RES.2022-106 Approval of Bus Safety Resolution

Motion by Mrs. Church, seconded by Mrs. O'Donnell, to approve the following resolution:

Whereas, the first and last people that many of our students see each morning and afternoon are our school bus drivers; and

Whereas, the customer service given by the members of the Belpre City Schools Transportation Department as they safely transport students is a crucial component of the Belpre City Schools' image and standing in the community; and

Whereas, the contributions to the success of our students and school made by the hardworking men and women in the Belpre City Schools Transportation Department should not be underestimated; and

Whereas, our fleet of yellow buses travels more than 70,000 miles per year, which is equivalent to 15 trips from the school bus garage to Los Angeles, California and back; and

Whereas, the entire Transportation Department bears tremendous responsibility, devising complex routes and schedules, helping families make transportation arrangements, maneuvering traffic in varying road conditions, and maintaining behavior on the bus as they traverse roughly 21 square miles; and

Whereas, during the course of their duties, members of the Transportation Department work cooperatively with families, schools, and students, solving problems and responding quickly and cautiously to unforeseen circumstances; and

Whereas, our Transportation Department employees' commitment to safety is evidenced in the safety training received annually, as well as the countless hours of personalized safety for drivers throughout the school year; and

Whereas, Belpre City Schools' School Bus Drivers and other Transportation Department personnel are dedicated to providing safe, efficient, and equitable transportation services.

Now, Therefore, be it Resolved, That the Belpre City Schools Board of Education does hereby join school districts throughout Ohio and across the nation in designating October 17 through October 21, 2022 as NATIONAL SCHOOL BUS SAFETY WEEK, and officially recognizes the important contributions made by School Bus Drivers, Mechanics, Coordinators, and other support staff in the Transportation Department make to the students, staff, and families served.

Be it further Resolved, that this Resolution shall be included in the Official Minutes of the Board of Education.

Be it finally Resolved, that a copy of this Resolution shall be provided to each member of the Transportation Department with sincere gratitude and thanks.
