Never

Forget

This year was a year that everyone will "Never Forget." It was a year of hope, dreams, and challenges. It was also the year our country entered into war against Iraq. War changed our views on peace and the way the world really is. Many of our relatives, friends, and neighbors fought for our country.

Seniors faced the challenge of finding the right college or job after high school. They will remember this year because the senior class finally came

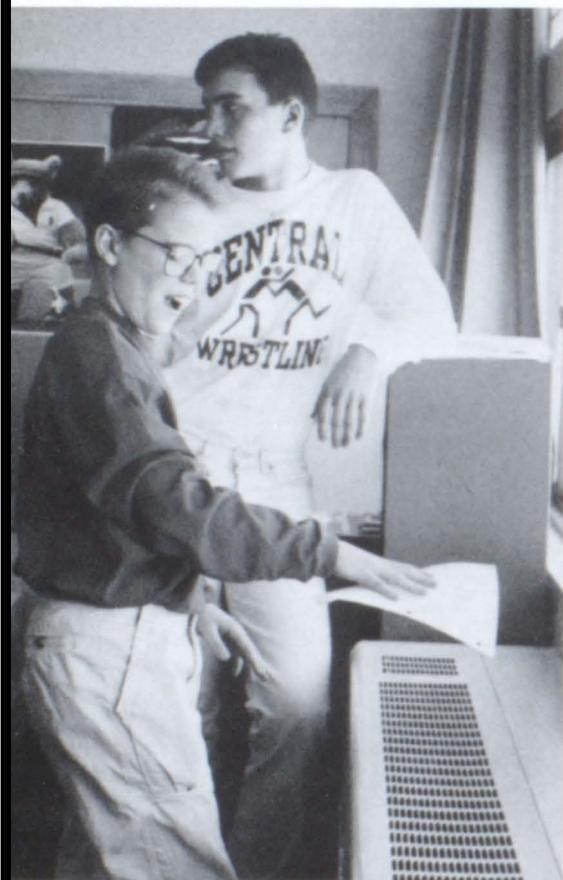

together as friends. The juniors started having dreams of the future and career plans. The sophomores and the freshmen tried to find a place for themselves in school. We all tried to find the right path for which our lives will follow.

Many things happened throughout the year. We started the year with football and homecoming. We moved on with many sporting events and school activities. The school joined together to cheer our sporting teams onto victories, and the clubs also brought us all to-

gether. Whether it was a language club, FFA, or FLA, we had fun and felt like we were doing these activities as a family of friends.

No matter where we go in the world, we will always remember the good memories and fun times we had. Students may forget some of what they have learned, but they will "Never Forget" the friends and memories they have made. The memories will remain in their minds and hearts forever.

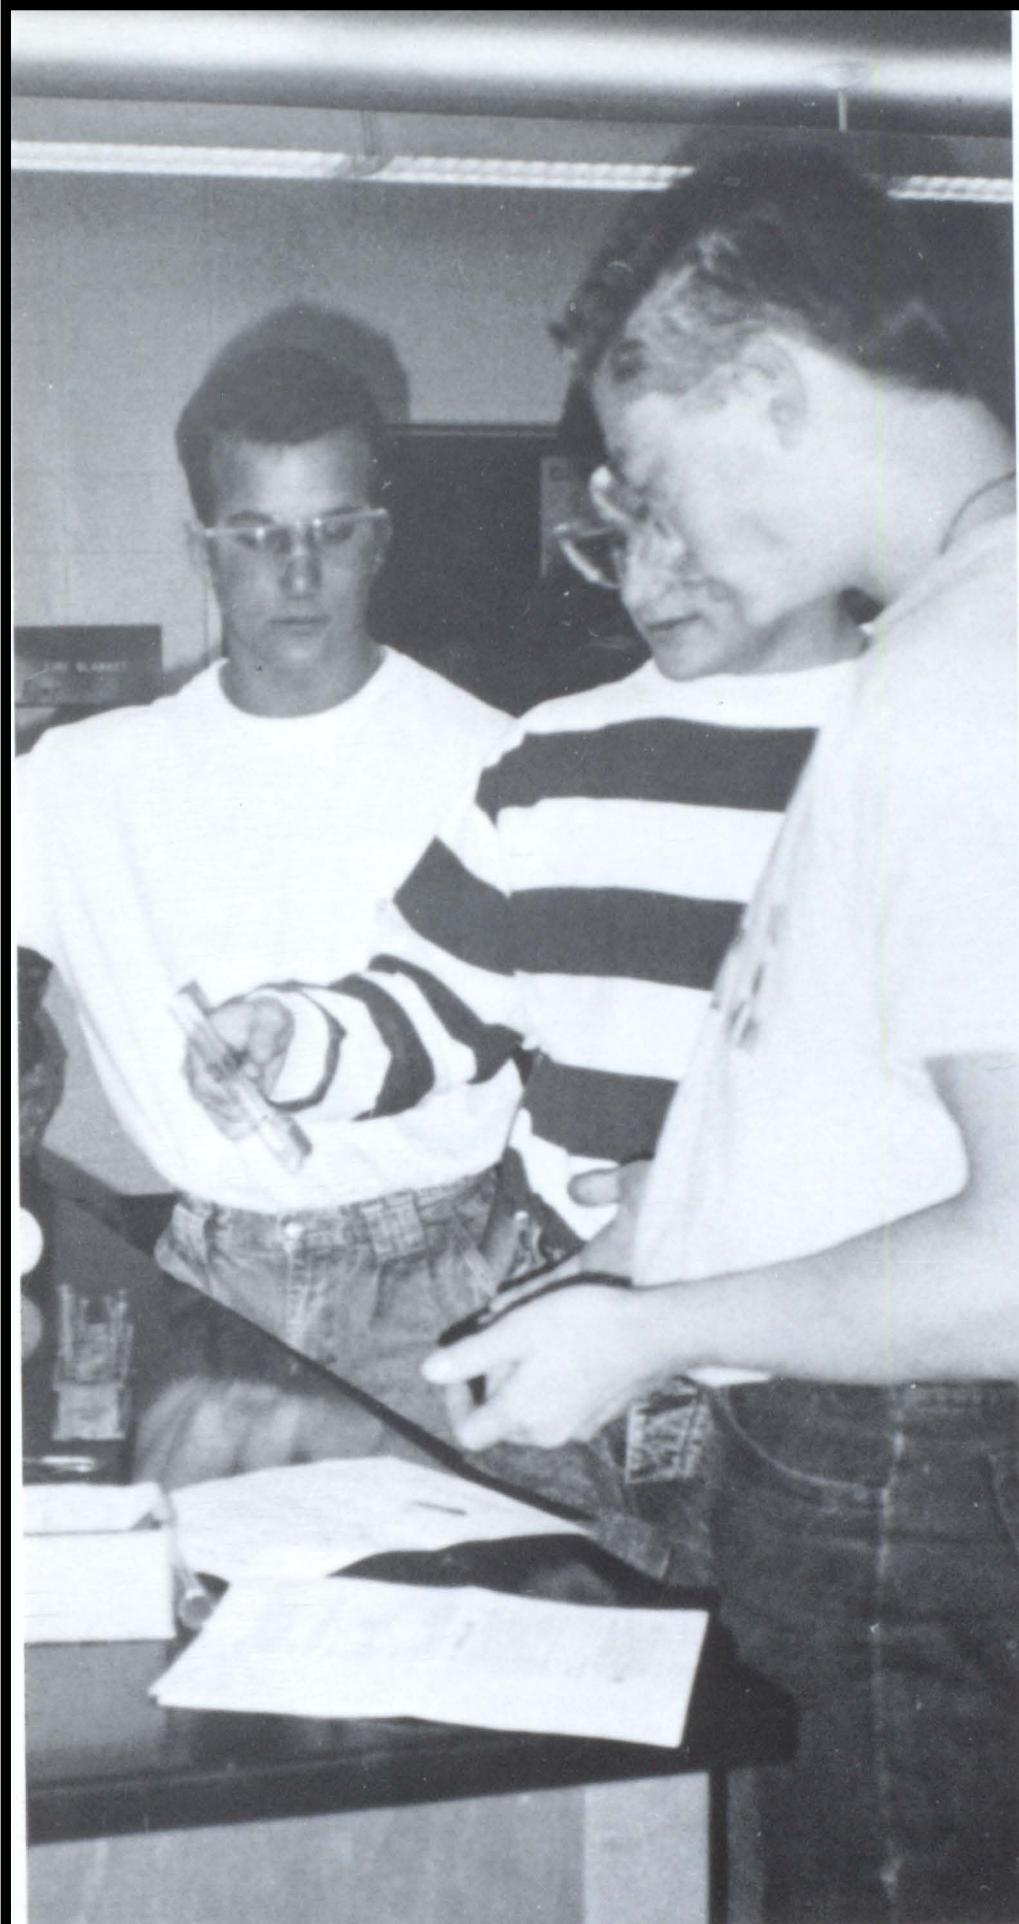

by Sarah Schuettpelz

Josh Coder experiments with forced air heat.

Kahli Braun delivers a Valentine carnation to Rose Schug.

Pat Kohls, Chad Eischens, and Mike Schrapp gently shake a test tube.

Allison Mulville raises school spirit at a boys' basketball game.

Never

Let Go

This has been a year of new friendships. Some friends came from other schools while others were from totally different countries. Even old friendships have been valued. With all the friendships, Central's atmosphere has been comfortable for everyone, especially when there was a need for a shoulder on which to cry, an ear for listening, or a smile for encouragement.

The people within the school were the major factor in helping this school become what it is. Also, the activities that were conducted had many fine people behind them, making sure that everything went right. Without the help of the staff, administration, and the students, events such as homecoming, prom, and graduation would not have been as important as they are in many people's lives. Much of this had to do

with the friendships that were developed within the '90-'91 school year here at Central High School.

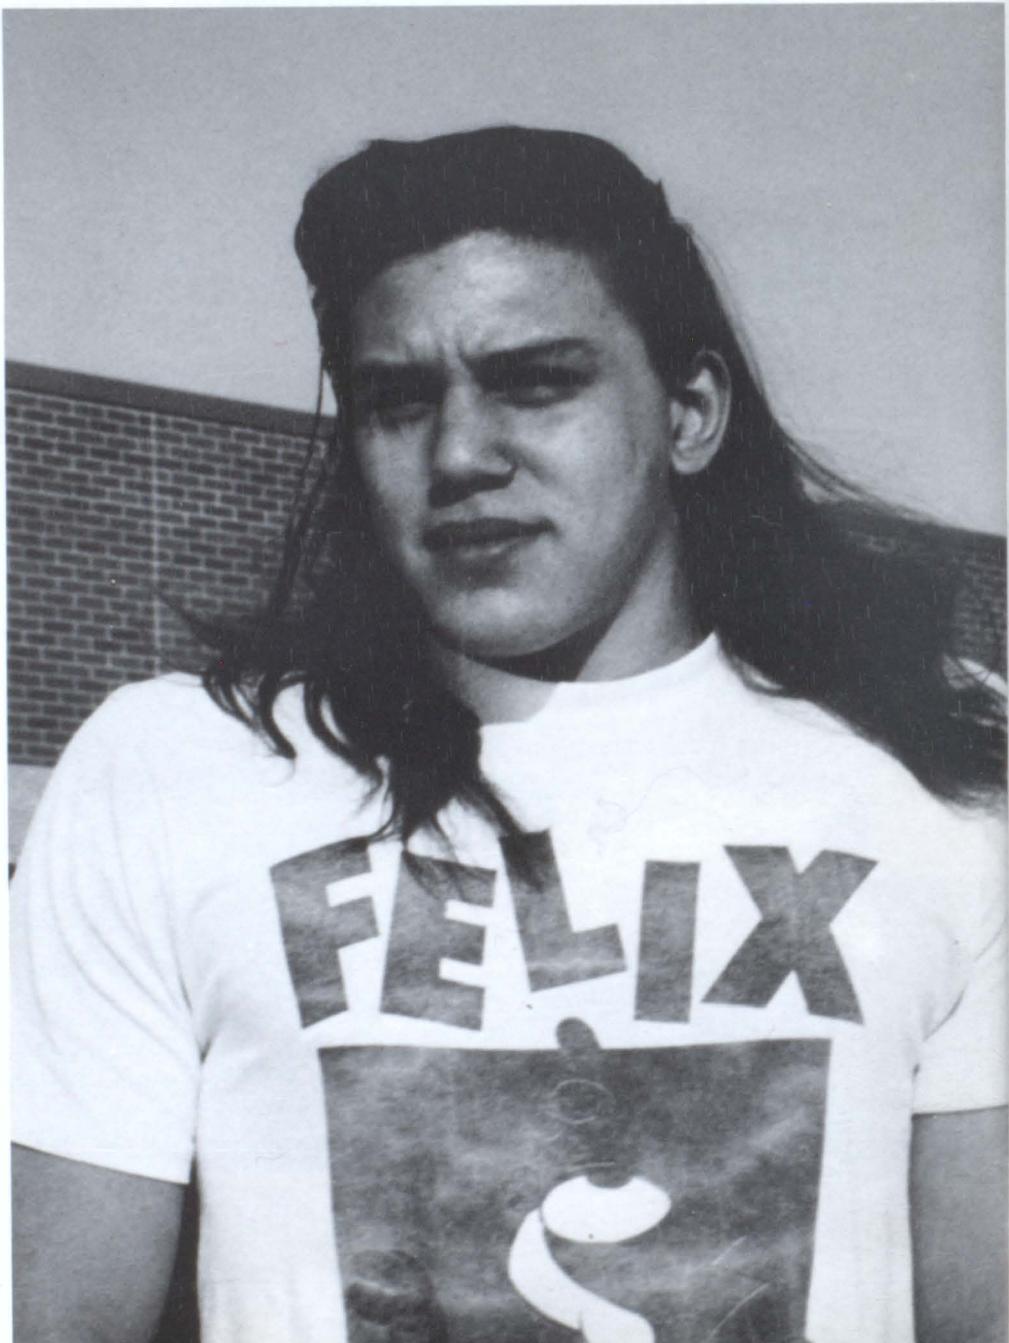

Let us all never forget the wonderful people who helped make us what we are, and the friends who were there to share with us the things that we have accomplished and overcome.

Never Stop Dreaming

“You are your own greatest asset. There is nothing you cannot do. No one can keep you from dreaming your dreams and only you can prevent them from coming true."

The seniors of 1991 can now look back upon the past years and remember both good and bad times that were had at Central High School. As they complete their high school education at CHS, many of them wonder where the time has gone and long for just a few more days. At the same time, the seniors have a bright, new future with many opportunities waiting for them to discover.

As the seniors go off to school, work, or whatever they choose, they will all

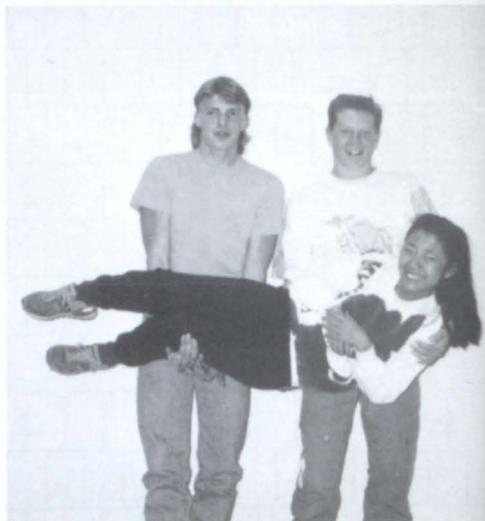

remember their companions and the special people who helped make their life here at Central special. While some may be reluctant to leave the place they have known for most of their lives, others will welcome this change and be excited to discover what is out there for them.

These graduating seniors will make themselves their own greatest assets, keep on dreaming their dreams and never let others prevent them from coming true.

So as the Class of '91 says farewell to the halls and classrooms of CHS, our wishes are with them to fulfill their dreams.

CENTRAL'S FOREIGN STUDENTS

G'Day. My name is Robert Archibald. I'm a foreign exchange student from Brisbane, Australia. Before I arrived here, I thought that the U. S. A. would be the same as home. After all, we speak the same language, see the same movies, and eat the same food. I was wrong. Everything is much "faster" in America — faster food, faster cars, faster everything. I came here so that I could see another culture without learning another language, but when I arrived, I found that I couldn't understand a single word any-

Hoi zaeme, my name is Sandra Riedo. I am a foreign exchange student from Switzerland. When I first got my U. S. address, I was confused. "Hamburg? That's in Germany."

When I came over I found many things were as I imagined them to be. I was surprised by how much people use their cars. Americans use their cars whenever they have to go somewhere, even if it is just up the street. In Switzerland we have many trains, and people use them to get somewhere. We can't get our driver's licence until 18.

Guten Tag, I am Jan Schmidt-Lange, a foreign exchange student from Germany. I emphasize Germany, not West Germany.

I'm currently staying with Bruce Stender, who gave me the nickname "Bart Simpson," since he thinks I look like him.

When I came here, I couldn't believe that every one of my junior classmates already drove a car. In Germany, we have to wait until we are 18 to get our driver's license, and even then just a minority own a car. Another incredible aspect of America is the low prices on everything here. We do have fast food chains, but we have to pay triple the price for this "typical American" stuff — about \$1.50 for one ham-

Ohayo, my name is Inse Pak. I am a foreign student from Japan. I came to America to improve my English.

America is different from Japan. In Japan, I lived in a big city with many things going on. Here I live out in the country on a farm. Although I miss the things going on at home, I enjoy living in a totally different way here.

The food is also different. The main meal in Japan is fish. I miss it sometimes, but I really like American food. I enjoy eating fast food occasionally, and I love

I have never had more fun going to school than I have had here. There are games every week, and I joined several organizations. In Switzerland, everyone goes to school to learn, and there are no after-school activities.

America is thought of as a land with thousands of possibilities. It is the dream of almost everybody to travel here. I have had the opportunity to see much more than just the country. I have learned about the culture and the people. I really enjoyed my stay here.

burger.

I like to draw, ski, waterski, and listen to Black soul and jazz rock. I am delighted by all the possibilities (mostly musical) to attend, and since my absolute favorite hobby is playing the drums, I enjoyed getting involved in band and jazz band.

After I get the Abitur (German graduation) two years from now, I want to attend college for graphic and commercial design or for a futher musical education on the drums.

tacos.

Going to school here is much more fun. We don't have to wear uniforms. I don't like getting up so early. In Japan, school doesn't start until 9:00 a.m. Since I want to stay here for two more years, though, I think I will get used to it.

America is a relaxed country. The life here is easier, and Americans are funny and open.

One of the biggest experiences I have had here was the snow. I never saw snow before, but I like it.

“Hall of Fame”

Worst Driver: Noel Raph and Alicia Braun.

Most Mischievous: Mike Bleichner and Michelle Johnson.

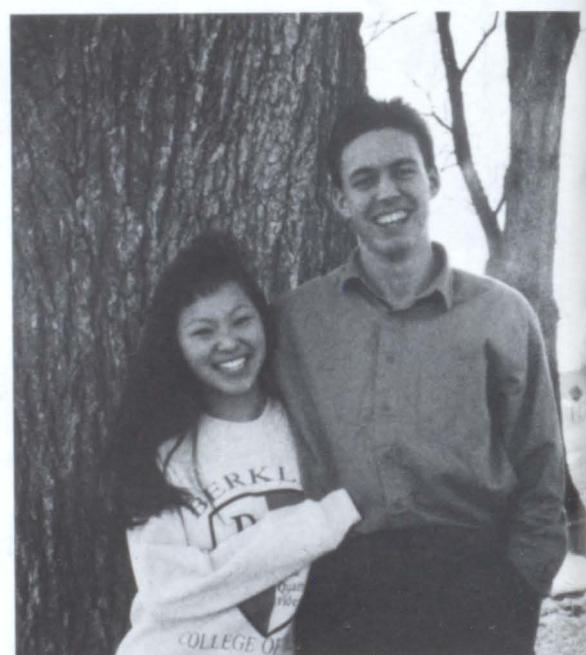

Worst Procrastinators: Tom Wischnack and Lisa Schneider.

Biggest Flirts: Earl Stieve and Sue Wotczak.

Best Dressed: Luke Wolter and Andrea Hilgers.

Friendliest: Chris Glander and Jodi Wickenhauser.

Most Likely to Succeed: Jeremy Heckmann and Lucy Williams.

Wildest People: Brad Braunworth and Barb Fasching.

Biggest Whiners: Charly Templin and Heidi Lueck.

Best Sense of Humor: Pat Mooney and Amy Lenz.

The Seniors of 1990-1991

Sarah Schuettpelz, Jill Wickenhauser, Karen O'Neil, and Jodi Wickenhauser are enjoying their last homecoming dance.

