# Welcome to Central Public Schools Community Education

## OUR MISSION

Educate, Enrich, and Support all Community Members through accessible and diverse learning opportunities.

## OUR VISION

Foster growth, empowerment, and unity of community members through lifelong learning.

## Advisory Council

The Community Education Advisory Council serves to advise the Administration and the Board of Education about issues relating to Community Education. The Advisory Council meets four times a year.

The Council serves as a liaison between the community and the school district to evaluate Community Education needs and provide input to promote and foster new programs.

Members advise, guide, advocate, and serve as ambassadors for the development and delivery of Community Education programs and act as key communicators to connect the community to Central Public Schools.

The Advisory Council helps shape the future direction of Community Education. We are seeking new members to join our council! If you are interested, please contact Tim Schochenmaier at [tschochenmaier@isd108.org](mailto:tschochenmaier@isd108.org).

## Hello Central Community,

Welcome to the Spring/Summer 2025-26 Community Education catalog!

At Central Public Schools, learning doesn't stop when the bell rings, or when students graduate. Through our Community Education programs, we're proud to offer engaging opportunities for everyone, from infants to retirees. Whether you're enrolling your toddler in preschool, signing your child up for summer camps or sports, exploring adult enrichment classes, or joining a fitness program with friends, there's something here for you.

Our Community Ed offerings reflect the energy, creativity, and spirit of Central Public Schools. They're built on the strong support of a community that values lifelong learning, connection, and wellness. None of this would be possible without the continued partnership of our local families, businesses, and volunteers. Thank you for investing in a thriving and active community.

We invite you to explore everything this catalog has to offer, and to join us in learning, growing, and connecting at Central.

**Timothy Schochenmaier**  
Superintendent, Central Public Schools

# ECFE Information

## What is ECFE?

Early Childhood Family Education (ECFE) is a program for all Minnesota families with children between the ages of birth to kindergarten entrance. We offer weekly classes and special events designed especially for families. The program is offered through Minnesota public school districts. It is based on the idea that the family provides a child's first and most significant learning environment and parents are a child's first and most important teachers. ECFE works to strengthen families. ECFE's goal is to enhance the ability of all parents and other family members to provide the best possible environment for their child's learning and growth.

## Who is it for?

ECFE is for all moms, dads, grandparents, foster parents, etc. and their children from infancy up to kindergarten. You attend this program **WITH** your child.

## Why should I come?

Being a parent is one of the most important jobs you will ever have. Come and learn more about your child and more about you. Come meet other parents, and learn that you are not alone in this challenging, heart-filling, and sometimes frustrating job of raising children.

Did you miss the start of our  
ECFE classes?  
If space allows, you can  
register online at any time,  
and fees will be prorated.

## Is there a cost?

All fees are for adults and one child. Additional children may be registered at 50% of the regular class fee.

ECFE offers reduced tuition and sliding fee scales to qualifying families. No family will be denied an opportunity to participate because of an inability to pay.

## Can I bring siblings?

Non-registered siblings are welcome to attend class, but please note, there is a separate charge for non-registered children who remain in the children's classroom during parent separation. There is no charge for infants who remain with their caregiver during parent discussion time.

## What is a home visit?

Early Childhood Family Education offers one on one coaching sessions to answer your parenting questions or help you develop specific strategies to support your parenting. Contact us at 952-467-7050 for more details or to set up a live or virtual meeting. This service is free to ISD 108 families with children ages birth through 5 years.

## Early Childhood Family Education Staff

## Early Childhood Screening

Screening is a simple, careful check of your child's physical development, thinking skills, speech and language, and social/emotional health. It is designed to ensure the healthy growth of students to be successful in any educational setting, and if needed, connect them to resources that will support their development.

It is FREE through the school district. Children should be screened between the ages of 3-5 (before kindergarten entrance). We at ECFE feel the best time to screen is from 3 years 2 months to before your child's 4th birthday.

