ILLINI BLUFFS CUSD #327

Illinois School Report Card Information

Understanding the Illinois School Report Card

We have great news to share! Our students achieved our highest-ever percentages meeting and exceeding state expectations in reading and math. Their hard work, our staff's dedication, and your support make a difference! All three schools earned one of the state's three highest overall ratings. Illinois changed its rating system this year, so designations aren't directly comparable to last year's. Read Mr. Almasi's letter for more about our students' success and the new ratings.

IBES

Commendable

Our youngest Tigers earned their highest proficiency ever! They also knocked attendance out of the park. Great job achieving, growing, and coming to school ready to learn!

IBMS

Approaching Exemplary

Our middle school Tigers earned Approaching Exemplary ratings in achievement and growth and were named a Blue Ribbon School finalist! Their hard work gives our entire community something to celebrate!

IBHS

Exemplary

IBHS earned the state's highest rating, Exemplary, for the first time! Our high school Tigers give us much to celebrate! This recognition reflects our students' hard work, our staff's dedication, and our families' continued support.