Central's four foreign exchange students: Sandra Riedo, Jan Schmidt-Lange, Robert Archibald, and Inse Pak.

Charly Templin

Chuck, eighteen years of wonderful childhood memories have brought you to a new fork in the road. We'll be right behind you, wishing you all the love and success you deserve. We are very proud of you, Chuck. Congratulations! Love ya!

Mom and Dad

Sarah Schuettpelz

Keep smiling, Sarah. May you find success as you enter bigger and better things. We are so very proud of you. May all your dreams come true.

We love you.
Mom and Dad

Amy Jo Lenz

Congratulations, Amy! We're very proud of you. We wish you a lifetime of happiness and success and may all your dreams come true.

Love,
Dad, Mom, and Jared

Jill Clare Wickenhauser

Congratulations, Jill! We are very proud of you. The future is yours, and we hope that it will bring you a lifetime of happiness and success.

Love,
Mom and Dad,
Randy, Julie, and Rob

Alicia Braun

Alicia, it seems like only yesterday we were working on your A, B, C's and 1, 2, 3's. Now it's your G.P.A. and A.C.T.'s! You have been a delight to raise and have added much happiness to our family. We love you and are so proud of you.

Love,
Mom and Dad

Michelle Bachmann

Congratulations, Michelle. You have done a great job! We are proud of you. We wish you all the best for your future. We love you very much.

Love,
Mom, Dad, and Aimee

Lisa Ann Schneider

Congratulations, Lisa. You are a wonderful daughter, gracious, caring and a leader in school, church, and family. Continue to live by your values as you follow your dreams!

Our love,
Mom, Dad, and Bill

Stacey Ann Prehn

Congratulations, Stacey, on a job well done. We are very proud of you, and our love will always be with you. Continue to strive for new goals, and you will find much success. May God bless a very special daughter.

Love,
Mom, Dad, and Matt

Heidi Lyn Burks

Congratulations, Heidi! All your hard work has paid off! We are very proud of you. We love you and wish you a lifetime of happiness and success. May God bless you always.

Love,
Mom, Dad, and Tina

Eric Sauter

Best of Luck! We are not only going to miss you when you go on to school but all of your friends that stop by, even Siewert!! We hope all of your dreams are what you expect them to be.

Love,
Mom and Dad

Senior Ads

April Lea Storms

Congratulations, April! Words cannot express the happiness and joy we feel for you. Continue to be the caring and loving person you are. We are so proud to be your parents!

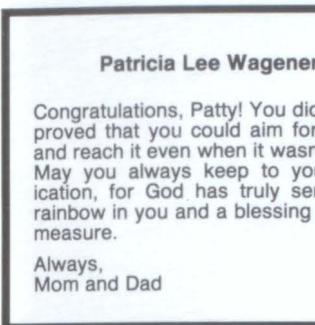

Love always,
Mom and Dad

Lucy Williams

Lucy, we are proud to be called your parents. May you attain your goals and find happiness in life.

Mom and Dad

Patricia Lee Wagener

Congratulations, Patty! You did it! You proved that you could aim for a goal and reach it even when it wasn't easy. May you always keep to your dedication, for God has truly sent us a rainbow in you and a blessing beyond measure.

Always,
Mom and Dad

Brad Braunworth

You had your first car at age three. Continue to drive the road to a successful future. Best of luck to you. We're proud of all you accomplishments.

Love,
Mom, Dad, and Sonia

Karla Marie Bruesehoff

Congratulations! The baby of the family is always the hardest to let go. You're very special to us. We're proud of you, and we love you very much. May God bless you in your future and all you do.

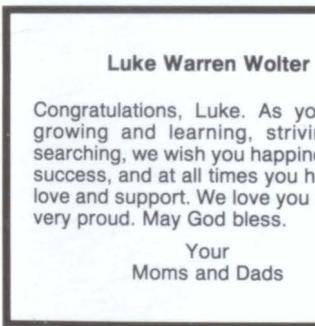

Love,
Mom, Lyle,
Joel and Terry

Melissa Marie Wildung

Congratulations, Missy, on your graduation. We wish you good health, happiness and success throughout your life.

Love,
Mom and Dad

Luke Warren Wolter

Congratulations, Luke. As you keep growing and learning, striving and searching, we wish you happiness and success, and at all times you have our love and support. We love you and are very proud. May God bless.

Your
Moms and Dads

Tracy Widmer

Congratulations, Tracy! You've made us very proud. We know you'll take on your next challenge with determination just as you've always done. We wish you a life full of success and happiness.

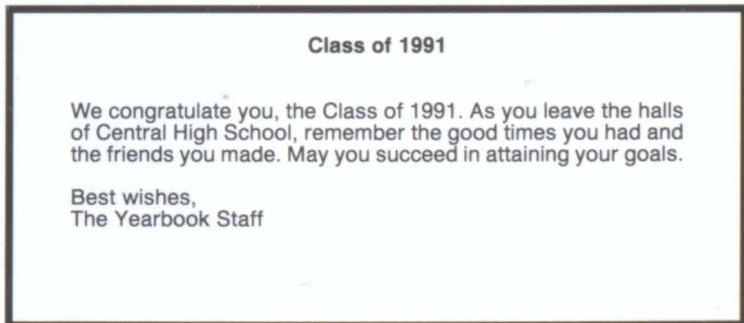

Love,
Mom and Dad

Kelly Schimelpfenig

Kelly,
You made it and you make us proud!

Congratulations,
Mom and Dad

Class of 1991

We congratulate you, the Class of 1991. As you leave the halls of Central High School, remember the good times you had and the friends you made. May you succeed in attaining your goals.

Best wishes,
The Yearbook Staff

Juniors

Class of 1992

One step up the big ladder and only one year left. The junior year is the big year. Juniors don't have to worry about college yet, and they have earned their freedom. Juniors are able to select nearly all their classes themselves. Many juniors have their driver's license and are able to go out on their own. This combination allows a junior's life to be exciting both in school and out of school.

Throughout the year, the juniors are busy participating in many school activities. Homecoming is the earliest event that involves the juniors working together to transform a plain school gym into a beautifully decorated ballroom for coronation and the dance. All throughout homecoming week, the juniors show their school spirit by dressing appropriately on dress-up days.

The prom provided another exciting chance for the juniors to have fun together. Many juniors planned the prom from the beginning of the year in order for it to be a success. With all the work and effort involved in the prom preparation, it couldn't be anything but the "time of your life."

by Brian Willems

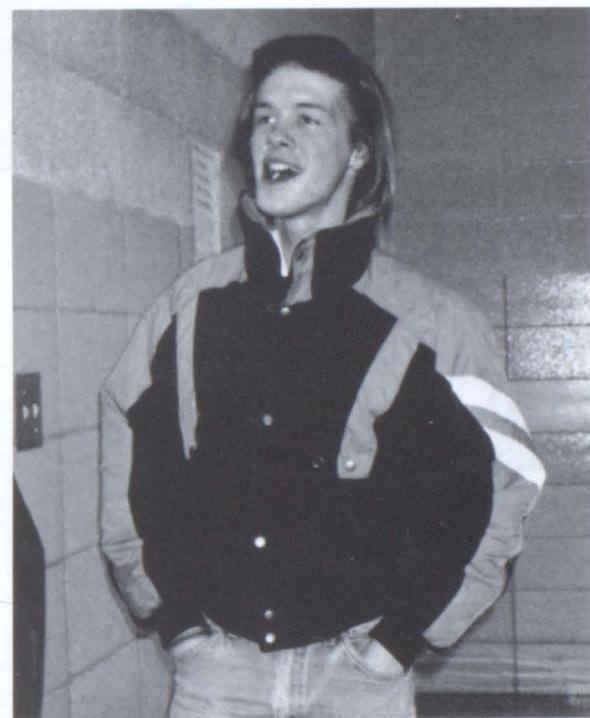

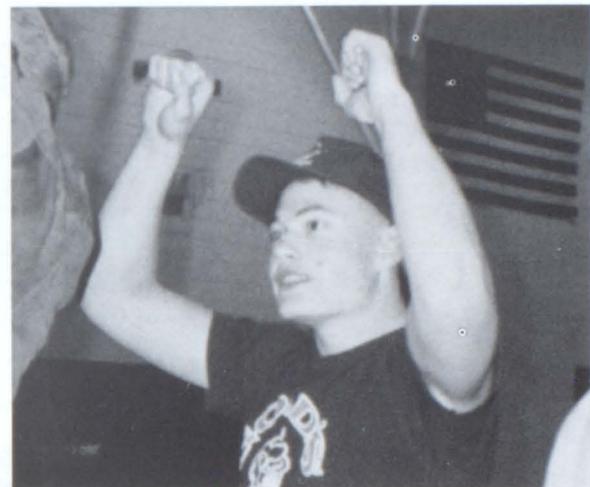

Because of his outstanding portrayal of a betrayed husband, Brian Willems took "Best Actor" in the one-act play.

Central's walking wounded, Conan Dolezal, Julie Williams, and Leah Goette proudly compare their BOO-BOO's!

Mike Schrupp cheered as the girls' won their basketball game.

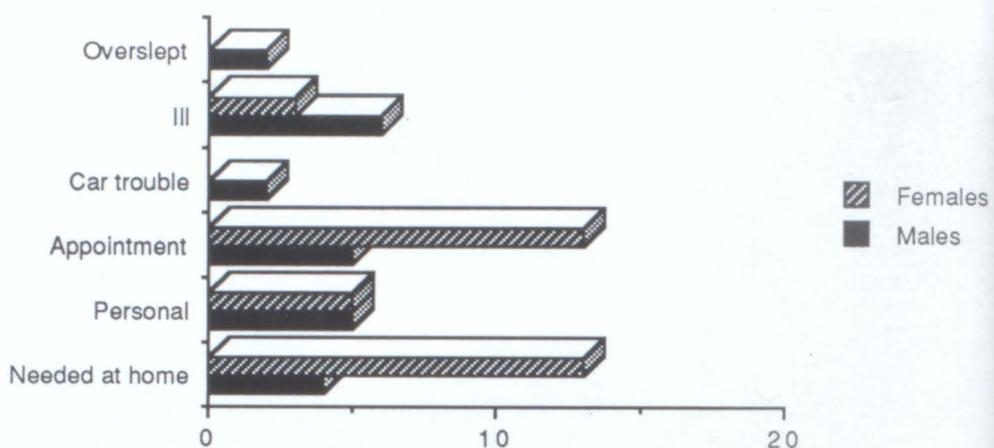

"If that's a camera, I'm going to kill someone!" yelled Aaron Ketcher.

Taking a break from their studies, Jeff Mackenthun and Matt Palaia make plans for the upcoming weekend.

NEEDED AT HOME???

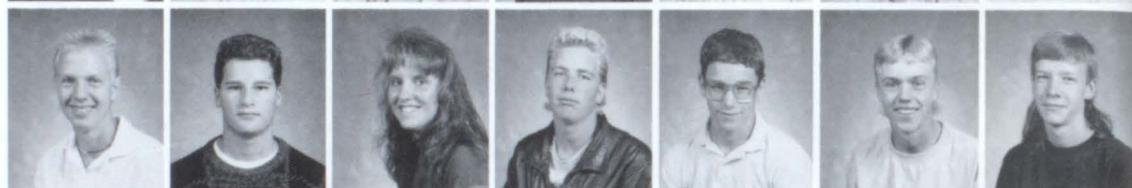

An uncontrollable need to avoid teachers, lockers, school food, and textbooks. It used to be called "senioritis," but this year's juniors caught the bug, too. The juniors used "needed at home," "personal," "appointment," "car trouble," "ill," and "overslept" as excuses when they were absent from school. But what was their favorite excuse? The yearbook staff found out by polling them. The adjacent graph shows the results.

Sophomores

Class of 1993

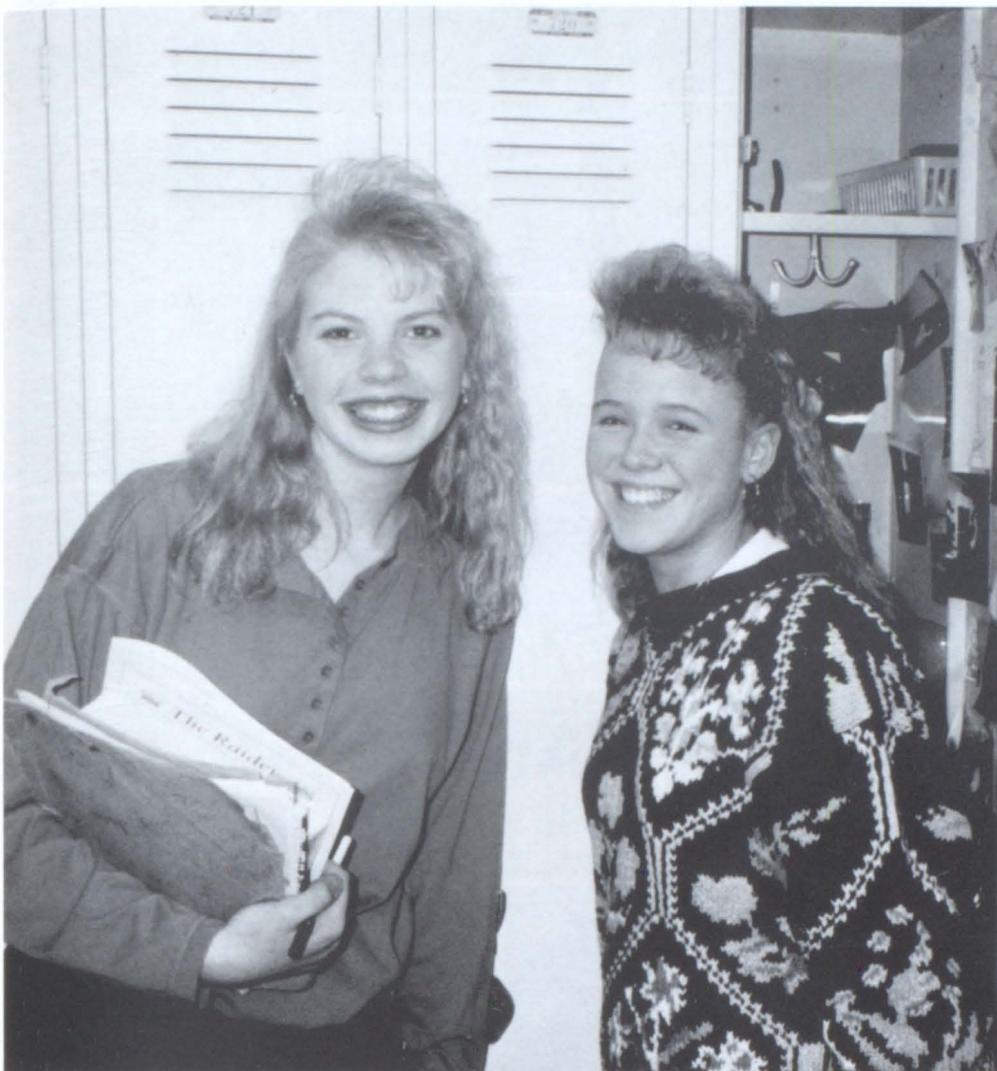

The sophomore class certainly isn't camera shy.

COMING UP IN THE WORLD

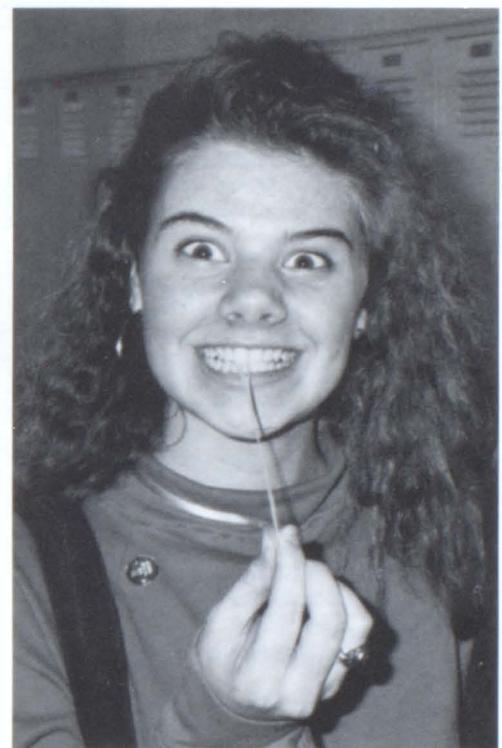

The sophomore class is finally starting to feel the effects of being part of the senior high school. There were many new responsibilities that the sophomores were able to gain. One of their privileges was the ability to obtain their driver's license. For many this was a great experience since it was a new step on the ladder into adulthood. A driver's license meant they could go to new places and meet new people. This also entailed other inconveniences for them to take care of such as money for gas, repairs, and insurance. Therefore a job was needed for these sophomores to pay for all their new expenses. For many sophomores a job was a

mixed blessing. It took up their free time, yet it gave them work experience that would help in getting a job after high school. It also gave them their needed spending money. The Class of 1993 also were privileged to be the first to receive class rings with the new Raider logo on it. This too was a special event for these students of Central High School. So this year's sophomore class was able to gain another year within the halls and classrooms of Central High and are able to look forward to their last two years at Central while they make plans for their bright new future.

“DO THE BARTMAN”???

Music plays a significant role in the lives of teenagers. They wake up to music, listen to it while driving their cars, studying, or exercising, and then go to sleep to music. Since teens are surrounded by music, the yearbook staff asked the sophomores to give their favorite song from the January 1991 Top Ten List. Their choices included the following:

“Love Will Never Die” by Janet Jackson

“High Enough” by Damn Yankees

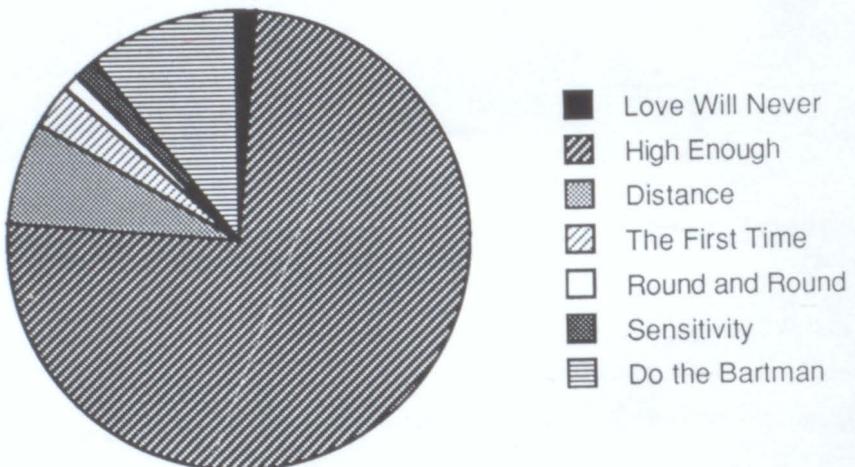

“From a Distance” by Bette Midler

“The First Time” by Surface

“Sensitivity” by Ralph Tresvant

“Do the Bartman” by Bart Simpson

Three of the top ten songs received no votes. They were “Gonna Make You Sweat” (C & C Music Factory), “Heat of the Moment” (After 7), and “All the Man that I Need” (Whitney Houston). The adjacent graph shows the results of the survey.

Gabby Medenwaldt and Mary Madden took time out of their busy day to just hang around.

Freshmen

Class of 1994

Upon entering high school, the class of 1994, or the freshmen, faced many new changes and challenges. The class officers elected were as follows: Lance Hartmann, President; Mandy Harms, Vice-president; and Jenny Smith, Secretary-treasurer. Krista Lentsch and John Bessel were chosen to represent the class at homecoming. Students had the opportunity to take classes of their choice. Students also had the opportunity to join new organizations such as PEERS, German Club, and the newly formed Chemically Free group. For those of age, the freshmen had the opportunity to take Drivers' Education. Students lived through thirty long hours of classroom instruction, followed by six hours of behind the wheel training. As you can see, the freshman class faced many changes and challenges, but more are yet to come as they continue through their high school years.

Searching each page, Michelle Pouliot is confident the answer is within reach.

Studying always brings out the best in Nathan Panning.

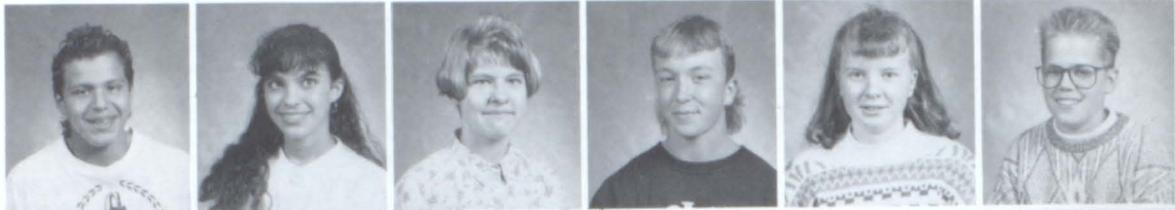

MY HOMEWORK? THE DOG ATE IT!

