- Seniors - If you did not attend the Jostens meeting for ordering your cap and gown, there are extra packets in the high school office. Orders are only being taken online.

- Need Bethel spirit wear? Order here: https://bethel-pto-spirit-wear.square.site/

- Our first Parent/Teacher Conference of the school year is scheduled for September 30, 3:30-7:00. If you would like to meet with your student's teacher(s) please contact the school office.

- All students that drive to school need to have a school-issued parking pass. Please pick up a form at the high school office. There is no fee for a parking pass.

- We are excited to introduce **"Handle with Care,"** a new way for our school staff to provide additional support to students who may be going through a difficult circumstance outside of school. The program gives staff a simple reminder to offer students a little extra **patience, understanding, and compassion** when needed, while continuing to maintain normal expectations and respect student privacy. If you feel your student could benefit from a **"Handle with Care"** notification, please reach out to your student's counselor. We are here to support your student and help make their school day a little easier.

- Free math study sessions are available every Tuesday immediately after school in Ms. Gerdeman's room (1436). Any high school math student can come in and get help. Sessions end at 3:15.

- Graduation date & time change - Graduation will now be taking place on Saturday, May 29 at 6:30pm.