### UPCOMING SCREENING DATES:

**Monday, March 2, 2026**

**Tuesday, April 21, 2026**

**Monday, May 11, 2026**

**Monday, Aug. 17, 2026**

**Tuesday, Aug. 18, 2026**

Visit [isd108.ce.eleyo.com](http://isd108.ce.eleyo.com) to register and view available screening dates and times.

## Help Me Grow Connects Families to Early Intervention Services

If you have concerns about a child's development and think they might need extra help to learn and grow, don't hesitate to refer. You can refer the child through Help Me Grow for a free screening or evaluation. Services are free to eligible children ages birth-5, regardless of income or immigration status.

**To refer a child, visit [HelpMeGrowMN.org](https://HelpMeGrowMN.org) or call (866) 693-GROW (4769). Interpretation services are available for referrals by phone.**

**IS YOUR FAMILY INCLUDED ON THE SCHOOL DISTRICT CENSUS?**

Has there been a birth in your family? Have you recently moved into the area? Is there a new family in your neighborhood?

District 108 wants all families to know about programs and activities that are offered. Being on the School District Census ensures that you will automatically receive information about Early Childhood Screening, Preschool, and Kindergarten.

To be added or to update your census, please call the District Office at 952-467-7005.

## Help Me Connect

A navigator connecting expectant families, families with young children (birth – 8 years old) and those working with families to services in their local communities that support healthy child development and family well-being.

**For more information visit: [HelpMeConnectMN.org](https://HelpMeConnectMN.org)**

## Early Childhood Family Education Advisory Council

We are looking for individuals to join our Early Childhood Family Education Advisory Council. This group helps provide recommendations and direction to Central Schools Early Childhood Programs and meets four times per year.

## Baby and Me

(Birth - 12 months)

Bring your bundle of joy to ECFE! Get out of the house, play with your baby in a new setting with different toys, and visit with other parents of young children. Toys, songs, finger plays and parent topics will be provided. Sibling care is available for older children, allowing you to concentrate on your little one. Come and join the fun!

Please bring a blanket for your child.

Fridays, 8:30-9:30 a.m.

Feb. 6 - May 15, 2026

(No class Feb. 13, March 27, April 3, 24)

**Central Elementary ECFE Classroom**

**No cost (please register siblings for sibling care)**

## Terrific Toddlers

(Ages 12 months - 30 months)

Toddlers can be adventurous, shy, independent, clingy, strong-willed, or charming. Although these descriptions seem opposite, any one toddler can be all of the above. One thing is certain: toddlers are learning by leaps and bounds! Join us for sensory experiences, simple art, music, movement, finger plays, stories, and age-appropriate activities to enjoy with your child. Each group will decide if parents and children will separate, taking the children present into account.

Tuesdays, 8:30-9:30 a.m.

Feb. 3 - May 19, 2026

(No class March 24 and April 21)

**Central Elementary ECFE Classroom**

**See sliding scale for fees**

## Welcome Baby Gift!

Every family in the Central Public School District with a new baby ages birth - 12 months can receive a free gift, courtesy of Central Public Schools and local community partners. One of our ECFE teachers will come to your home to drop off the gift and give you more information about parenting resources and programs that are available in our district. We would love the opportunity to get to know you and your family!

## Marvelous Mix

(Ages 2 - 5 years)

Mix it up! This class offers something for everyone. Parents and children enjoy hands-on activities like art, sensory play, and games that build preschool skills. After a fun, music-filled circle time, children have free play while parents connect and discuss parenting topics with support from a licensed ECFE teacher.

Tuesdays, 10-11:30 a.m.

Feb. 3 - May 19, 2026

(No class March 24 and April 21)

Wednesdays, 8:30-10 a.m.

(No class March 25 and April 22)

**Central Elementary ECFE Classroom**

**See sliding scale for fees**

## Marvelous Mix-Evening Edition

(Ages 18 months - 5 years/prior to Kindergarten entrance)

Attention working parents- this class is for you! Let us organize the activities and clean up the mess. This class will have many of the same crafts, music, activities, and parent discussion as the daytime class, with a broader age range to better accommodate working families. Note: This is a separating class.