Homework. It should be a four letter word. Freshmen are active with places to go and people to see. Sometimes it's "impossible" to get their homework done. When this happens, though, they need an excuse. The yearbook staff polled the freshmen class to determine the most popular excuse for not completing homework. The choices given included the following: sports event, didn't know about it, forgot it at home/school, church activity, the dog ate it, didn't feel like doing it, and had to work. No doubt Central's teachers have heard them all. The adjacent graph shows the popularity of these choices.

Eighth Grade

Class of 1995

When teachers were asked the question, "What do you think of this year's eighth grade class?" they all agreed that most of them were outgoing, creative, and basically an enjoyable group. With treasurer Dale Kamps by her side, Lindsey Lehrke presided over the class. Many eighth graders participated in various extracurricular activities. For example, Jessica Rick ran away with the cross country "Most Improved Runner" award. Many girls who were cheerleaders motivated those who participated in volleyball, football, basketball, and wrestling. There were also others who chose to be involved in the spring sports such as baseball, softball, track, and the all-school play, *You Can't Take It With You*. Eighth graders could also take part in the junior high swing choir, jazz band,

and the recently added speech team.

There were a variety of responses to the questions that were asked about plans for working. Eighty percent want to go into fields where they can directly work with people. Although the girls' choices of profession were based around interior, fashion, and hair design, Julie Wotczak challenged them all with her plans of becoming a millionaire. The top choices among the guys involved working on cars. However, Ben Lentinen wants to clean bowling alley gutters as a cleaning business.

Surprisingly, only three students were undecided about their future, so this kind of response gives the eighth graders a bright hope for their future. Looking good, Class of 1995!

SPORTS, OF COURSE!

High school students in general keep busy with homework, extra-curricular activities, and jobs. Eighth grade students are no exception. Since eighth graders are beginning to experience time management, the yearbook staff questioned the eighth grade class as to how they spend their free time. Their choices included sleep, music, reading, TV, sports, telephone, and Nintendo. The adjacent graph shows their response.

Seventh Grade

Class of 1996

Central's seventh grade class were the new kids on the block this year. The fact that high school is different from elementary school came through clearly when talking with a few of the seventh grade students. For example, although he didn't express a preference, Mike Mondor observed, "there are more guy teachers in the high school." He also noticed the crowded junior high wing. Jill Noennig agreed, giving the junior high hallway as an example of overcrowdedness. Another student said, "No one told us there'd be seven classes," the student said. When asked what they liked about this past year, Deanna Barclay said, "Being treated more like an adult," and Jill Noennig said, "Freedom!" As to their goals for the upcoming years, some want to letter in sports. Others want to make the honor roll. Finally, when asked why they liked seventh grade in general, they said, "It's fun!"

PERFECT ATTENDANCE?

As the seventh grade students entered junior high, they faced many new situations daily. These situations provided opportunity to set their high school goals. The yearbook staff surveyed the seventh graders in order to determine their goals. The questionnaire provided the following choices: popularity, graduating with honors, lettering in sports, having a date for prom, attaining perfect attendance, and passing the drivers' exam. The adjacent graph shows their response.

Never

Stays the Same

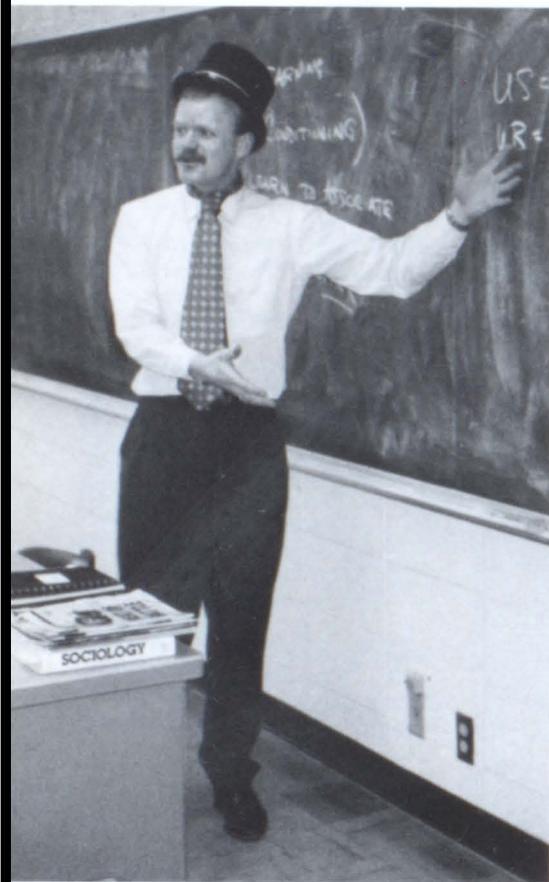

The 1990-91 school year brought many changes to the Central High School students. The Math Department gained approval to begin an Assurance of Mastery Program which will ensure student literacy in math. In addition, two senior high electives, Spanish and psychology, were introduced. In the junior

high, seventh grade students learned keyboarding from Central's new elementary and secondary computer coordinator, Mrs. Eckhoff.

Central also added 20 Macintosh SE/30 computers for students' use. The computer room was repainted, carpeted, and rearranged with new fur-

niture to accommodate the new computers. This year's academic changes were a great success. The students and the staff worked together to make education meaningful and fun.

ADMINISTRATION

Preparing students for the future was the main goal of the administration as they progressed in making many changes in the educational system. A physical change for Central this year was making our school look better. Many of the classrooms were remodeled as well as given new paint jobs. As stated by Superintendent Patrick DeSutter. "If our school and classrooms look better, our students will feel they are in a productive learning environment." This year Spanish was also offered as another

elective for a foreign language. When it comes to students needing medical assistance or personal problems, they now have the opportunity to go to the school nurse or social worker who were hired full time. This year Central also adopted a Sexual Harassment Policy. The Central students feel a special thank-you should be given to the administration for giving us the best education possible.

AN EMPHASIS ON LEARNING

As in previous years the Communications Department has been a great influence on the students. However, the '90-91 school year brought a few changes. The first was the addition of Jana Rieck who taught the 10th grade students the importance of speech in their lives. She also became the advisor for Central's speech team. Another addition to the Communications Department was Stephanie Schuette-Tews, who was the instructor for the two new Spanish classes here at Central High. Students can now choose to study Spanish or German, which is taught by Mrs. Kramer. One last arrival this year was the new Macintosh Lab.

Students in the junior and senior writ-

ing classes, taught by Mrs. Berndt, used the Macintosh computers to make graphs and illustrations which supported their papers. The Mac's also improved the writing ability of the students by providing Spellcheck for revisions in their papers.

The junior high reading curriculum has been improved by Mrs. Halliday and Miss Rieck to help make the younger students more prepared for their next few years.

This has been a year of many changes within the Communications Department, which helped many students develop skills that will be of a great asset in college or on-the-job.

CENTRAL'S FINE ARTISTS

T

he students at Central High School were able to participate in a variety of fine arts activities. There were band classes, taught by Mrs. Seiler, for both junior and senior high school students. The band performed at many of the school activities including sports, concerts, homecoming, and graduation. This year the band took a trip St. Louis. There were also choir classes, taught by Mr. Erdmann, that were open to any

Central student. The choir also performed at many activities including homecoming and graduation. Along with band and choir, there were art classes taught by Mr. Miller. The art classes consisted of basics in either drawing and painting, or pottery and jewelry. There are also advanced classes in both of those fields. Students displayed their art work in the Young America library for public viewing.

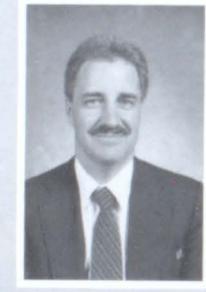

Trying to get the exact shade, Pat Kohls adds a dab of red paint.

The high school choir sang "Be True to Your School" on coronation night.

DENNIS STANEK
Mathematics
Assurance of Mastery

The Math Department has undergone some positive changes this past year. First of all, they have the addition of Mr. Ted Doyle, a 1990 graduate of St. John's University. Mr. Doyle taught at Cold Springs last year. This year at Central he teaches seventh grade math along with one section of Algebra I and one section of Algebra II. When asked what he thinks of Central High School's math program, Mr. Doyle responded, "I love it, and it

has a promising future."

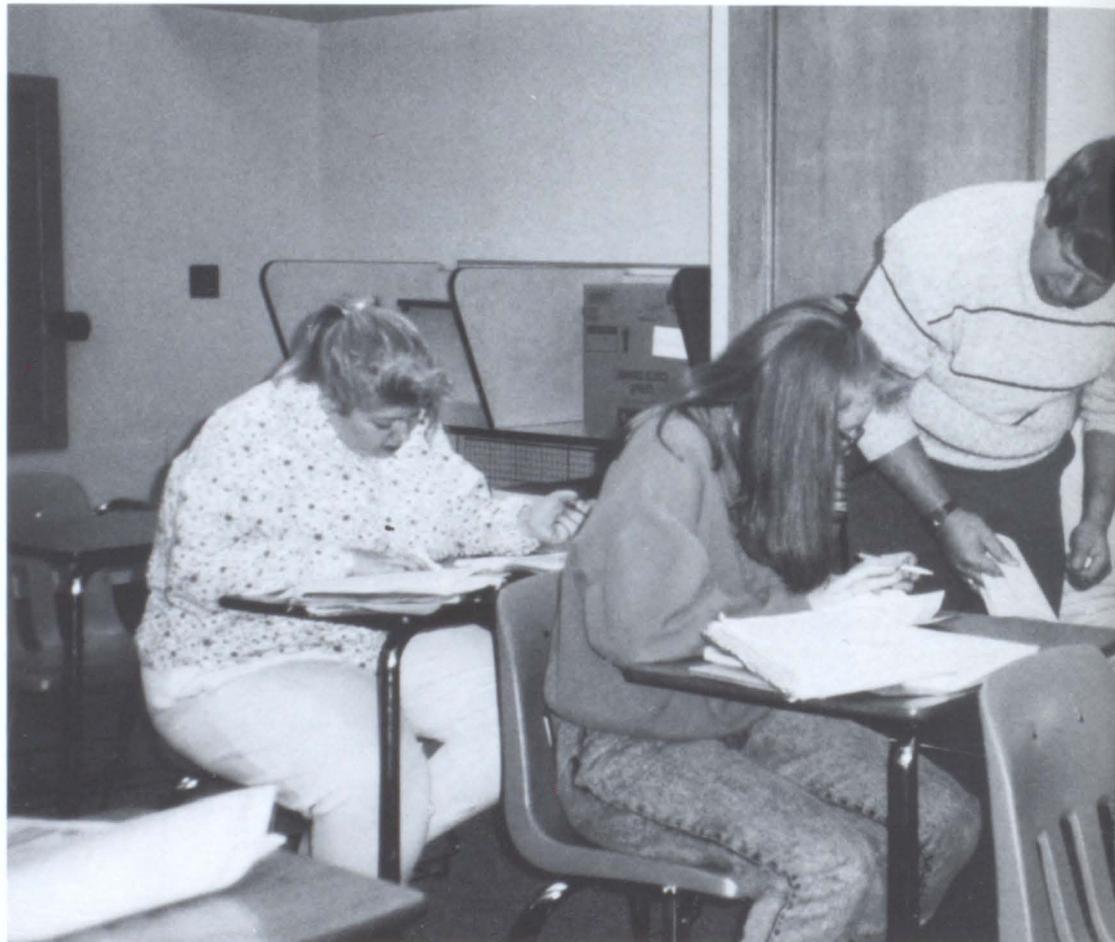

The Math Department has also added the Assurance of Mastery Program, taught by Mr. Dennis Stanek. Seventh and eighth graders must successfully complete a test of basic skills in order to advance to the next level of mathematics. Through this program, Central's students will achieve math literacy, a necessary skill for the future.

Mr. Stanek gives instructions to Anna Braunwarth on how to successfully complete her assignment.

Mr. Mason tries to make Jenny Stuewe believe that the new Macintosh computer is easy to use.

Kaleb Coder, with help from Mr. Doyle, tries to decode the complex terms in his math book.

INFORMATION TECHNOLOGY

Tenth graders receive help on their research papers from Mr. Spille and Mrs. Good.

Joel Kroells and Mrs. Halliday screen edit an English essay.

Information technology is the ability to access information found in books, magazines, movies, television, and newspapers. The main sources available to the student body are the IMC and the three computer labs. The IMC has over 13,000 paperback, hardcover, fiction, non-fiction and resource books. The high school subscribes to over sixty periodicals which are available for staff and student use. Although this department at Central is the smallest, it has the largest budget, allowing it to purchase the newest addition to the school: 20 Macintosh SE/30 computers. This now gives the student accessibility to three different computer labs. Mrs. Eckhoff has also joined the Central staff of teachers to help instruct students on the computers. A new aspect to computer education at Central is that junior high students are also required to learn keyboarding skills on the computers. By increasing the technology, Central High School is giving its students a competitive edge.

PHYSICAL EDUCATION AND HEALTH

Students in seventh through tenth grade register for physical education classes. In these classes, all students start the hour by running and doing calisthenics. Each physical education student is required to participate in the five minute runs during the second and third quarters and in the Presidential Physical Fitness tests during the first and fourth quarters. Students also participate in football, soccer, bowling, volleyball, basketball, floor hockey, tumbling, archery, softball, tennis, golf,

weightlifting, and a game unit. The game unit features shuffleboard, table tennis, and badminton.

Students in seventh, ninth, and tenth grades participate in health classes. These students learn about drugs, alcohol, tobacco, nutrition, birth control, pregnancy, life cycle changes, and first aid. In their sophomore year, all students are given the opportunity to become CPR certified.

Science

DARRYL NELSON
Science

Ms. Bowers explained to Brian Whittey and Billy Schneider exactly where to make the incision in the worm.

What does our Science Department have to offer? "A wide variety of different courses!" answered our newest member Miss Bowers. In addition to physical biology and life science classes, the department also offers chemistry, physics, anatomy, physiology, and advanced biology. Mr. Delwiche said he enjoyed his upper level classes because "Most students

choose these classes, whereas in seventh and eighth grade, science is required." Miss Bowers and Mr. Nelson find their students equally enjoyable. "While science is not always going to be fun," said Miss Bowers, "when students are younger, they are still interested in learning and excited about it."

Mr. Nelson's seventh grade class dissects worms.

Chad Kammann demonstrates conservation of momentum.

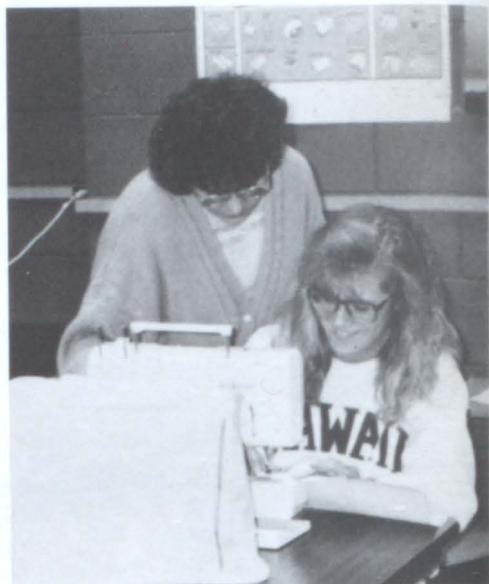

Mr. Delwiche and Robert Archibald test precision in a physics lab.

LIFESKILLS ARE APPLIED IN VOCATIONS

From agriculture to business plans, Central's vocational program has much to offer students in grades 9-12. It begins in seventh and eighth grades when students are required to take keyboarding, home economics, and industrial arts classes. There are few courses available that deal with mathematics, although that will come later. Some of the more commonly chosen classes in ninth and tenth grades revolve around basic skills that will be beneficial in more advanced classes. Typing I and II,

basic woodworking, and computer classes are more options from which to select. Students are also able to pick from advanced woods, consumer issues, farm business management, senior foods, clothing, accounting, family living and a variety of other courses. Classes are usually smaller which in turn creates a better individualized learning environment.

by Julie Williams

Mrs. Harms warns Allison Mulville that she had better be careful, or she'll sew her fingers together.

Mr. Swiggum and Chad Feltmann discuss an engine problem.

A FOCUS ON THE MIDDLE EAST

The Social Studies Department prepared students for life after high school. The classes discussed problems facing people today.

One of the main topics of discussion was the crisis in the Middle East. Some classes wrote to soldiers in Saudi Arabia, and all the students talked of the war in the Persian Gulf.

The geography class studied the location of the countries. In world cultures, each student reported on a country and brought in food, clothing,

and artifacts of that country. Global issues class discussed the many problems facing the world. Emphasis was placed on getting the students to think globally and act locally.

Psychology was a new course offered by the department. The class, taught by Mr. Lagergren, conducted a survey and also did many interesting experiments dealing with human behavior.

SUPPORTING THE STUDENTS

MARY KLEHR
Registered Nurse

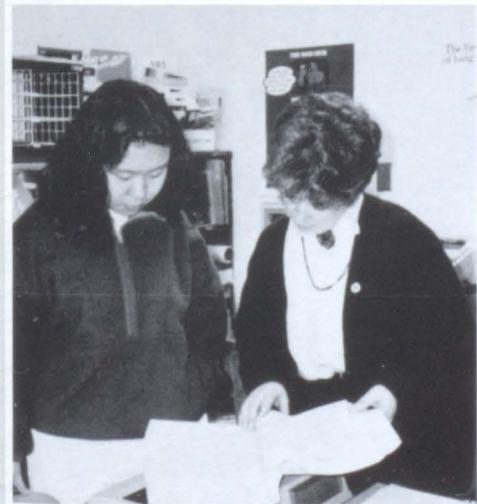

NANCY SWIGGUM
Social Worker

PAUL HOLMES
Counselor

DIANE ANDERSON
Counselor's Secretary

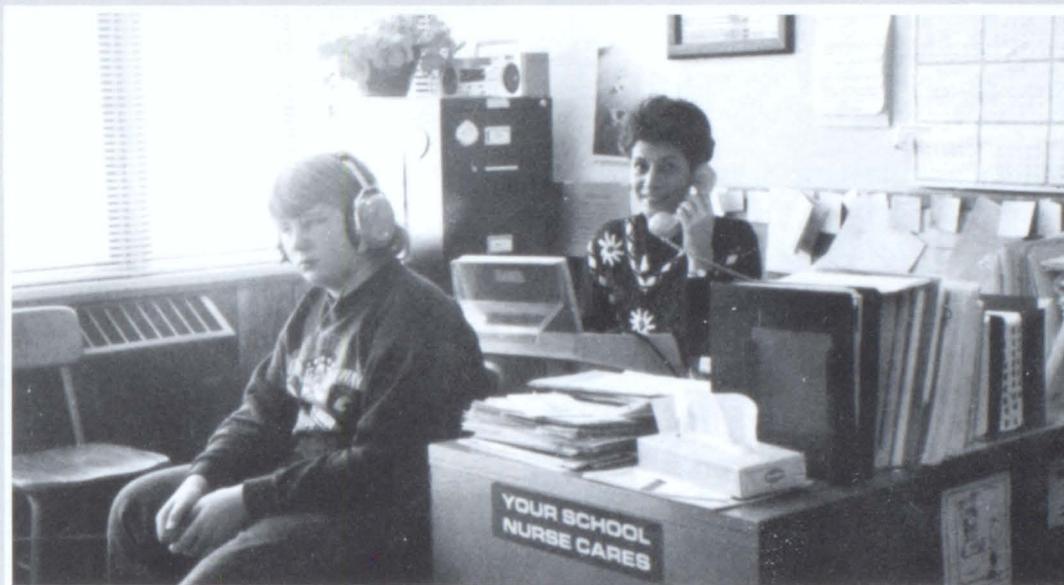

Diane Anderson helps Inse Pak decide what schools would be good for her.

As normal teenagers and high school students, we have many thoughts and questions going through our minds. A peer helpers survey was taken at the beginning of the year by seventh through twelfth graders. This helped give staff an idea of what was needed in the support service system. What are support services? "They are kind of like a social service department, within our

school," states Paul Holmes, "only they are not only for people with problems." So next time you have a question, whether it be about a schedule change or a family problem, remember, "They are here for anyone for almost any reason," says Nancy Swiggum. Most of all they are designed for the students.

by Julie Williams

Nathan Brown listens carefully as school nurse, Mary Klehr, tests his hearing.

Sandra Riedo looks interested as Mr. Holmes showed her everything Central has to offer.

