Prom Walk-In Information April 18th, 2026

Walk-In from 7:00-9:00 pm

Dance Held 9:00 pm-11:00 pm

We are excited that our Junior and Senior prom is coming up! This year we have the honor to host Prom 2026 at The BottleHouse! This will be Saturday, April 18th. Walk-in is from 7-9pm and the dance begins right after until 11pm! Below you will find a directional map and information regarding walk-in and where students will enter into the venue.

Students and anyone aiding in the driving of vehicles will travel North on Locust and turn right at 5th St. You will then turn left and drive North on Walnut at 5th St. to get in line. Students and/or their drivers will stop at the corner of 2nd and Walnut where students will get out of their vehicles and proceed to walk into the venue. Drivers or valet will continue driving north on Walnut and turn left or right onto 1st Street. Valet drivers will park cars in The Bottlehouse parking lot. We would like to reserve this parking lot for students attending only! There is parking for both citizens and parents at Legacy Square or any nearby parking spots on side streets.

We are welcoming many to watch both in person and live on Facebook! Spectators will be allowed off to the side and across the street. You will have to bring your own form of seating if you are wanting to watch the walk-in. We will also have the walk-in streaming on Facebook Live through Ottawa High School for those who want to watch from afar! Please email Regan Headrick at HeadrickRusd290.org or Emily Hampton at HamptonE@usd290.org