Tuesdays, 5:30-7 p.m.

Feb. 3 - May 19, 2026

(No class March 24 and April 21)

**Central Elementary ECFE Classroom**

## Preschool Preview

(Child must be 3 years old by Sept. 1, 2026 to attend this class)

Preschool Preview helps support the transition to preschool by providing an introductory school experience. Children and parents attend the first and last classes together, first playing and working on preschool skills, and then separating to allow children to have peer interaction while parents have parent discussion time. The remainder of the session consists of child-only classes where children will experience a two hour "preschool day." Their day will include developmentally appropriate large and small group activities which introduce them to preschool skills, a snack time, and a time of free play where they have opportunities to meet other children and develop social skills.

*Thursdays, 8:30-10:30 a.m.*

*Feb. 5 - May 21, 2026*

*(No class March 26 and April 23)*

**Central Elementary ECFE Classroom**

**See sliding scale for fees**

## Play and Learn

(Ages birth -5)

Explore new toys, play spaces, and activities with your child in this fun, social class. Enjoy sensory play, art, and songs while meeting new friends. No separation or formal parent time — just quality time together and a short circle time to end each session.

*Fridays, 10:15 - 11:15 a.m.*

*Feb. 6 - May 15, 2026*

*(No class Feb. 13, March 27, April 3, 24)*

**Central Elementary ECFE Classroom**

**See sliding scale for fees**

## ECFE on Wheels

**(Birth - 5 years)**

Early Childhood Family Education Staff will be providing a free ECFE experience for families, caregivers, and children from age birth to age 5 to share together. Come for circle time, songs, an art activity, and a literacy project. The last class of each season will be held at Central Elementary in the ECFE classroom.

If Central Schools have a snow day or a late start day, ECFE on Wheels will be canceled.

**Fridays, 11:30 a.m. - 12:15 p.m.**

*Session 2: Feb. 6-27, 2026 (no class Feb. 13)*

*Session 3: March 6-20, 2026*

*Session 4: May 1-15, 2026*

# Central Public Preschool

## Little Raiders

We are Central Public Preschool, home of Little Raiders. Our preschool is the only place you will find an aligned curriculum to Central Public Schools. We offer a quality preschool with professional staff who genuinely care about providing your child with an age appropriate experience full of hands-on learning and an emphasis on foundational skills for future success academically and socially. Our staff have specialized training in social/emotional development, standardized curriculum, and assessment, and we hold a four-star Parent Aware rating. We are proud of our preschool and invite you to join us for the 2026-2027 school year.

Preschool registration opens on Jan. 29, 2026. Children must be three, four, or five years old by Sept. 1, 2026, and not yet in kindergarten to attend preschool. We offer a variety of options for two, three, four, and five days a week preschool experiences. Scholarships are available to eligible families based on income and family circumstances. Transportation services are available to families on existing bus routes.

# Passing School Spirit from the Class of 2026 to the Class of 2038

During Homecoming Week we once again saw one of our favorite traditions take place!

Our senior class had the honor of passing their school spirit down to the newest members of our school community, the kindergarteners. The students gathered on the football field and the kindergarten students were so excited to run across the field and meet the seniors.

Each senior was able to share a Raider pin with a kindergartner and everyone had a great time talking, connecting, and laughing together.

From their first day to their last, the seniors have embraced the spirit of supporting one another, celebrating achievements, and keeping traditions alive. In a heartfelt letter, they encouraged the kindergartners to continue this legacy, make their own memories, and wear their Raider pins with pride. From the Class of 2026 to the Class of 2038 — carry on the spirit and make us proud!

Dear Central Kindergartener,

As we prepare to graduate, we wanted to take a moment to share our excitement and pride in being part of this amazing school community. Each of us has fond memories of our time at Central, and we're eager to pass on the spirit that makes our school so special.