Amber Breij gets her temperature taken.

NEVER A DULL MOMENT

Although academic success is the major goal at Central High School, activities made the learning experience more enjoyable. Whatever the students' interests, there was an activity that pertained to those interests.

Various clubs continued to flourish from past years such as NHS, FLA, German Club, and C-Club. These groups did many things that not only benefitted the school but also the community. They helped give students an

opportunity to broaden their learning.

The life of the school was enriched by the activities of the speech team, one-act play and the all school play. In its second year, the speech team is gaining momentum, with many more students who have taken an interest in this new activity. Also, the performing abilities of all the cast members in the plays not only entertained the student body, but were widely acclaimed by the community.

No organization or school could exist

without a good government as its backbone. The Student Council provided this support for the school through leadership and financial means.

Activities were an important part of Central High School during the '90-'91 school year. They helped to improve the educational status and make the learning experience a fun and unforgettable one.

NHS DOES ITS PART IN THE COMMUNITY

The National Honor Society is comprised of students who are both exemplary students and community citizens. The NHS was kept busy throughout the year. One of the NHS projects was taking students from Mrs. Oie's elementary class to the Senior Day Care Center in Young America.

Each week, members would take a group of students to play various games with the senior citizens.

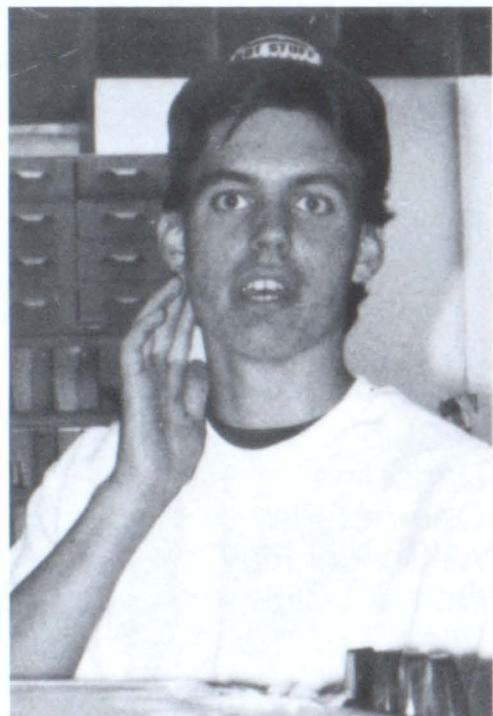

The society was also involved in the Sunshine Committee. In this activity, society members delivered flowers to sick students. NHS was also active in the Toy Drive, PEERS, and the planning of Teen Issues Week.

The officers for the NHS were Patrick Mooney, President; Chris Glander, Vice-President; Jodi Wickenhauser, Secretary; Michelle Bachmann, Treasurer; and April Storms, Reporter. The NHS adviser was Mr. Ross Mason.

STUDENT COUNCIL PROVIDES PERKS

The Student Council members are a select group of individuals who represent each grade. They presented concerns of the student body to the council and their advisor Mr. Willhite. Lucy Williams was this year's president.

Some activities that were sponsored by the council were the homecoming dance and parade, changing the new mascot, and setting up the new scholarship programs. The council sold and delivered flowers on Valentine's Day and made arrangements for a juice machine to be set up in the commons area. They were supported by different councils and organizations who were kind enough to donate money to their funds.

Inse Pak received carnations from her secret admirer on Valentine's Day.

FLA HELPS IN COMMUNITY

The 90's have brought about a change in the Future Homemakers of America organization. We are in a transition time of changing the image from homemaking into "skills for life." Our chapter along with many others in the state has adapted the name of "Future Leaders of America." The theme of this year's FHA/FLA is "Future Homemakers/Leaders of America: Working today

for a better tomorrow in the family, at school and in the community." Throughout the school year, we contributed in many ways to a better tomorrow. Our chapter was involved in the Carver County toy drive to help needy families. We saved pop tabs for the Ronald McDonald House. We were also involved in the "Teen Issues" week. Through involvement in chapter projects, we attended the Spring Fes-

tival of Nations which highlighted cultures, customs, and cuisines of 75 countries. In our community we worked with the Senior Citizen Day Care Center. Through our involvement in these projects, we improved the quality of life in our communities while we learned leadership skills and achieved personal goals.

FFA JUDGED A SUCCESS

This past year, our FFA chapter participated in a variety of activities. We competed in judging contests including Ag mechanics, creed speaking, dairy crops, dairy products, general livestock, job interview, meats, poultry, soils, and wildlife. Most of the teams competed at the State level in April. Our soils team consisting of Gary Berding, John Gruenhagen, Jason Lobitz, and Jeff Vinkemeier competed in the National Soils Judging Contest held in Oklahoma City, Oklahoma, in May. They qualified by winning the State contest in the spring of 1990.

Our recreational activities included volleyball, bowling, and softball tournaments. We also held our annual corn drive for Camp Courage and set a new record by raising over \$2,000.

CHS BAND PLAYS SWEET MUSIC

The CHS band under the direction of Mrs. Julie Seiler was very busy this year. First, the flag squad made new banners for the all conference schools this fall. The band also participated in Band Day 1990 at the Metrodome. During the football season, the marching band performed at the homecoming game's half time. They also performed coronation night and marched in the homecoming parade.

In addition to its fall activities, the band performed many concerts throughout the year. The first concert was the Holiday Concert held in December. The band also performed at the Pop Concert, which included skits by the band and choir members. Finally, the Spring Concert was held in May. Central's band also performed at schools in St. Louis, Missouri, in March.

THE CHOIR IS TRUE TO THEIR SCHOOL

Choir played an active part in the lives of many students at Central High. Through many hours of rehearsing, the choir prepared for performances dedicated solely for the enjoyment of friends, family, and the entire community. Under the direction of Mr. Tom Erdmann, a wide range of cultures were made available to these students through the variety of songs that were

sung. As always, the choir helped generate a sense of pride through their singing at the Veteran's Day program and a sense of school unity at this year's homecoming program. With seasonal concerts, they produced an appropriate atmosphere for the passing of the year.

Swing Choir, an off shoot from choir, had the same basic principle as choir — dedication and the love of music — but

enhanced their chords and harmony with dancing. Swing choir is an extracurricular activity, so all members met two mornings each week for rehearsals.

To be in choir, students must be positive people and show that they are willing to go the extra mile to achieve the highest level of excellence.

C-CLUB CONTINUES IN ATHLETICS

The C-Club is a special club at Central High School for those students who have excelled in the area of athletics. To become a C-Club member, the athlete had to letter, on varsity, in any particular sport. As a member, the athlete had the right to buy a letterman's jacket, and he or she gained all of the C-Club privileges.

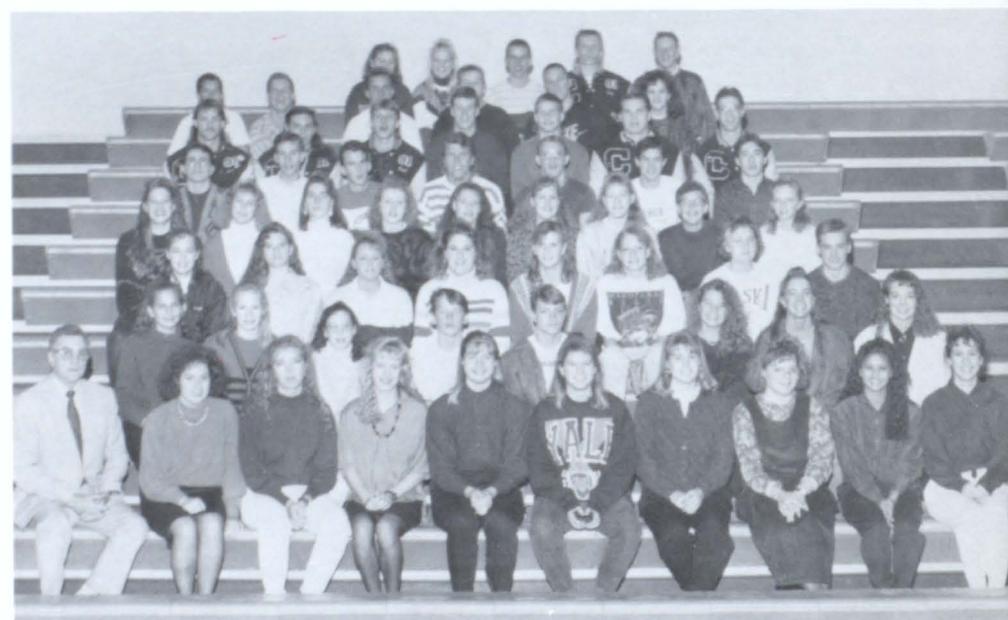

As a C-Club member, the student performed several tasks to help raise money for the club. A few of the jobs were popping popcorn for the home athletic events and working in the concession stand. The money raised for the C-Club was used for the athletic banquet held after each of the three sporting seasons. Because the money had been raised, a member could attend the banquet with a discounted ticket price.

Mr. Duane Bjerke, who is presently an English teacher, Athletic Director, and C-Club advisor here at Central High, is retiring after being here for more than thirty years. Not only will the community be affected by his departure from our school, but the C-Club members will also miss him.

DANCELINE KICKS UP THEIR HEELS

The danceline was one of this year's new organizations. After the tryouts in September, the CHS Sparks consisted of ten members and two alternates. Since the danceline did not have any money, the girls bought their own uniforms. Despite their hard start, the

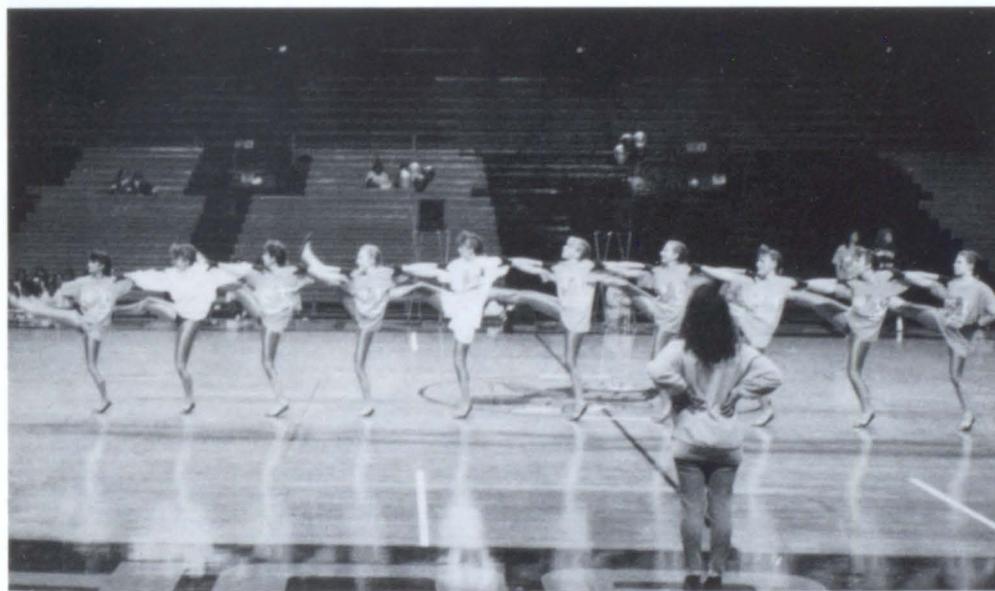

danceline members never lost their enthusiasm. With lots of energy, the Sparks practiced every day after school for competitions and basketball games. They placed fourth at both the U of M Competition and the Target Center Competition. From watching other dancelines, the Sparks got many new

ideas for their dances. All in all, the members and their advisor, Ms. Julie Bowers, enjoyed putting together new dances and performing them for both their home audience and others.

"THE VISE"

Giulia, played by Jodi Wickenhauser, tries to explain to her lover the consequences of their affair.

The maid, played by Jenny Smith, tells of the children's antics.

This year's one-act play "The Vise," by Luigi Pirandello, was about Giulia who was married to Andrea, but having an affair with Antonio Serra. The play ends tragically with Giulia's death.

The performance received first place at the District Contest. Brian Willems received Best Actor; Jodi Wickenhauser received Best Actress; and Robert Archibald received Honorable Mention.

Cast members were as follows:

Giulia — Jodi Wickenhauser

Andrea — Brian Willems

Antonio — Robert Archibald

Maid — Jenny Smith

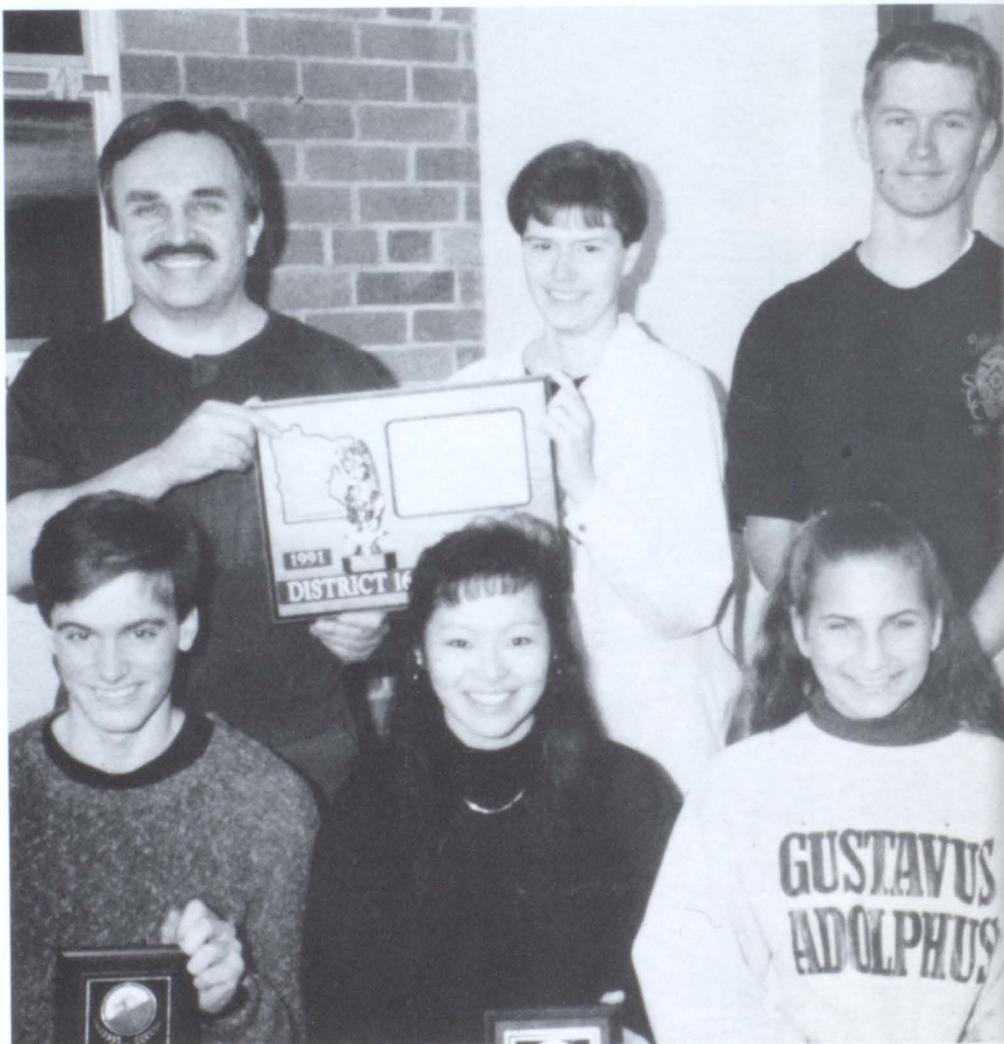

Director — Mr. Dennis Stanek

Student Director — Amy Mueller

Support Personnel — Missy Wildung and Jenny Stuewe

Lights and Sound — Eric Shoutz

by Jodi Wickenhauser

Mr. Svanek and his cast proudly displays the plaques which indicate they're the best.

YOU CAN'T TAKE IT WITH YOU

On November 10th and 11th, Central High School presented the play *You Can't Take It With You* by Hart and Kaufman. It was one of many broadway comedies written in the 1940's that have been popular in high schools everywhere.

The play is about an odd family called the Sycamores. One night they invite Alice Sycamore's fiance, Tony Kirby, and his family over for dinner. But Tony and his family show up on the wrong night. Alice is sure that her romance is over, because the dinner was ruined, her grandfather insulted her fiance's father, a friend of her mother embarrassed her fiance's father, the police arrested Alice's grandfather, and the

basement full of fireworks exploded.

The play went quite well. Cast members were encouraging to each other and supportive, especially on opening night, when many nerves were shaking.

The following is a list of those who participated in the play:

Penelope Sycamore — Jodi Wickenhauser
Essie — Heidi Lueck
Rheba — Angela Degen
Paul Sycamore — Jason Schroeder
Miss Depinna — Christie Schrapp
Ed — Cory Foss
Donald — Barry Feltmann
Martin Vanderhof — Dave Rosckes
Alice — Jane Lehtinen
Henderson — Tara Mueller
Tony Kirby — Terry Barclay

Kolenkhov — Serena Hunt
Miss Wellington — Katie Spille
Mr. Kirby — Robert Archibald
Mrs. Kirby — Andrea Hilgers
Three People — Jay Little, Jason Becker, Katie Joos
Olga — Erin Kroells
Assistant Director — Missy Wildung
Stage Manager — Debbie Mack-enthun
Best Boy — Jeri Matherne
Set Crew — Jason Lobitz, Michelle Coyle, Jenny Wolter
Sound — Jason Lobitz
Lights — Eric Shoutz
Director — Mr. Jim Spille
Technical Director — Mr. Jim Rundell

by Katie Spille

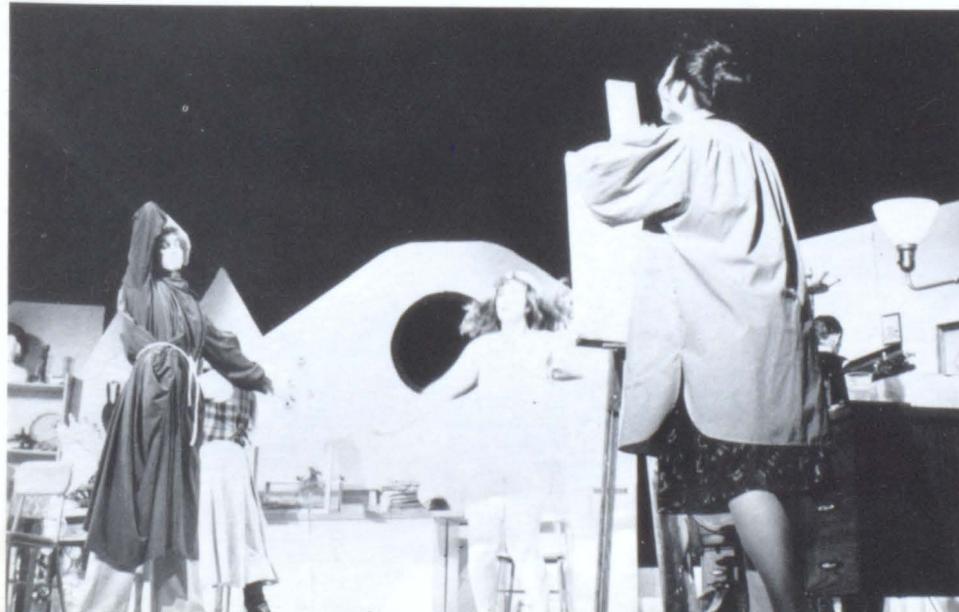

Mrs. Kirby is shocked to see snakes as Grandpa Vanderhoff takes her fur wrap.

Paul and Penny Vanderhoff are saddened by their daughter Alice's departure.

Miss DePinna poses as Penny attempts to finish an old portrait of her. Essie is practicing her ballet moves diligently in the background.

DEUTSCH IST GUT!

The German Club has continued with its traditional events this year. In October we helped celebrate Oktoberfest by selling pretzels and rootbeer after school. We also held our yearly soccer game against the faculty. In January we went to the German restaurant to get a taste of Germany, and in February we sold heart cookies to celebrate Valentine's Day.

Along with these activities, the

German Club was also lucky enough to have two exchange students from German-speaking countries, Sandra Riedo from Switzerland and Jan Schmidt-Lange from Germany. They provided many insights into routine life in their countries. They crushed many of the typical stereotypes we had of foreign life. They also shared their recipes for Hungarian Goulash and other dishes that the German Club gobbled up!

