The tardy bell is at 8:15, which means all students need to be in their classrooms by 8:15 and ready for the day. *If you are dropping off your child after the teachers enter the building, you need to walk your child into the building to sign them in.* School dismissal begins at 3:05! All students MUST be picked up by 3:20pm each day!

- **Student Drop off procedures -** Parents may not park and walk kids up to the building, or park to pick up kids in the afternoon. **Students cannot be dropped off at school before 8:00 am.** Please use 2 lanes to begin the car line, and then merge into the line closest to the building for drop off/pick up.

- **Early Pick-up Procedures -** If your child typically rides a bus, but needs to be a car rider for the day, you must let the office know no later than 2:15. If you know in advance, please send a note to school with your child.

- **Attendance -** If your child will not be at school, please call the school at 937-845-9439, and choose option 1 (attendance) from the menu. This line is ONLY to report absences. Leave a message stating your child's first and last name, grade level, and reason for their absence. The secretaries check these messages daily and update your child's attendance record. You may also email at bes-attendance@blsk12.org if you cannot get through.

- **Final Forms completion** - Please complete Final Forms as soon as possible. For returning students, the information still needs to be reviewed and confirmed in the system. Child Safety Matters

During the month of October, the counseling team (Mrs. Stegner and Mrs. Holthaus, formerly Ms. Dill) will be providing the first part of our yearly safety lessons during their SEL special. The second part will be provided during January or February depending on weather delays and closures.

We will be using the Child Safety Safety Matters curriculum. “The Monique Burr Foundation’s Child Safety Matters educates and empowers children with information and strategies to prevent, recognize, and respond appropriately to bullying, cyberbullying, all types of abuse, and digital abuse dangers.” For more information about this program, click the link found below.

Parents or guardians who do NOT wish for their child to participate in these lessons must complete the opt-out form using the link below by October 2, 2026.