From our first days in kindergarten to our final days as seniors, we've learned the importance of Raider Pride. This spirit is about supporting each other, celebrating our achievements, and upholding the traditions that bring us all together. Whether it's cheering at the games, participating in activities, or helping each other in the classroom, we have all played a part in creating a vibrant school culture.

As you embark on your journey through Central Schools, we encourage you to embrace this Raider Pride. Remember, every small act contributes to the legacy of our school and keeps our traditions alive.

You are the future of Central and we can't wait to see how you will carry on our spirit! So, get ready to make your own memories, cheer for each other, and support our school community. We pass on our school spirit to you, the class of 2038! Wear your pin with pride, because we believe in you, and we know you'll do great things!

With lots of love and Raider Pride,  
The Senior Class of 2026

## Young Rembrandts

Young Rembrandts is the only after-school art program that teaches drawing with a step-by-step method designed to build skills in perception, organization, and focus. Kids improve their drawing, learn art vocabulary and history, and develop patience, discipline, and attention to detail.

## 1st Session: My Winter Sketchbook

(Ages K - 5th Grade)

Our Winter Sketchbook lineup includes an energetic snowboarder scene, personality-packed penguins, a bright and cheerful winter birdhouse, and a playful llama. We'll also draw inspiration from art history with a Young Rembrandts interpretation of Grant Wood's American Gothic.

*3:05-4:05 p.m.*  
February 2, 9, 23, March 2, 9, 16

**Central Elementary STEAM Room**

**\$80 per person**

## 2nd Session: Draw Me Into Spring

This season, Young Rembrandts artists will explore warm and cool colors while drawing a detailed house scene, discover the magic of still life, and recreate a famous masterpiece by Edward Hopper. We'll even take an imaginative trip to Japan to capture the beauty of the kimono.

*3:05-4:05 p.m.*

## Central Summer Lifting Program

Nekton Sports Performance is excited to return to Central High School! Along with Central strength coach Madison Genz, Nekton will bring certified strength and performance coaches to lead a comprehensive, high-level training experience for student-athletes. Over the past few years, we've worked closely with the football program to elevate strength, speed, and performance — and this year, we're expanding our impact to all athletes.

Our structured summer program develops well-rounded, resilient athletes through intentional strength training, speed and power development, education, and a brain-based approach. Rooted in our mission to build elite athletes and strong individuals, we aim to empower every student to grow socially, spiritually, and athletically.

Sessions include time in the weight room and on the track/field, and each athlete receives a t-shirt.

## Cardboard Camp

(Entering grades 4-7)

We'll build imaginative projects inspired by nature, Greek and Roman mythology, and Viking legends—all using the power of cardboard. Campers learn hands-on building skills as they cut, shape, join, and engineer sturdy creations ranging from mythological creatures and Viking shields to nature-inspired sculptures and habitats. Blending storytelling with design, students collaborate on challenges and pursue their own creative ideas, leaving camp with unique projects, stronger maker skills, and the excitement of transforming stories into tangible works of art.

## Reaching New Heights Together

### Raiders Show Strong Growth in 2025 MCA Scores

Central Public Schools got some great news from the 2025 MCA Test results and data with strong growth and achievement in many grade levels and areas! Elementary, middle, and high school grades all had something to be proud of, not only with actual scores, but in the strong growth shown over the previous year.

At Central Elementary some of the highlights included:

- 68.4% of students met or exceeded standards in math — a jump of nearly 10 percentage points from last year
- 27.8% of students exceeded standards in math which is a high achievement especially considering that historically, this number is around 20%
- Reading proficiency rose a total of 13.6 percentage points over 2024
- 19.3% of students exceeded standards in reading nearly double of the usual number of around 10%

These results are due to the hard work taking place in and out of the classroom including extensive professional development for teachers, updates to curriculum, and finding ways to personalize instruction and increase overall rigor. Central Public Schools improved in both math and reading while several neighboring districts declined.