PEERS LEND A HELPING HAND

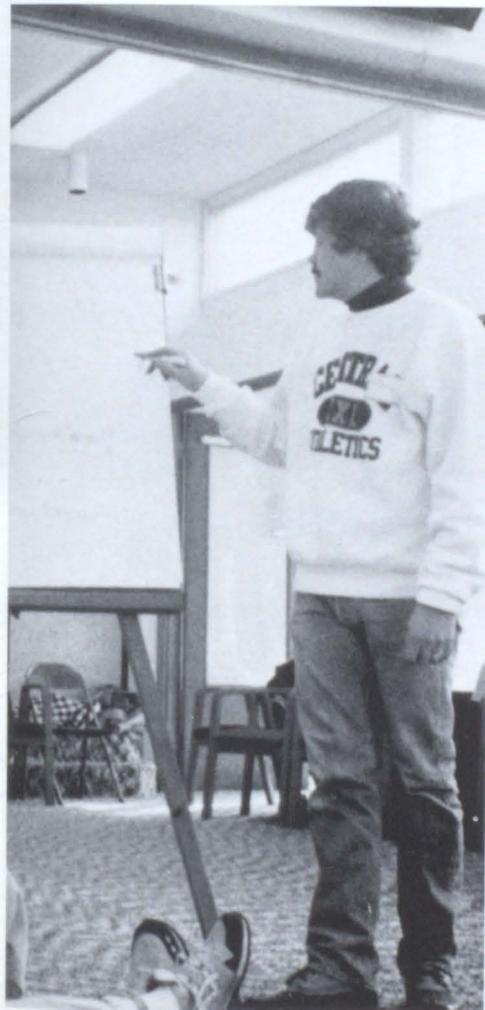

The Peer Helpers at their annual meeting.

T

his year the peer helpers, under the direction of Mr. Paul Holmes, have accomplished many things. The most important task was becoming more visible with the school. We helped community education put together a Youth Directory, started up a chemical free group, and were involved in helping with Teen Issues Week. We have finally found a location where people who want our assistance can come and meet with us. This was a big obstacle we have managed to overcome. In the future we hope to remain visible and continue to provide the students with a listening ear.

Mr. Paul Holmes discusses an action plan with the peer helpers.

A YEAR OF CHANGE

The 1990-1991 yearbook staff entered the age of technology. Instead of lead pencils and quadpacks, Heidi Burks and Jessica Fehr drew their layouts with a mouse on the new Macintosh computers and shipped the layouts to the publisher on 3 1/2 inch disks. Although learning the computer programs took time initially, the programs enabled the staff to create and adjust layouts in minutes. The new yearbook computer program also let the staff members see how a page

would look before it went to print. Another change was the yearbook staff. Mrs. Jerine Berndt became the new advisor. Alicia Braun was the yearbook editor. Jodi Wickenhauser managed the business end of the yearbook's production. Sandra Riedo was the photo manager. Sarah Schuettpelz, Patty Wagener, and Julie Williams provided many stories for the yearbook and also typed the stories onto the computer disks.

The theme of the 1990-1991 *Centralian* is "Never Forget." Many

changes have occurred both in the school and in the community since the first yearbook was published fifty years ago. The seniors never want to forget what life was like in 1990-91.

Publishing a yearbook requires a great deal of time, but this year's staff worked together to make the yearbook a success.

by Patty Wagener

Alicia Braun, Sandra Riedo, and Heidi Burks choose pictures for a layout.

NEWS BREAKING EVENTS

WHAT'S IN A NAME?

RAIDERS? We're now the Central Raiders? Yes, the School Board has changed the school nickname from the Central Indians to the Central Raiders. This change, coming after several years of discussion and debate and a not too thinly veiled threat from the State Department, resulted from the problem of using "Indians" as a nickname which may have been offensive to some people of Indian heritage. It is not the intent here to discuss the merits of that argument, but rather to examine just why we have a nickname at all and what a nickname is supposed to do.

A nickname becomes a focal point around which school spirit is built. It is not something to be venerated or idolized. It's just a name which helps us develop school spirit and excitement as well as community pride. It's not the name that's important; it's the people representing that name who really matter.

The accomplishments and traditions of Central High School's past will endure forever. They serve as examples and are the foundation upon which to build even greater successes. The reason that these memories will prevail has nothing to do with the Indian nickname. It has to do with those athletes, those students, those parents and those teachers who all participated at high levels to accomplish great things. It's the people we'll remember.

Now, as Central Raiders, there is a legacy to uphold and a tradition of excellence to maintain. It will not be the name of Raiders, however, that will make it possible. It is, rather, the students who will each leave something of themselves behind when they graduate who will sustain the Spirit of Central High School. It makes no matter that they're called Raiders--it's who they are and what they do that counts.

by Patrick S. DeSutter,
Superintendent

PERSIAN GULF CRISIS

The 1990-91 school year saw the shortest war in American history. What would come to be known as the Persian Gulf Conflict renewed feelings of patriotism in America and added words like "scud" and "Saddam" to our everyday vocabulary.

On August 2, 1990, Iraq, under the dictatorship of Saddam Hussein, invaded their tiny oil-rich neighbor Kuwait.

The United Nations censored Iraq and imposed economic sanctions against it. After months of failed negotiations, the U.N., at the urging of President George Bush, set January 15, 1991, as a deadline for Iraq to withdraw.

The world community held its breath as U.N. troops known as "Coalition Forces" began a massive military buildup along the Iraq-Saudi Arabian border. The U.S. called the action "Operation Desert Shield."

With the situation stalemated and the deadline passed, President Bush announced on January 16th that "the liberation of Kuwait had begun." Desert

Shield had become "Desert Storm".

Coalition Forces spearheaded by the United States with strong support from Great Britain, France, Italy and Saudi Arabia began bombing Iraq around the clock. Iraq's capital, Baghdad, and its principal port city, Basra, were among the military targets hardest hit.

A spellbound world watched as the U.S. demonstrated with stunning success ultra-modern weapons such as "smart" missiles. For the first time in world history a war was fought live on television. The suddenness of the coalition strikes, the immediacy of reporting by the media, and the awesome destruction visited upon Hussein's military fascinated and hypnotized Americans.

Though some protested America's Middle East, the overwhelming majority supported the President. Patriotism soared. Supplies of flags sold out. Yellow ribbons were displayed everywhere as Americans awaited the safe return of their servicemen and women.

The only real response from the over-

matched Iraqi's was the launching of the Soviet-made "scud" missiles. Some found their mark in Israel, which Hussein was hoping to draw into the war in an attempt to make it an Arab-Israeli conflict over the Palestinian issue.

A scud hit the U.S. barracks in Saudi Arabia, killing 28 Americans. Most scuds were shot down by the U.S. "patriot" missile defense system.

The long awaited "Ground War" phase of the conflict began on February 23. It lasted only 100 hours. The largest land forces assembled since World War II swept into Iraq and Kuwait, with Iraq's elite troops, the "Republican Guard," as their main objective. As many as 100,000 Iraqis were killed. Coalition losses were less than 100.

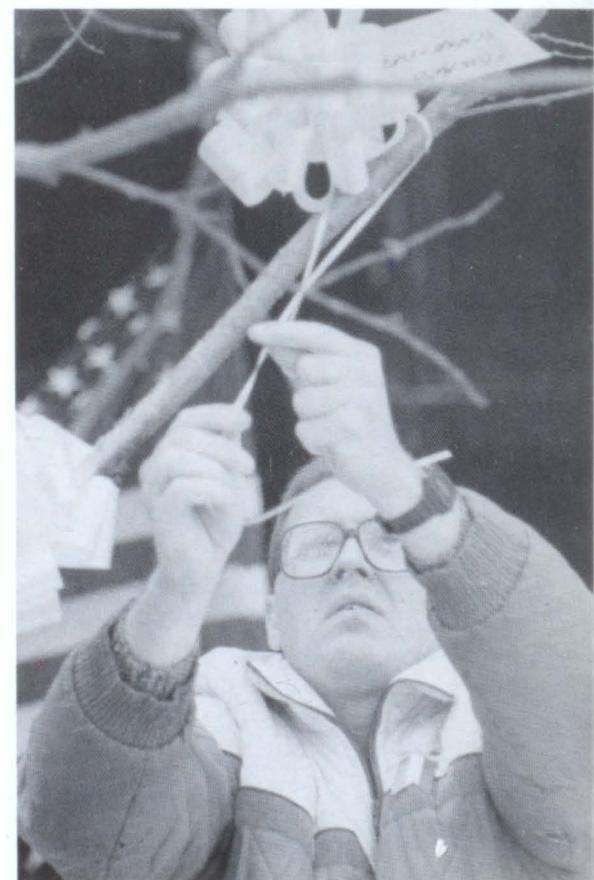

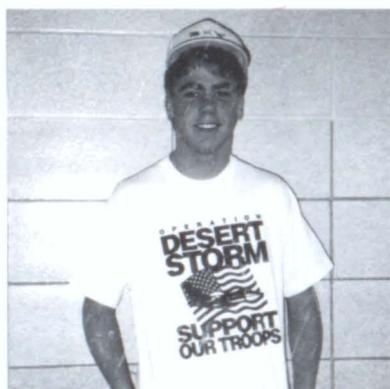

A cease fire was declared on February 28, 1991. The shortest war in U.S. history had liberated Kuwait but left Hussein in power and the future stability of the Middle East in question.

by Mr. Rick Willhite

Mr. Charles Rick adds a yellow ribbon to the tree in support of the troops.

Earl Stieve models one of the many Operation Desert Storm T-Shirts.

People of all ages gather for a minute of silence, hoping for a safe return of the soldiers.

NOW AND THEN

As we look back to 1961, many things have changed such as prices, community appearance, and tradition. If we could use today's dollars and cents to buy items at 1961 prices, we'd make a "good buy." For example, in 1961 you could buy the following compared to present prices:

Two cans of tuna for \$.49 instead of \$.70.

Two 8 oz. packages of fishsticks for \$.59 instead of \$1.59.

One gallon of Hilex for \$.49 instead of \$1.79.

One half gallon ice cream for \$.69 instead of \$2.09.

Fifty pounds of flour for \$3.29 instead of \$14.32.

Bed sheets for \$1.94 instead of \$7-12 on sale.

A washing machine for \$89 instead of \$549.

A twelve foot refrigerator-freezer for \$259.95 instead of \$339.

A '49 Chevy Olds for \$65 instead of a 1977 Chevy Olds for \$975.

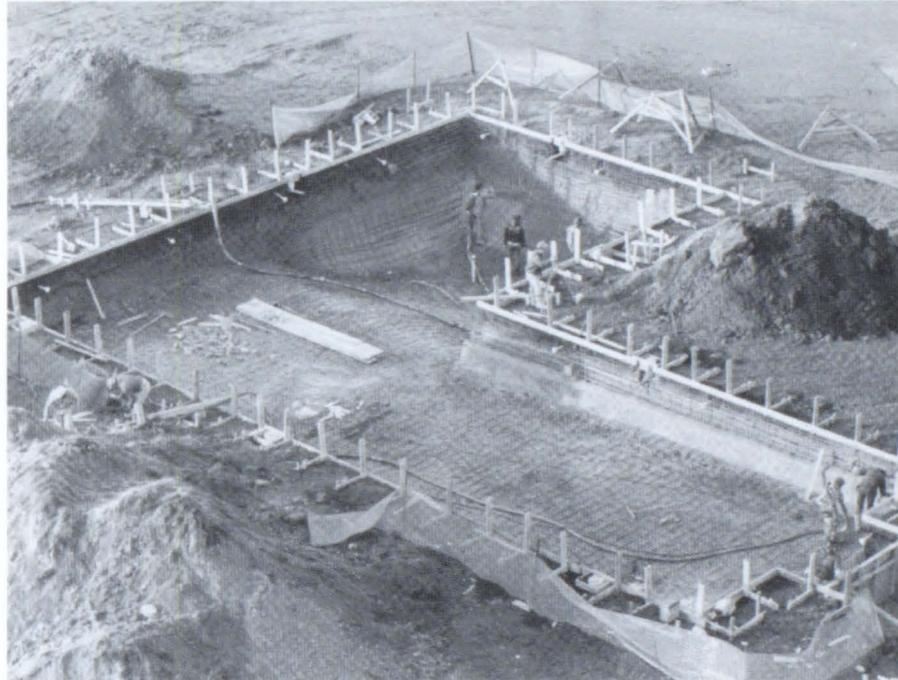

A 288 acre farm with a house and outbuildings for \$24,000 instead of \$328,000!

In addition to prices, the community has changed. Did you know that Young America had its own Chevy dealership in 1962 under the name of Zrust and Van Eyll, Inc.? Also, did you know that Dr. R. S. Segner opened his own chiropractic office next to Palace Drug in Norwood where the *Norwood-Young America Times* office is now? Since then, the Methodist Church has been built in Norwood and industries have developed. Two major changes include the pool and Highway 212. The construction of the pool began in October in the Norwood City Park. The pool was

funded by many organizations and individuals, including the West Carver Jaycees and the Lions. Highway 212 now has a signal light, limited crossings, and additional turn lanes.

Finally, traditions change. For example, back in the 1960's, women were still using their husband's name for introductions and signatures. Jane Doe would be addressed as Mrs. John Doe and sign her name accordingly. Women of the 1990's tend to use their own names such as Mrs. Jane Doe. Some traditions, though, stay the same. For example, going to a movie is still a traditional form of recreation. However, *Gidget Goes Hawaiian, Because They're Young, and The Weekend with Lulu* have now been replaced with *Pretty Woman, Home Alone, and Ghost*.

by Julie Williams

The community pool in the Norwood City Park will open in July '91.

Traffic lights were added for safety at the intersection of Highway 212 and Faxon Road.

HOMECOMING 1990

It seemed school had just begun; then Homecoming was upon us. October 8 through 12 was a week of traditional activities. However, this was our first homecoming as the Central Raiders. The morale was high as students decorated the halls, wore strange clothing, prepared skits, cheered at pep fests, built floats, and looked forward to the defeat of the Montgomery Redbirds. The motto "Make the Redbirds Sing the Blues" adorned Homecoming pins and signs everywhere.

On Thursday, October 11, the coronation program took place. Alicia Braun and Pat Mooney hosted the evening. Central's fall sports teams were honored along with the class of 1965. Then came the moment for which everyone had been waiting. The crowd looked on as Sue Wotczak and Chris Glander were crowned queen and king.

Friday dawned clear and crisp for the second annual homecoming parade. Many classes and activities were represented in the parade, and spectators lined the streets of Norwood and Young America.

The cross country team made their pilgrimage from Montgomery with the game ball. By torchlight, they presented the ball to the captains. The Raiders did not win the game, but everyone appreciated the effort shown by the football team.

The game was followed by the Homecoming dance. The juniors chose "Fly to the Angels" as the theme and decorated the gym with balloons and streamers in white, purple, and silver. Chris and Sue led the grand march, beginning a night of dancing and fun.

HEAVEN ISN'T TOO FAR AWAY

As yearbook staff, we wanted to find out how much people spend on prom, so we surveyed the seniors to find out. Some of the results included how much was spent on dresses, tuxedos, limosines, and other accessories. We found that the girls' dresses can cost anywhere from 50 to 200 dollars, and that jewelery and shoes were the next costly items. Most of the boys surveyed indicated that they spent 50 to 100 dollars on their tuxedoes. Limosine rental was another big expense for the boys.

We also learned that some people were asked to prom in all sorts of interesting ways. For instance, Julie Williams was asked by way of a computer. Her date unhooked her computer keyboard and typed the words, "Will you go to prom with me?" Sandra Riedo asked a classmate by sending him a candy gram. But the most common way people asked their dates was just saying the phrase, "Will you go to prom with me?"

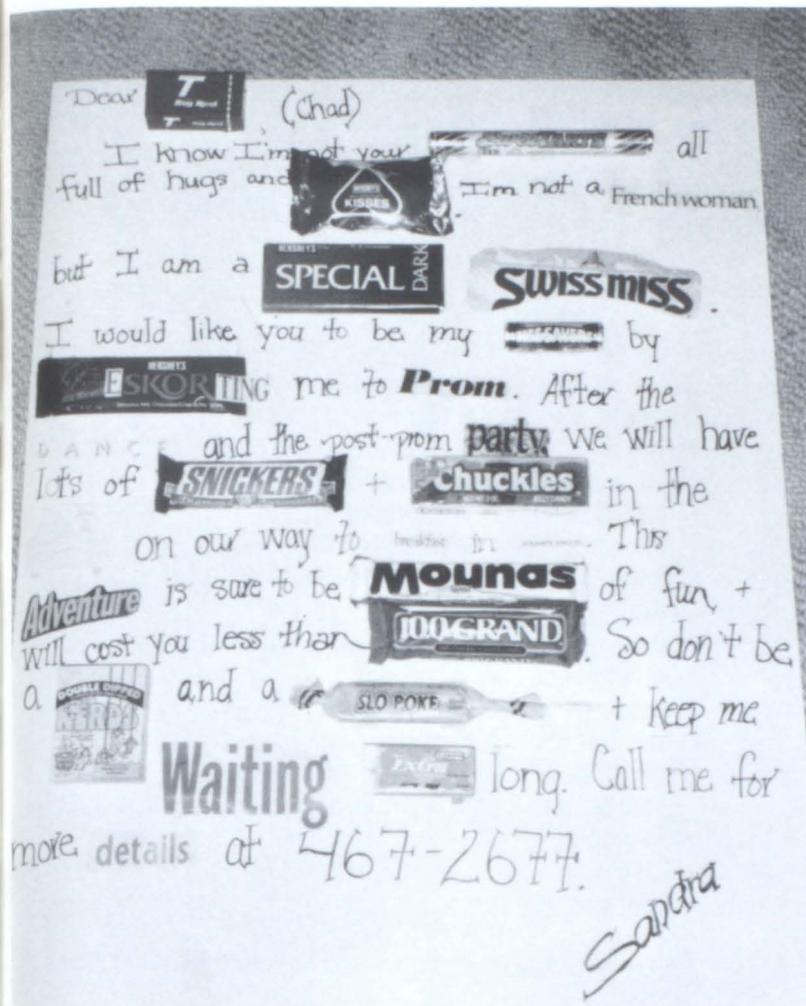

by Patti Wagener

Teri Wickenhauser and her date stand in front of the castle at the prom.

Jenny Stuewe, Monica Smith, and Dawn Wischnack look on as Angie Laudenslauger and Kristen Zellmann send Jeff Mackenthun a cloud to hang for prom.

Dawn Weiland, Mike Bleichner, Zane Niccum, Hollie Froelich, Russell Feltmann, Stacy Dammann, Roy Arrieta, and Carly Hagenmiller enjoy dinner at The Victoria Inn.

Jodi Mackenthun sips a non-alcoholic strawberry dacquari at the prom dinner.

Sandra Riedo used sweets to entice Chad's acceptance to prom.

HEAVEN ISN'T TOO FAR AWAY

Prom would not have been possible except for the many dedicated students who spent hours planning, preparing, and decorating for the big event. This year's theme was *Heaven Isn't Too Far Away*.

The evening of May 5th began with pictures at 5:00 p.m. at The Victorian Inn in Hutchinson. The buffet dinner consisted of salad, dinner rolls, baked potatoes, chicken, meatballs, and shrimp. Following dinner the prom committee presented the junior prophesies and the senior wills. Brad Braunworth willed his boxing gloves to Trudy Feltmann, in hopes that she would win all her fights with her present and future boyfriends.

Students returned from Hutchinson for the dance which started at 8:00 p.m., followed by the Grand March which began at 9:00 p.m. The dance lasted until midnight, and students went from the gym into the commons area for the post-prom party.

Upon entering the post-prom party, couples were given a bag with play money, party gifts, and a free snapshot of themselves. They were also served free munchies, pizza, popcorn, candy, and a pop. Names were entered in a bucket for prizes which were drawn throughout the evening. The play money went toward such events as the dunk tank, blackjack, minnow racing, and plinka. With the money they won, they bought chances at different sets of prizes. Chris Glander won a curling iron, but he later explained that his ticket had been placed in the wrong box.

Those who did not win anything from buying chances had an opportunity during the "Let's Make a Deal" game. After trading his envelope for two different prizes, Conan Dolezal received a sweatshirt, only to find out later that his envelope had a ten dollar bill in it. Monica Smith held the hundred dollar envelope, and Chad Hawkinson got fifty dollars. There were also over thirty other prizes just given away as door prizes

throughout the evening. Some of the prizes won are listed below.

