lincoln, the 1st Ward school, was replaced with this brick structure at a cost of \$89,311. The three-story building included twelve classrooms, and a gymnasium & auditorium at the basement level, the first in any ward building.

1923 The Junior College was inaugurated into the school system and held in the 28th & Main building.

1924-26 A new high school was constructed at 2719 Main. It included an auditorium, gymnasium, library, and shops. Later a football field (95 yards) and added north of the building. Cost was \$531,162. In 1923, during the administration of Rees H. Hughes, the Junior College was inaugurated in this building and the school system was also held in this building.

1927 Kindergartens were started in each of the four wards.

1935

A new McKinley building was erected with twelve classrooms, auditorium, Library, and kitchen. The cost was \$91,315 with a \$26,367 Federal grant.

1952

The old Washington building was replaced with a one-story building with twelve classrooms, auditorium, and kitchen. Two more classrooms were added in 1954. Cost of the building was \$374,675.

1953

Teachers began participation in Social Security.

1954

The old West Junior High at 26th & Main was deemed unsafe and bonds were voted for a new building which was completed in December 1954 at a new site, 31st & Morton.

1962

East Junior High and West Junior High were moved to the building at 2719 Main. Parsons High School then moved to the location at 3030 Morton and the Juco moved to the 14th & Broadway location.

1963

To help alleviate crowded conditions, the Southwest Elementary School was erected at the south end of the Senior High School grounds on 31st Street.

- 6-27-1966 Minutes read "The Board of Education, City of Parsons..."
- 7-05-1966 Minutes read "The Board of Education of Unified School District 503..."
- 2-20-1966 Accepted bid of \$1,610.50 for Prairie Valley School & grounds.
- 10-03-1966 The Board approved renaming Southwest Elementary School to the Guthridge Educational Center to show recognition of Wallace H. Guthridge, Superintendent, and long-time teacher & administrator.
- 11-02-1970 Agreement with City of Parsons to transfer by deed the property known as the stadium & football field in Marvel Park for a period of 25 years. After 25 years, title will revert to the City with the provision that the School District may use stadium & football field free of charge on a lease basis for maintaining the facility as described. [Built in Mid 1930's] 730 Main
- 6-05-1972 Facilities for football at Marvel Park are being completed. The PA system, scoreboard control cable, goal posts, yard-markers and flags, and flag poles are being installed for preparation for the coming season. Press box construction has been completed.
- 4-02-1973 Beginning the 1973-74 school year, Parsons District Schools will become a member of the Two-County Special Education Co-op for the purpose of providing for the special education students as well as meeting the 1974 mandate handed down by the state legislature.
- 5-17-1979 Parsons District Schools entered into an agreement with the S.E.K. Regional Educational Service Center to mainstream Parsons State Hospital and Training Center pupils.
- 8-16-1982 The Board voted to close McKinley Grade School at the end of the 1982-83 school year.
- 8-16-1982 The Board of Education authorized the pursuit of implementing a Middle School program effective the 1983-84 school year for grades 6-8.
- 8-16-1982 The Board voted to reorganize the district beginning the 1983-84 school year as Elementary Grades K-5, Middle School Grades 6-8, and High School Grades 9-12.
- 1999-00 Washington Elementary School was closed.
- 2000-01 Middle School classes were conducted at the Washington School building during renovation of the Parsons Middle School.

District-Wide Energy Improvements

The Board passed a resolution authorizing the district to enter into an energy performance contract and a lease purchase transaction, the proceeds of which will be used to pay the costs of acquiring, constructing, and installing water, lighting, HVAC and roofing improvements for the district and obtaining savings from these energy conservation measures.

District Enrollment **Parsons Census**

1965	2,385	13,041
1970	2,655	13,015
1975	2,543	13,563
1980	2,194	12,870
1985	2,123	12,870
1990	1,930	11,924
1995	1,936	11,657
2000	1,719	11,514
2005	1,529	11,212
2010	1,331	10,500
2015	1,324	10,500

Transportation

2019-20 At the end of the 2018-19 school year, the District ended the contract with Durham. The District purchased their own school buses and hired a transportation director (Rick Giefer), bus drivers, van drivers, and bus monitors.

One-To-One Technology

The District went one-to-one District wide beginning with the 2020-21 school year. Each student in the District would now have their own device (iPads for elementary, Chromebooks for middle school and Chromebooks/laptops for high school).