"We've all been excited about what is happening at Central for a while and when you know you are implementing good things it would be nice if we could see that immediately in the results but it takes time," said Curriculum Leader Andrea Kolstad. "There has been so much work being done so it's fun to celebrate some success on these tests, especially when you look at it from a growth standpoint. We are trending in the right direction and it is a way to reinforce that this work is impactful."

Middle school grades also saw some great growth including consistent upward momentum in mathematical understanding and a nearly nine point increase in reading which shows strong literacy gains. At the high school level students are performing 10.6 points higher than the state average in math and 16.6 points higher in reading. Central High School also had the biggest jump in growth of any of our neighboring districts with 11.8 points of growth over 2024!

"These results really are something to be excited about because it shows what can happen when a community invests in its schools and believes in the mission and vision of the district," said Superintendent Tim Schochenmaier. "It can be tempting to look at these results only in terms of how the percentages compare to 100% but the real story is in the growth year to year."

Changing little things in the classroom and providing more support for our staff is having an impact on student outcomes and that is what it is all about."

At the September 2025 Board meeting, Kolstad shared a slide that really speaks volumes about the importance of recognizing that community investment truly does translate to return on investment. The big takeaways were:

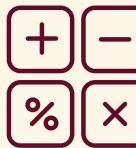

#### **UNIVERSAL IMPROVEMENT**

All three levels — elementary, middle, and high school — showed gains in both math and reading proficiency in 2025

#### **READING RENAISSANCE**

Dramatic reading score increases:  
+13.6 points (elementary),  
+8.7 points (middle), and  
+11.8 points (high school)

#### **MATH MOMENTUM**

District-wide math improvements, with notable double-digit growth at Central Elementary leading the charge

#### **STATE EXCELLENCE**

CPS outperformed Minnesota's state averages in both math and reading across multiple grade levels

The work will continue with the curriculum review cycle plans for the 2025-26 school year of adopting and purchasing math resources for K-12 to be implemented in 2027-28. The district is focusing efforts on training and standards alignment, ensuring educators are prepared for the transition ahead while also implementing Creative Curriculum and TS Gold for PreK programs, completing year two of LETRS training, and more!

## Tentative Opening Date for the West Carver Community Pool is May 30, 2026!!

The City of NYA is *splashing* into spring with exciting progress on the West Carver Community Pool House renovation! This project is transforming the facility into a more efficient, welcoming, and enjoyable space for all of our swimmers!

Visitors will soon enjoy a smoother, more intuitive traffic flow through the shower and changing areas—no more bottlenecks, just easy breezy movement. The building is also getting a full glow-up with a fresh new entrance, updated flooring, roofing, siding, and completely renovated bathroom facilities designed for comfort and accessibility.

And yes... we're *extra* excited about the brand-new concession stand! Perfect for grabbing a snack or a cool drink between cannonballs and lap swims.

Altogether, these upgrades are giving the pool house a brighter, more vibrant vibe—setting the stage for a fun, memorable, and sunshine-filled summer swimming season.

### Grand opening date TBD... stay tuned!

# Highlighting the *Making the Connections* Summer School Program

by Kyle Evenski, 4th grade teacher

We all know that summer is a time of fun and relaxation for students. However, for two weeks in June and another two weeks in July, around 175 students walked back through the doors at Central Elementary for the Making Connections Summer School program.

Each day started with students utilizing the playgrounds and green space before walking in and enjoying a breakfast if they desired. From there, students who just completed grades K-5 would work through various reading, math, writing, and social emotional learning activities.

Thanks to a partnership with the Carver County Norwood Young America Library, each week various groups of students would have a chance to head there and participate in activities such making clouds and robotics, or simply learning what the library has to offer.

Students also had a chance to be creative within our STEAM room once a week. Before heading home, students also had a chance to receive lunch, ensuring that they were going to head home with a full stomach. A great four weeks with WONDERFUL students here at Central Elementary!