Amy Mueller — \$500-Grand Prize
Aimee Bachmann — VCR-Grand Prize

Jenny Peterson — CD Player
Becky Lambrecht — Portable Boombox

Danny Feltmann — TV-Grand Prize-car speakers, fishing equipment, and a 12 pack of pop

Julie Williams — Microwave, AM/FM radio cassette player

Teri Wickenhauser — AM/FM radio alarm clock, a walkman, two cases of pop, a teddy bear, and a stuffed cow

Whether prizes were given to people in a brown bag as they entered the party or handed to them in an envelope during the games, all who attended received a prize, helping to make this year's prom party one to remember.

by Julie Williams

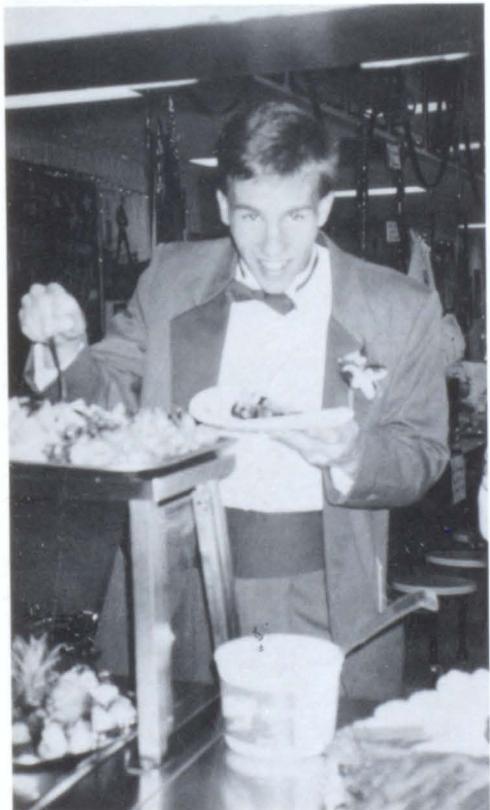

The 1991 Prom committee members were Dawn Wishnack, Angie Laudenslager, Jenny Steuwe, Teresa Neubarth, Amie McPadden, and Monica Smith. As can be seen by their dresses, mid length, off the shoulder dresses were in fashion this year.

Brian Willems and Brian Hegrenes enjoyed the minnow races at the post prom party.

David Zellmann, April Storms, Mark Eggers, and Kaaren Gramith try their luck at the black jack tables provided by the post prom parents.

The students await the start of "Let's Make A Deal." During this game, the other games were shut down so that everyone had an equal chance of winning the 100 dollar prize. Monica Smith was the lucky winner.

Jeff Mackenthun tastes one of the many free foods provided at the party.

NEVER STOP DREAMING

This was a year of many earth shaking events. The war in the gulf made 1991 a momentous year. It was also of great importance to the lives of the Central graduating class of 1991. They had a chance to shine and to say to all those witnessing this event, "I have made it!"

These seniors gathered together as a class for one last time at commencement exercises on May 30 at 8:00 p.m. There they listened to their keynote

speaker, Mr. Richard Willhite, along with their valedictorian, Jeremy Heckmann, and salutatorian, Lucy Williams, address the graduating class about reaching their goals, living up to their potential, and reminiscing on their past and final year of school.

It was an eventful and tearful night. Many seniors received scholarships and awards. The band played the traditional songs, "Pomp and Circumstance" and "The Star Spangled Banner" along with "War March of the

Priests" and "March Pontificale." The choir sang "Halls of Ivy" and "Another Bridge to Cross."

Everyone viewed this night differently. For some the event was a celebration of a new life; others longed to hold on to their time together. The main feeling among all was that the future of the Class of 1991 is bright and promising.

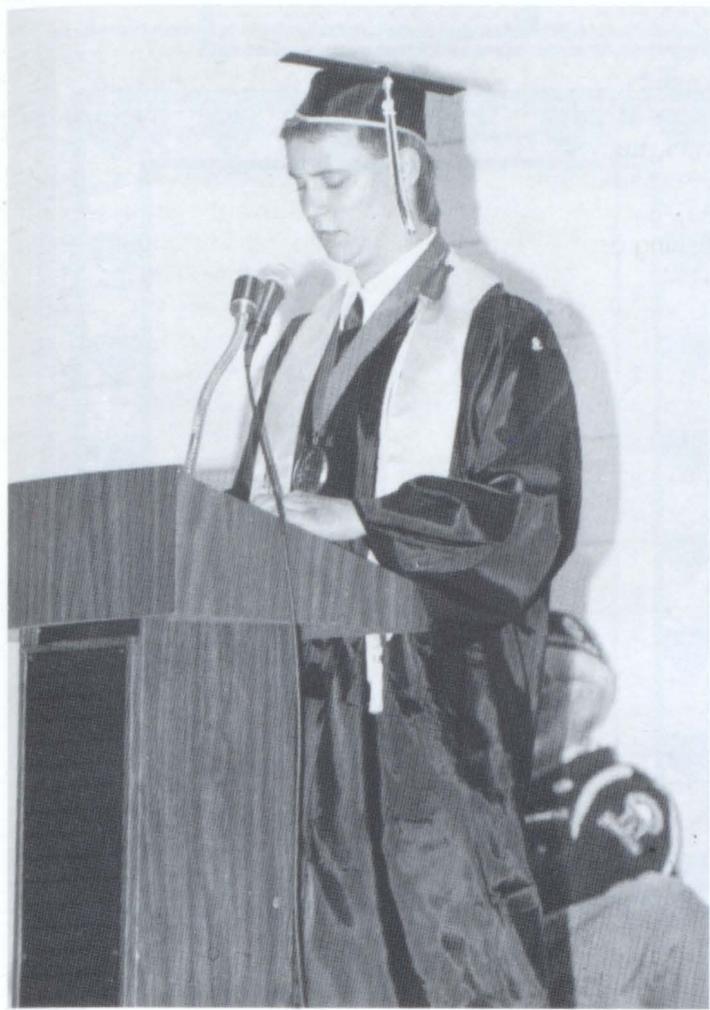

by Patty Wagener

For the class of 1991, graduation night marks a new beginning.

Eric Shoutz leaves the ceremony with his diploma in hand.

Jeremy Heckmann gives his valedictorian address.

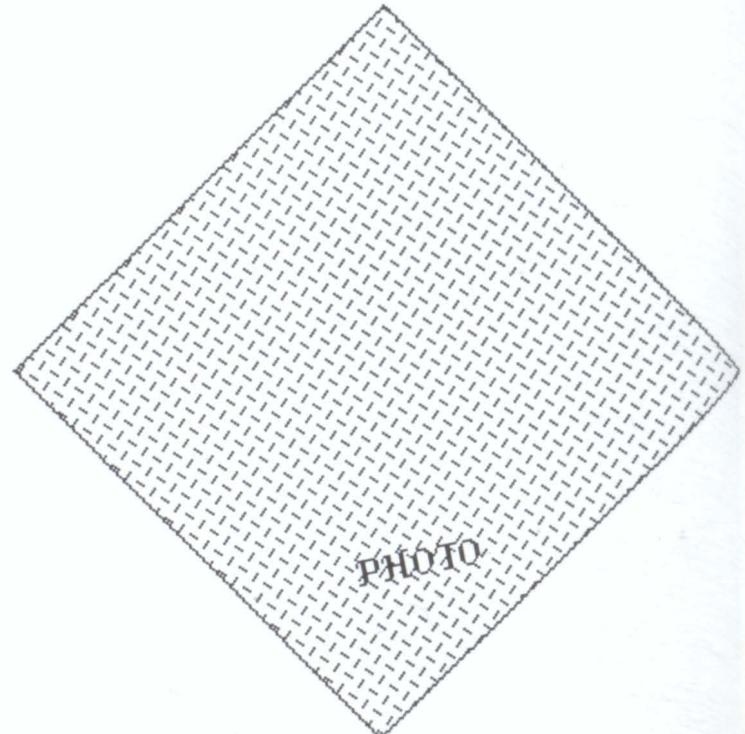

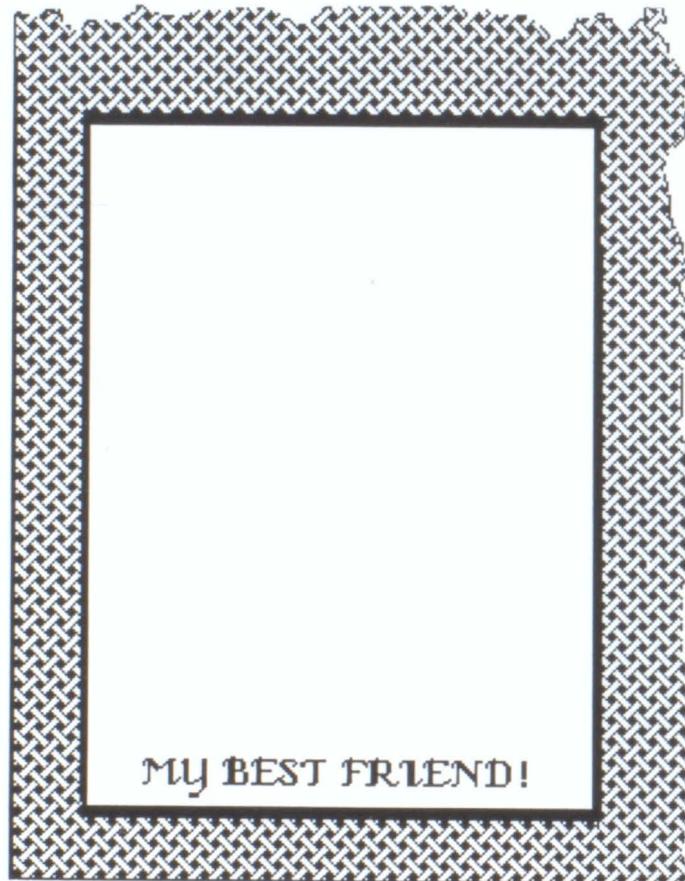

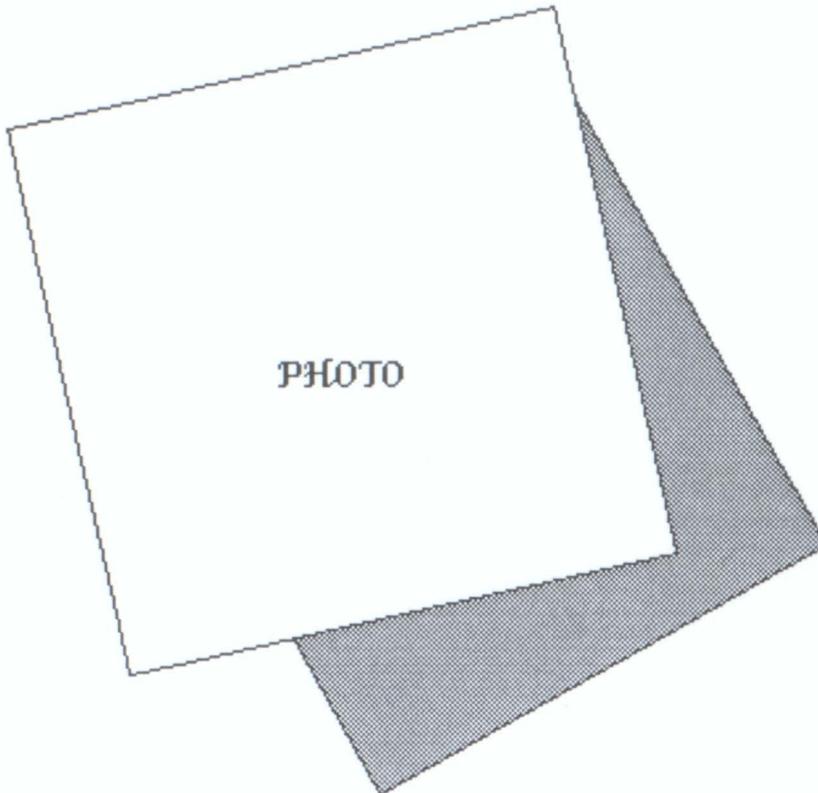

Joyce Hughes enters during the processional march.

Lucy Williams gives her salutatorian address.

NEVER GIVE UP

Since Mr. Duane Bjerke, Central's Athletic Director, is retiring at the end of this year, the yearbook staff asked him to share some observations regarding athletic changes that have occurred since he came to Central High School in 1957. The following is his reply:

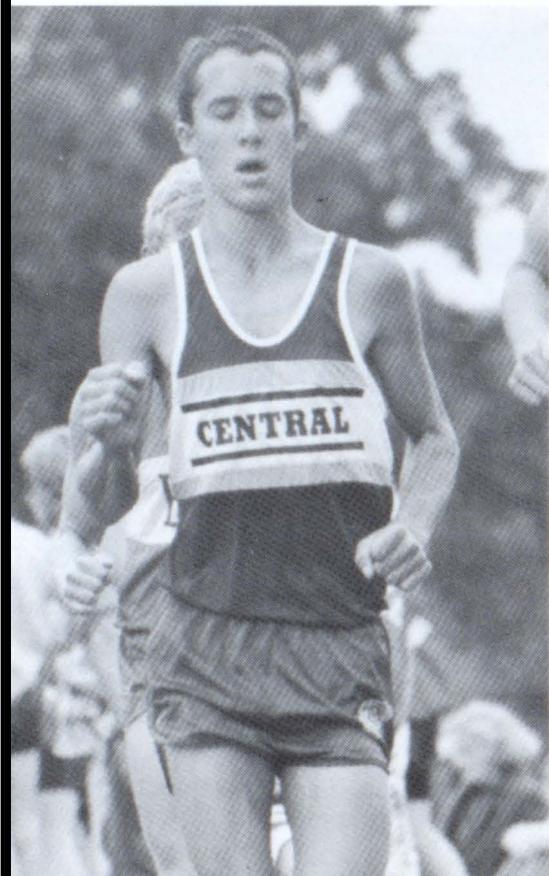

"When I arrived in the fall of 1957, football was the only sport during the season. It was also the only time that we've had an undefeated team. Since

then, we've added boys' and girls' cross country, plus volleyball for girls, which have provided more athletic choices for the students.

In 1957, boys' basketball was the only sports activity offered during the winter season. At the present time, we have wrestling and girls' and boys' basketball. The gyms become very busy places during the winter season with all the games scheduled. They are used almost every evening.

Baseball was the only spring sport in 1957-58, but now we also have softball for girls and co-ed track and field.

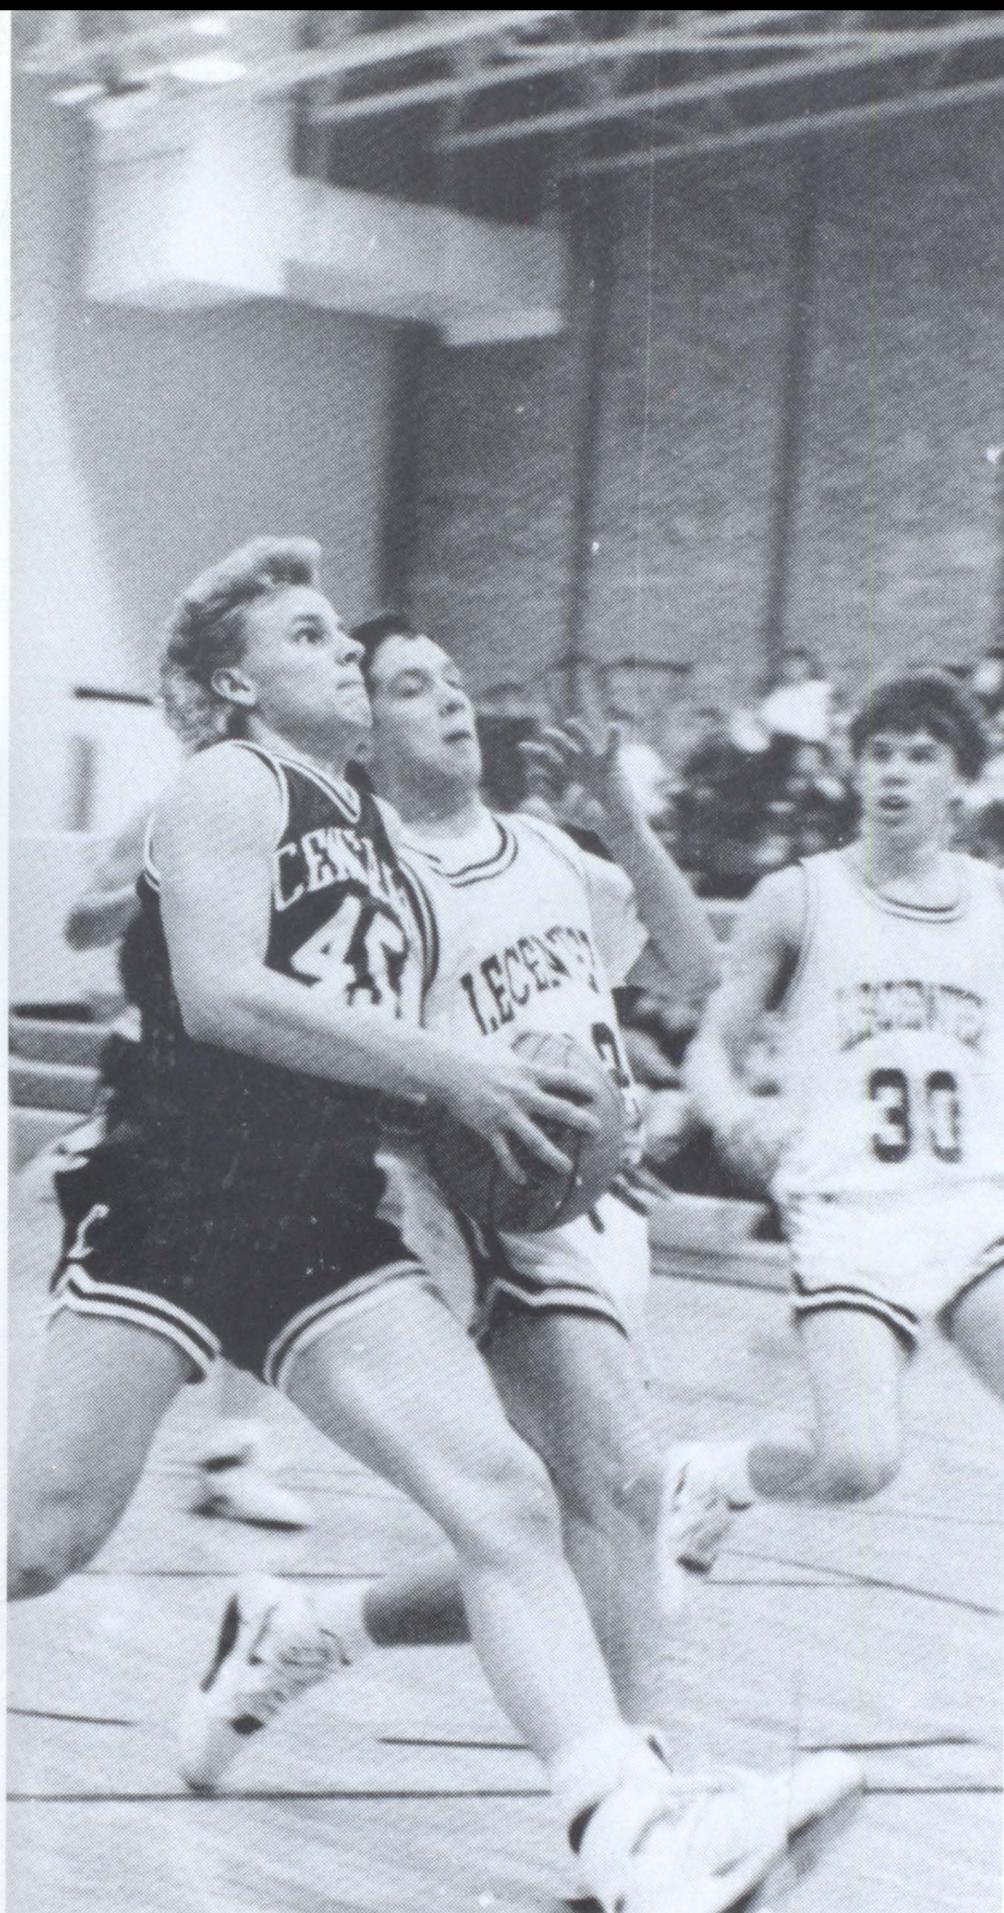

It is really interesting to compare the athletic activities of that day with current activities. I sometimes wonder how we got everything accomplished. I'm happy to see the progress that we have made, because it makes it possible for more students to become involved."

Tom Wischnak longs for the finishing line.

Melanie Sons and Rhonda Heuer attacks the basket.

Layton Schlueter goes for record-breaking scores.

Dominic Fratus wrestles successfully towards the State Tournament.

CHEERING THEM ON

Central's sporting season had a good turnout this year. One reason for the support was all the school spirit promoted by the cheerleaders and their advisor Laurie Vetcher. After the girls were selected by a panel of judges, they began to create new cheers. They also practiced and perfected their old cheers and routines. They worked hard but still had fun. One of the highlights of cheerleading this year occurred when each of the wrestling cheerleaders received a carnation and a good luck balloon as a token of appreciation from the wrestlers. Coaches provided the cheerleaders with encouragement and support as well. Thanks to the hard work and dedication of Central's cheerleaders, our sporting events showed school spirit.

Boys' Basketball cheerleaders excite the fans to cheer on the team.

CENTRAL MAKES IT TO THE SECTIONS

Central's varsity football team started out the year strong when they traveled to Big Lake, a new opponent of Central. Although it was a long trip to get there, it was well worth it. Central topped them 20-0. It was a real boost for the team.

Another boost for the team was the new football field. Last year it was a patch of dirt, unsuitable for football. This year it was one of the greenest, if not one of the best fields in the con-

ference. Central hosted four games on the field; unfortunately they never saw a victory. Central's varsity first played Belle Plain on the field. Although Central dominated the game both offensively and defensively, the Tigers came away with the victory.

Central had a number of exceptional football players this year. Awards were given out at the athletic banquet to some of them. Dave Zellmann was Central's all-conference selection and also

was given the award for Most Valuable Player on the offense. Chad Johnson was the Most Valuable Player on defense. Chad Kamman was awarded the Student Athlete award, and Luke Wolter was given the Mr. Hustle award.

VOLLEYBALL TAKES FOURTH AT WATERVILLE

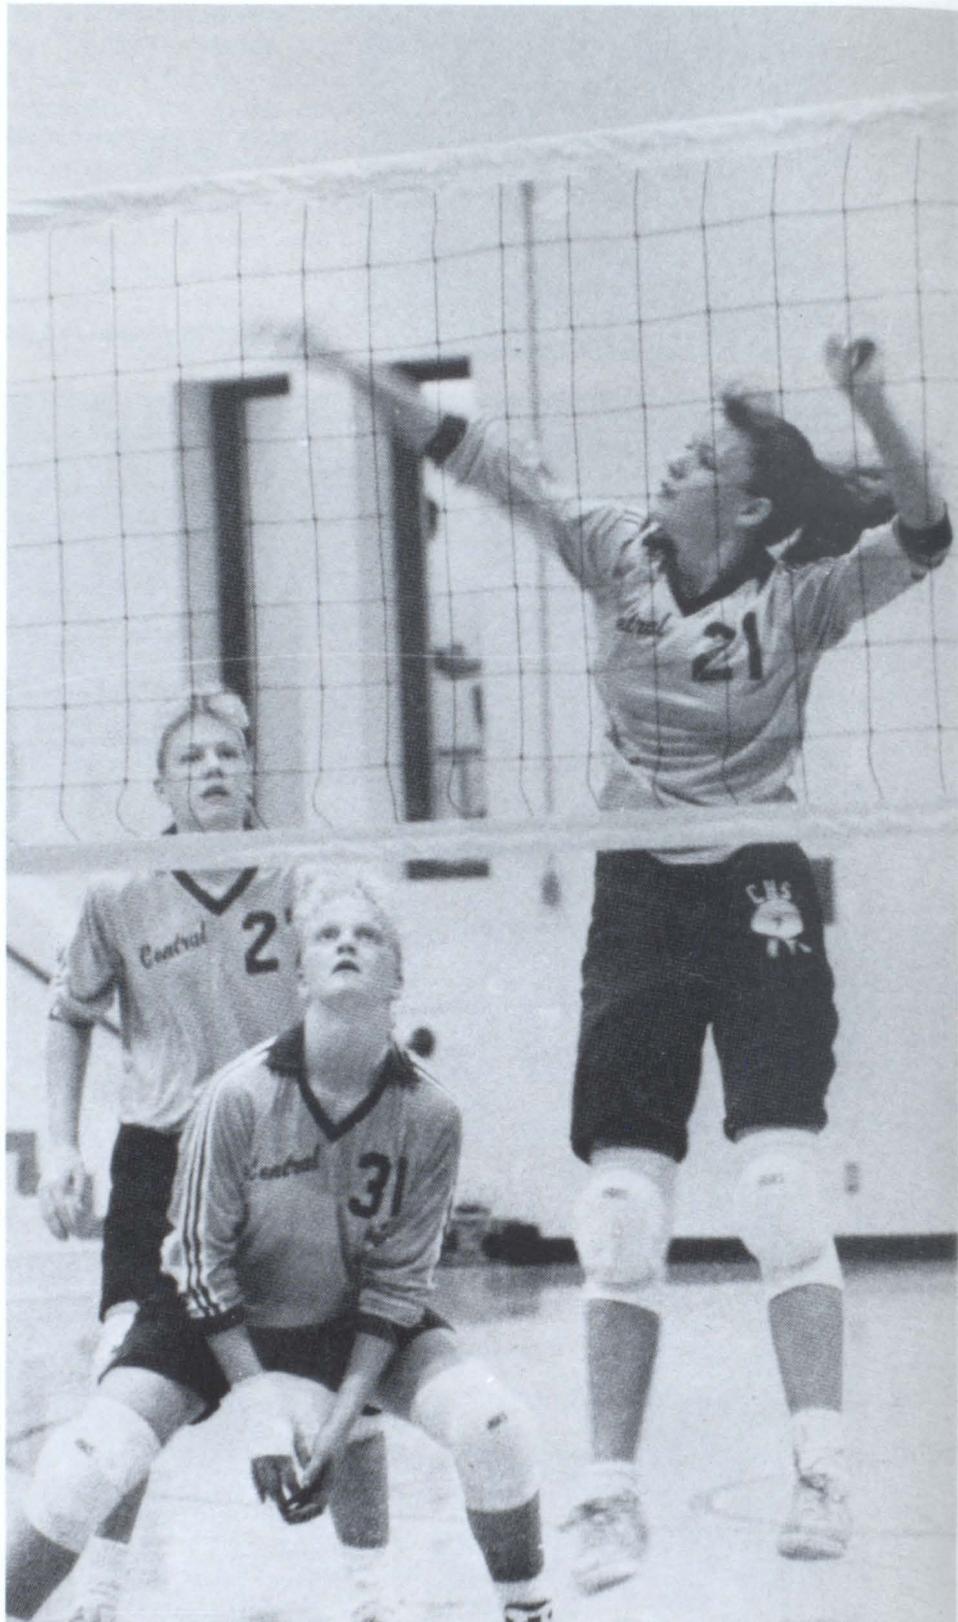

Despite an unsuccessful season in the win-loss column, Central's volleyball team enjoyed success in accomplishing some goals, such as skill improvement. The team was very young with only four seniors, six juniors, and four sophomores. Another obstacle for the team was getting acquainted with a new coach, Miss Julie Bowers, and a new system.

Throughout the season there were many hurdles to jump. The team tripped over a few, but kept working hard. Even though the team won just one match, many of the games were closer than the scores indicated. The team placed fourth at the Waterville Tournament, which was quite an accomplishment since the other seven teams there were of high caliber.

The players enjoyed a season of learning and of establishing better relationships with other team members. While the volleyball team lost many matches during the season, they were all winners.

"I got it!" shout Barb Fasching, Rhonda Heuer, and Kristen Zellmann as they reach for the ball.

Melanie Sons spikes the ball while Barb Fasching and Rhonda Heuer watch.

CONFERENCE WINNERS!

The year 1990 was a superb year for the boys' cross country team. They started the season off a little slow, but quickly got into shape. This year Robert Archibald, a foreign exchange student from Australia, joined cross country. He was a good addition to the team.

BOYS' CROSS COUNTRY

| Meet | Place/Total Teams |
|----------------|-------------------|
| Central Alumni | 1/2 |
| Mankato | 1/3 |
| Montgomery | 9/26 |
| Central | 3/15 |
| Delano | 1/9 |
| Princeton | 17/36 |

| Duluth | 9/15 |
| MN River Conf. | 1/3 |
| Section III A | 9/18 |

Craig Mason and Robert Archibald are running for success.

The year started off great as they won their first two meets. A couple of weeks later the team traveled to Delano and ran a great race, taking first place by one point.

Tom Wischnack and Brian Willems were the team captains. The boys took first place in the Minnesota River Conference meet held at Mankato. The team had four All-Conference runners: Tom Wischnack, first place; Brian Willems, second place; Lance Hartmann, third place; and Craig Mason, seventh place. The Region meet was held at Baylor Park with eighteen teams com-

peting, the top two moving on to the state meet. They ran a good race, but came in ninth place. The race was dominated by St. Paul Academy.

As the year ended, the team voted and awarded the following people: Tom Wischnack, Most Valuable Runner; Brian Willems, Most Dedicated Runner; Lance Hartmann, Most Improved Runner; and Robert Archibald, Rookie of the Year.

by Craig Mason

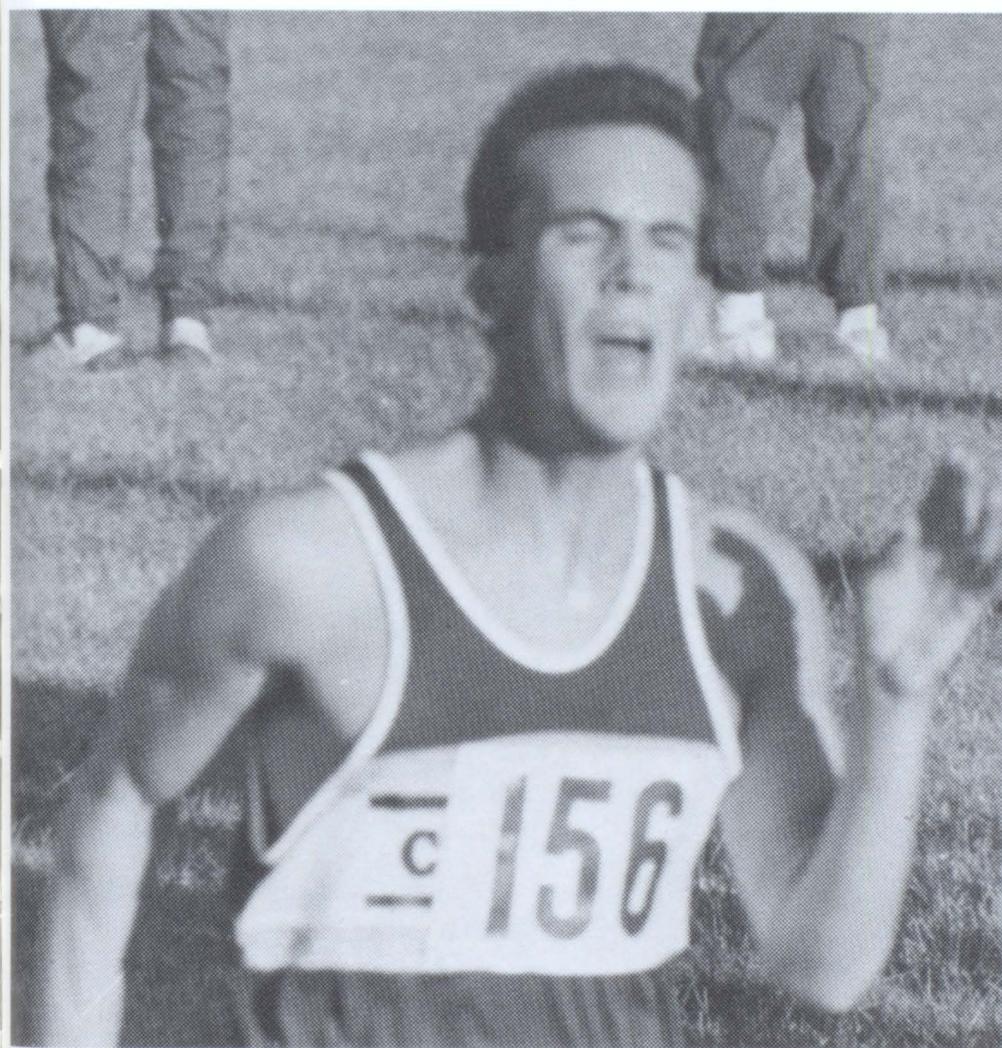

Central Runners were always leading the pack.

Boys' Cross Country Team: Row 1. Danny Leuth, Dave Smith, Sean Feltmann, Josh Coder, Jeff Stender, Eric Hartmann, Bernard Rick, Jason Becker Row 2. Tom Wischnack, Noel Raph, Craig Mason, Dominic Fratus, Lance Hartmann, Robert Archibald, John Hoen, Brian Willems Row 3. Coach David Foss

Darroel Dammann leads the cross country runners during their meet at Baylor Park.

Lance Hartmann looks forward to the finish line.

"And now for that final burst of speed," says Craig Mason as he nears the finish line.

Almost done with the race, Brian Willems and Tom Wischnack make big strides.

GIRLS' CROSS COUNTRY TAKES FOURTH AT REGIONS

The girls' cross country team prepares for a weekend in Duluth.

Nancy Feltmann is dreaming about a fast finish.

Running — isn't that what cross country is all about? Wrong. It's a whole lot more than that. Cross country is running, but also hard work, concentration, determination, and mainly fun.

This year's team was a very young. Almost all of the varsity runners were in seventh through ninth grade. The team worked hard and showed a tremendous amount of improvement throughout the year. The rest of the runners, including the sophomores and seniors, showed just as much promise and hard work as the rest.

This year there were eleven official meets. At the first meet of the year, the girls took first place, beating Mankato which they haven't done in years. As the season progressed, the girls kept on improving, and by Region time, they took fourth place, just missing the state meet by two places.

This year the team captains were Karen O'Neil and Jenny Smith. Awards were given to the following: Jenny Smith, Most Valuable Runner; Karen O'Neil, Most Dedicated Runner; Jessica Rick, Most Improved Runner; and Stephanie Wischnack, Rookie of the Year.

by Elizabeth Lemke

Jessica Rick runs in front of the pack.

Jenny Smith takes a deep breath, hoping the finish line is close.

WRESTLERS ARE TAKING OVER

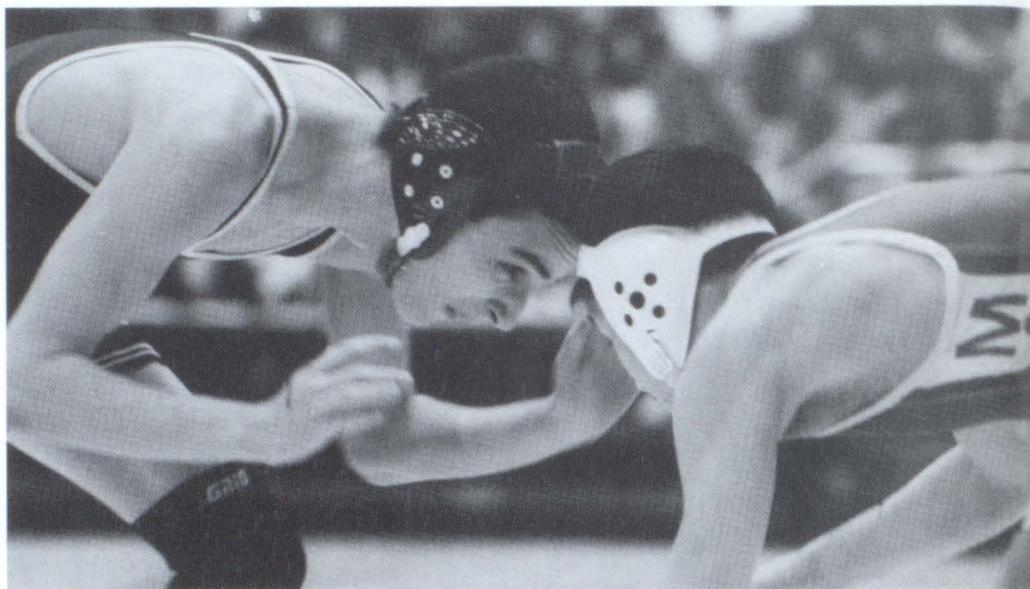

Because the wrestling squad consisted mainly of first-time varsity wrestlers, the athletes this year had the opportunity and experience to prove themselves. Through their displays of improvement, they did just that. Even though the team's victories did not prevail throughout the season, there were personal victories and accomplishments that rekindled the desire in these

wrestlers. The top team scorers were J.R. Gebhardt with 92 points, Chad Johnson with 88 points, and Dominic Fratus scoring 81 points. While Chad had the most take downs, Dom and J.R. led the team with 5 pins each. Following Chad's 29 take downs were Dominic's 28. Mike Bleichner and Conan Dolezal also took 20 of their own. This year's awards were given to J.R. Gebhardt, as

Most Valuable Player, Chad Johnson as Team Leader, and Dominic Fratus as Most Improved. Dominic also represented us at the State Wrestling Tournament. Just recently added was the Outstanding First Year Award which was given to Brad Gray.

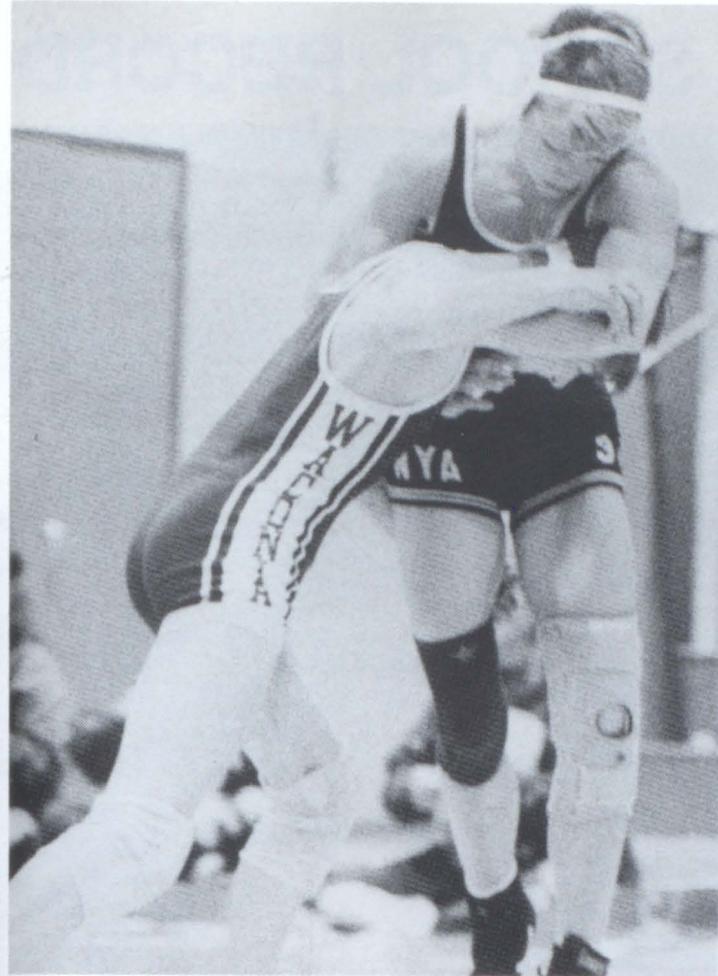

by Lisa Schneider

Dominic Fratus successfully wrestled his opponent and headed to the State Tournament.

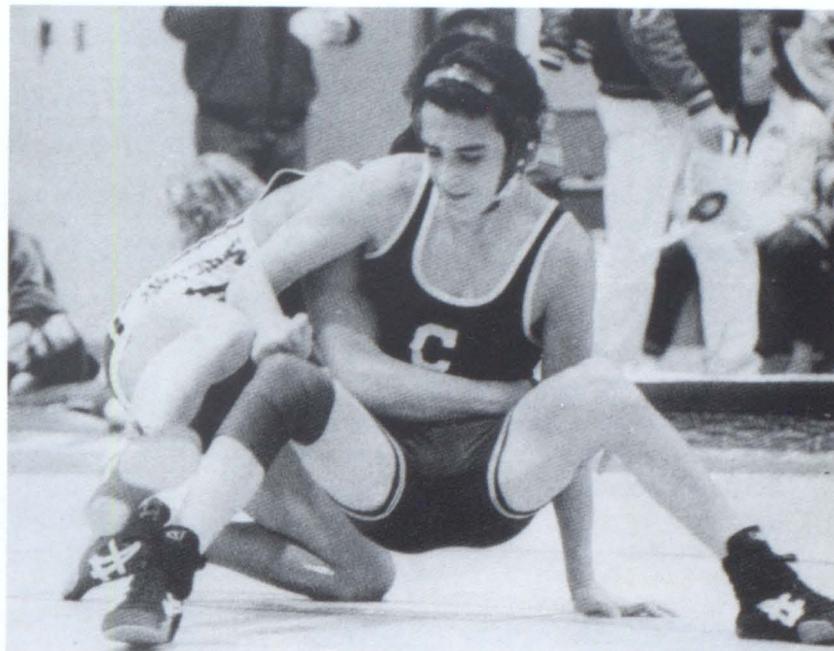

Varsity Wrestling. Row 1. Dominic Fratus, Adam Engler, J.R. Gebhardt, Shawn Harms, John Hoen, Conan Dolezal, Kris Flewelling, Brian Fritz, Erick Lemke. **Row 2.** Mr. Tom Clark, Lucas Coder, Shawn Lentsch, Joe Storms, Nate Panning, Chad Johnson, Mike Bleichner, Jon Schmidt, Jeremy Schreiner, Mr. Darroel Dammann.

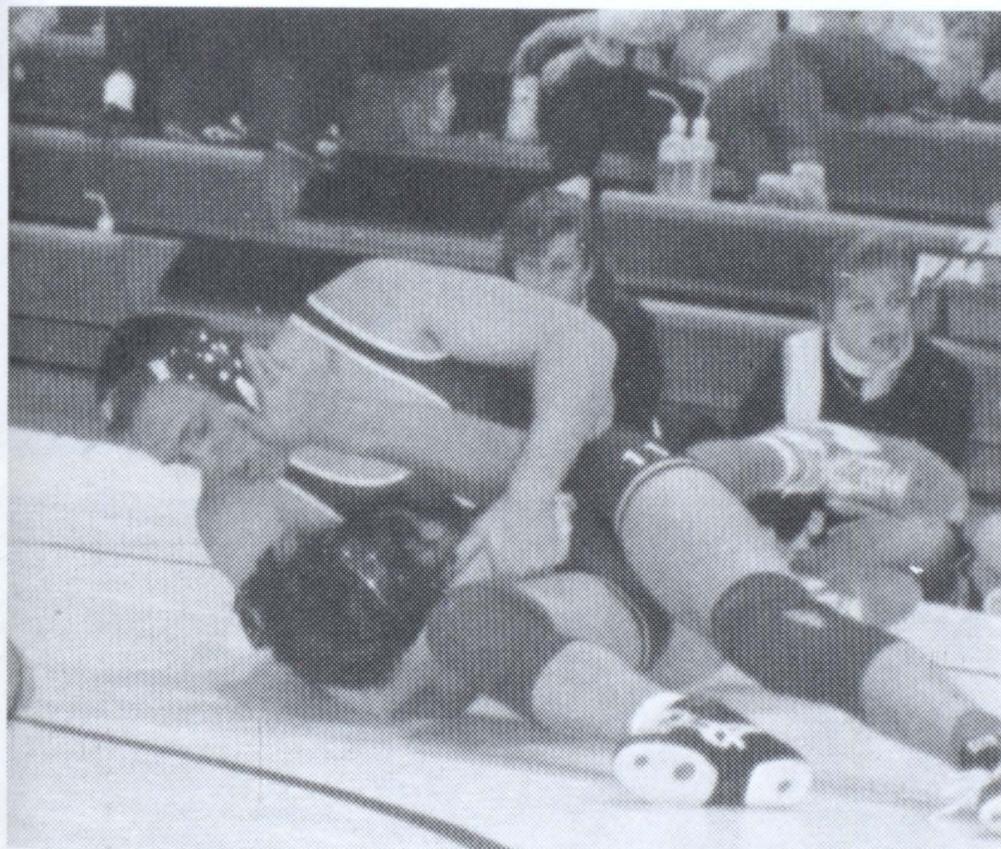

J.R. Gebhardt shows this Waconia wrestler what wrestling is all about.

Getting out of a dangerous situation, Joe Storms shows improvement.

Bringing his opponent down, Chad Johnson takes the pin.

SCHLUETER BREAKS SCHOOL RECORD

The Raiders had a competitive boys' basketball team for the 90-91 season. Backed by leadership and aggressive plays of the four seniors, Matt Bergmann, Jon Dose, Pat Mooney, and Luke Wolter, and by strong individual performances by the juniors, this team was a force to be reckoned with in the Minnesota River Conference. They finished fourth in a very tough conference.

The team was also seeded a respectable fourth in district pairing. They beat Winsted in the first round, but lost to Mayer Lutheran and Buffalo Lake-Hector, finishing fourth in the district, with a 10 to 15 record overall.

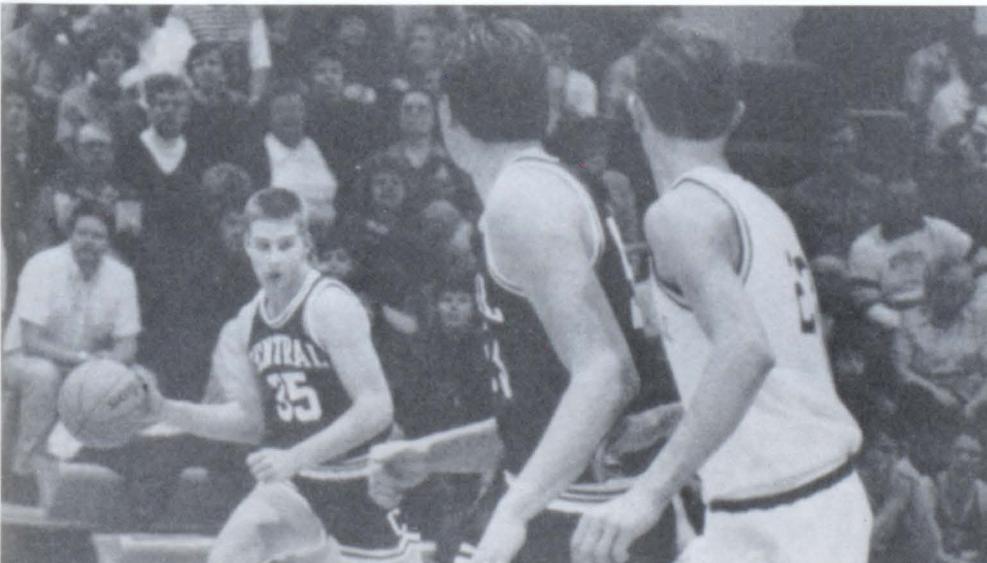

A new individual points per game record was set this year when Layton Schlueter scored 46 points against Jordan.

by Jon Dose

Luke Wolter runs for the winning score.

Brian Hegrenes falls back, while Chad Klausstermeier is prepared for the rebound.

Boys' Basketball Varsity Team. Row 1. Layton Schlueter, Pat Mooney, Brian Hegrenes, Darren Olsen, Chad Feltmann, Mike Schrupp. Row 2. Mr. Tom Doyscher, Matt Bergmann, Jared Dose, Chad Stevens, Chad Klaustermeier, Jon Dose, Luke Wolter, Phil Good, Mr. Jim Swiggum, Mr. Mark Lagergren.

Phil Good goes for the basket.

Matt Bergmann runs the ball in, while Jon Dose sets up the play.

GIRLS' BASKETBALL IS GOING STRONG

This past season has been one of many ups and downs for the members of the girls' basketball team. There were two seniors who were the co-captains for the team, Tracy Widmer and Karen O'Neil. They provided the team with leadership and ability. There were also four juniors on the team: Kristen Zellmann, Michelle Schrupp, Janell Harms and Melanie Sons. These juniors were an excellent group of ball-players, and they all got quality playing

time on the court. Along with the juniors were five sophomores. They were Rhonda Heuer, Cyndie Droege, Julie Widmer, Jolene Harms, and Rose Schug. Cherie Feltmann and Kristi Joos took turns starting on the B-squad team as the only two freshman, but saw playing time for varsity as well. The girls took second place at the Central Christmas Tournament and ended up with a strong fourth place finish at conferences. In the end, they took third in The District 16A Tournament. Their record

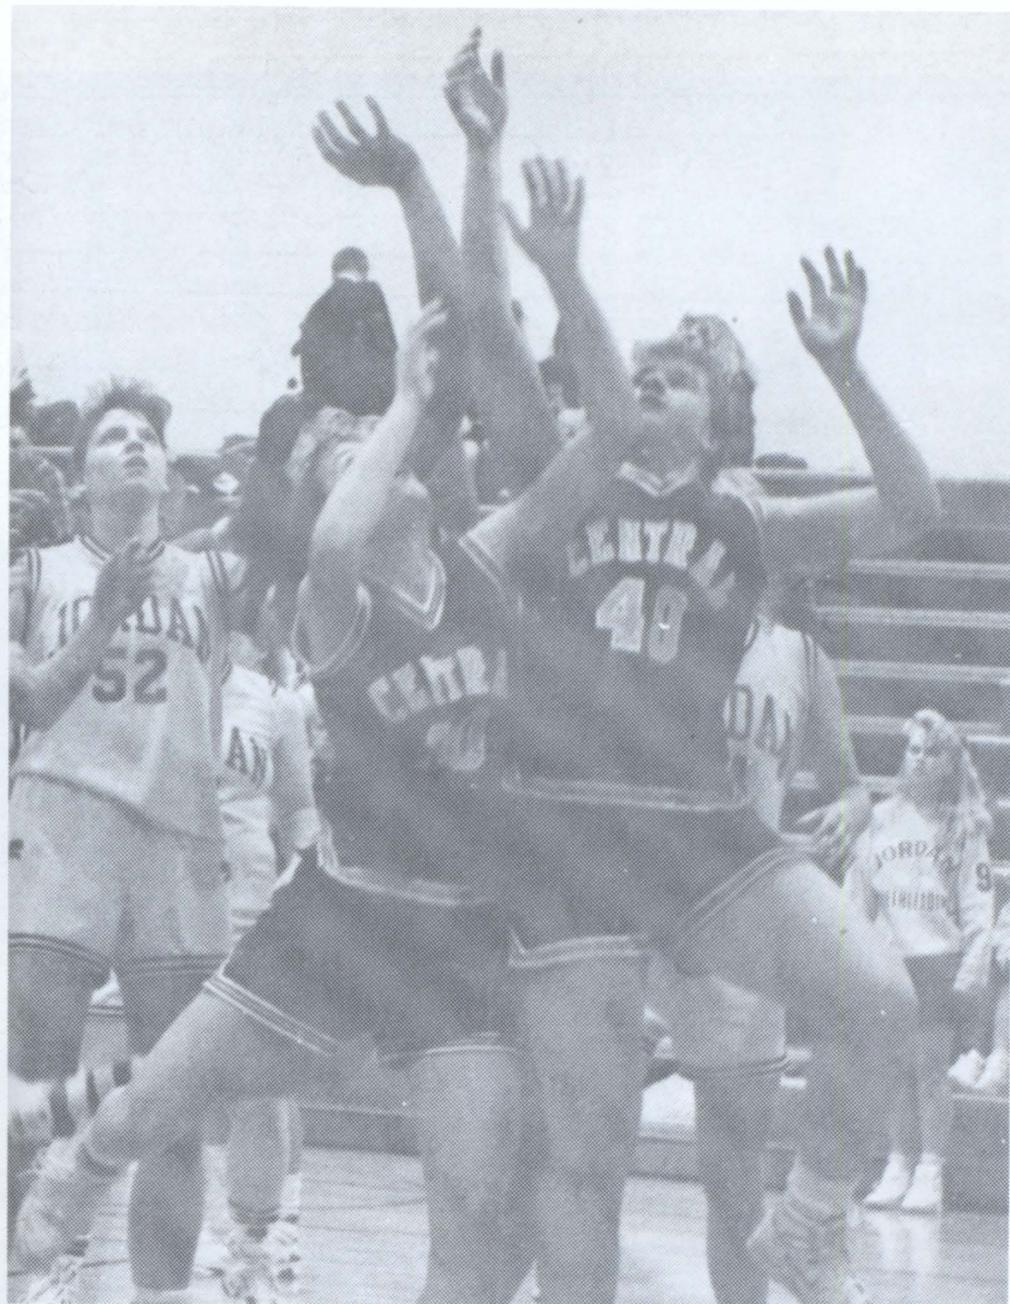

was 13 wins and 12 losses overall. Losing only two seniors, next year's team will be experienced. As the girls saw much playing time, they will be prepared for what is next to come. As this was the last year for District 16A, the girls' basketball team should be able to handle whatever is tossed their way in the new sub-regions.

by Tracy Widmer

Julie Widmer and Tracy Widmer set up for a block.

BASEBALL HITS THE RIGHT SPOTS

This year's baseball team consisted of five seniors and nine juniors. They had high expectations for this year's season. Tom Doyscher was the new head coach for the Raiders. He hoped to better last year's performance and help the Raiders win the conference and district titles.

Due to the wet weather in April, the team had to play the majority of their games in May, which meant a full playing schedule.

This year's team had a tremendous amount of enthusiasm and ability. At this year's spring athletic banquet, Chad Kamann was voted Best Pitcher; Chad Johnson was voted Best Defensive player; and Mike Schrupp was voted Best Offensive player and Most Valuable player. All Conference went to Chad Johnson, and Honorable Mention went to Mike Schrupp.

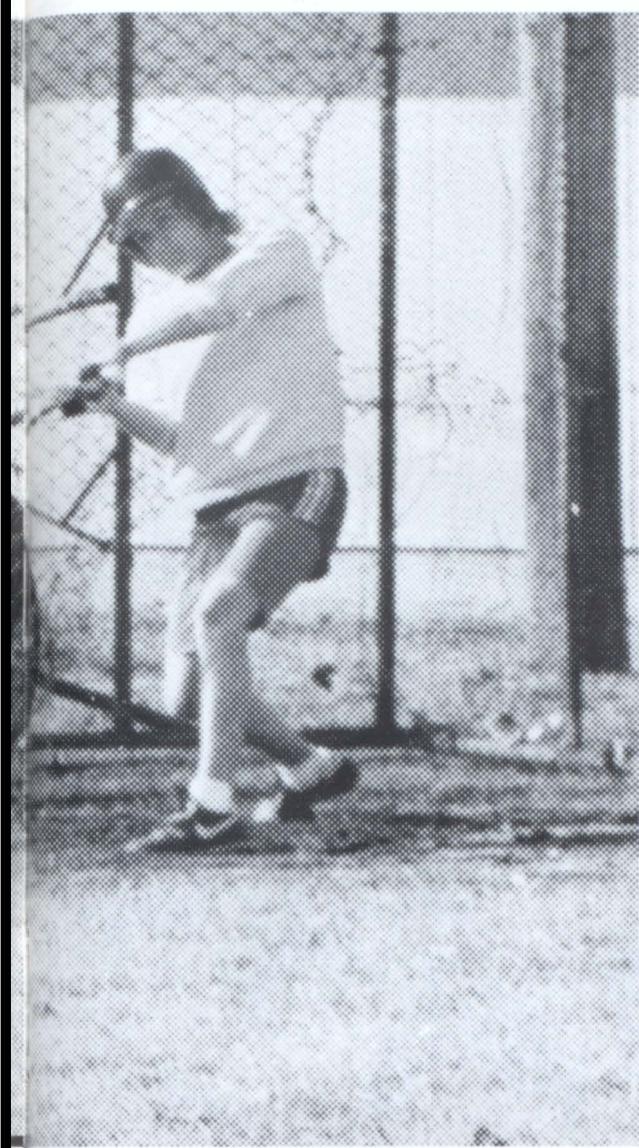

by Pat Kohls

TAKE ME OUT TO THE BALL GAME

This year's softball team started out the season with returning letter winners: Angie Laudenslager playing first base, April Storms playing out field, Kristen Zellmann playing out field, Rose Schug pitching and playing second base, Anne Storms playing out field, and Rhonda Heuer pitching and playing short stop. Other varsity members were Jessica Fehr playing third base and first base, Trudy Feltmann playing second base, Joyce Hughes playing outfield,

Lisa Schneider catching, Monica Smith playing third base and catching, Jill Wickenhauser playing outfield, Missy Wildung playing outfield, Dawn Wischnack playing outfield, and Mandy Harms pitching.

The team had a record of 6 wins and 14 losses. They took fourth place in Central's tournament and third place in Mayer's tournament. The team was coached by Mr. Howard Johnson. The B-Squad team was coached by Ms. Carrie Budke, and the junior high team

was coached by Mr. Jim Fehr. At this year's spring athletic banquet, Rhonda Heuer was awarded Best Defensive player. Mandy Harms was awarded Most Valuable player, and Rose Schug was awarded Best Offensive and Most Valuable player. This year's All Conference player was Rhonda Heuer, and Honorable Mention went to Kristen Zellmann.

BOYS' TRACK — A STEP ABOVE

The 1991 track season started off good and finished even better. There wasn't a track meet that went by where someone didn't come home with a personal record. By looking at the Top Ten Hall of Fame, one can see this was a year of improved trackers. These records have been kept from at least 1962 and probably even longer. This year we had nine records added to that

elite group of athletes.

Our captains this year were senior Tom Wischnack and junior Brian Hegrenes. The team didn't know who the captains were until the end of the season, so the whole team pretty much put themselves in the role of captain which probably pushed the team even more than usual.

The following awards this year were given at the spring athletic banquet.

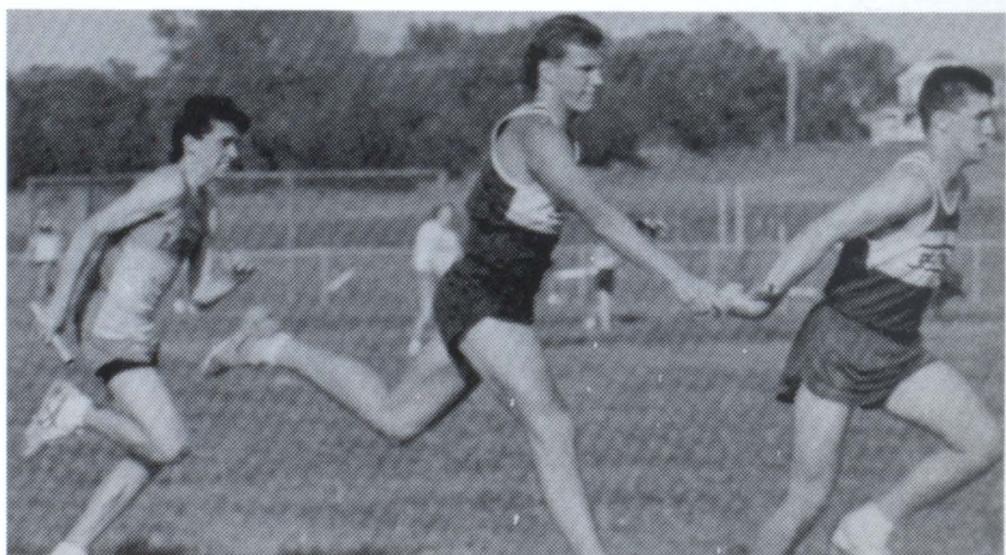

Robert Archibald was voted Rookie of the Year; Tom Wischnack was voted Most Dedicated, Al Steinhagen was voted Most Improved, and Brian Hegrenes was voted Most Valuable. We also had a special award this year made by Chad Klaustermeier. The "Over-the-Bar Award" was given to none other than Dave Rosckes.

by Craig Mason

Varsity Boys' Track. Row 1. Al Steinhagen, Brian Willems, Lance Hartmann, Tom Wischnack, Dave Rosckes, Tim Lehrke, Nate Panning, Nate Weiman. Row 2. NEVER GIVE UP, NEVER GIVE IN

This year's track team was much like the girls' basketball team: young members with lots of experience. Although this was a young team, they proved that they could contend with the older teams. Coach John Hanson often had a hard time trying to place the girls in the events that they wanted, because at most meets there was a limit on the number of runners in each event. The team also had a rough season due to bad weather that limited the number of outdoor meets which could be held.

Tracy Widmer was the only senior and co-captain. She provided the younger girls with the leadership and experience that they can use in future years. There were no juniors, but there was a strong nucleus of sophomores. Cyndie Droege, also a co-captain, and Julie Widmer were the top high jumpers on the team. Dana Clark, Paula Johnson, and Elizabeth Lemke added to the team's performances. The freshmen were excellent distance runners, and, in a few years, they will be tough competition for the other teams in our conference.

This team was young, but they learned a lot. In the next couple of years, the girls will be competitive and looking for conference and district titles. At this year's spring athletic banquet Emily Tracy was awarded Rookie of the Year; Tracy Widmer was awarded Most Dedicated; Nancy Feltmann was awarded Most Improved; and Michelle Pouliot was awarded Most Valuable.

by Tracy Widmer

Varsity Girls' Track. Row 1. Anna Braunworth, Emily Tracy, Sam Roiger, Laura Lemke, Stephanie Wischnack, Nancy Feltmann, Michelle Pouliot, Jessica Rick. Row 2. THANK YOU!

The 1991 yearbook staff would like to express our thanks to the businesses who have purchased yearbook advertisements. We sincerely appreciate their financial support of the *Centralian*. We ask that our readers patronize these businesses as without their help, the yearbook would not have been possible.

We would also like to recognize *The Norwood-Young America Times* and *Nelson's Photography of Glencoe* for their photographic assistance.
