Announcements:

- **Kindergarten registration** - IS OPEN! If you or someone you know has a child who will be starting kindergarten in the 2026-2027 school year in our district, we would appreciate your help in spreading the word! All incoming Kindergarten students for the 2026-2027 school year are invited to come to Bethel Elementary on Wednesday, February 25th from 4:30-6:30pm for our Annual "Connect to Kindergarten Night". Parents and future kindergarten students will be able to meet the kindergarten teachers, view classrooms and complete registration!
- **Student Drop off procedures** - Parents may not park and walk kids up to the building, or park to pick up kids in the afternoon. **Students cannot be dropped off at school before 8:35 am.** Please use 2 lanes to begin the car line, and then merge into the line closest to the building for drop off/pick up.
- **Communications App** - Please be sure to download the Bethel Local Schools app to get classroom-specific information in addition to news about district and school news, events, dining, and more! Starting this year, parents are able to see class-specific announcements and message their students' teachers directly through the Bethel App. This new app is

replacing the need for parents to have multiple different apps, like ClassDojo and Google Classroom, for their students' classroom information, as all of their students, K-12, will appear in their Rooms tab of the Bethel App. All parents need to do is download or update the Bethel Local Schools App and sign in using the mobile phone number they provided when registering their child!

- **Early Pick-up Procedures** - If your child typically rides a bus, but needs to be a car rider for the day, you must let the office know no later than 2:30. If you know in advance, please send a note to school with your child.
- **Attendance** - If your child will not be at school, **please call the school at 937-845-9439, and choose option 1 (attendance) from the menu.** This line is ONLY to report absences. Leave a message stating your child's first and last name, grade level, and reason for their absence. The secretaries check these messages daily and update your child's attendance record.
- **Band form for current 4th grade students** - If your child is interested in taking Band in 5th grade, be sure to complete & return the Beginning Band Registration form anytime before the end of this school year. Scroll down to find a copy.
- **Mother / Son Fun Night** - The Mother Son Fun Night is officially rescheduled and back on - we'll be playing games and having a blast on Saturday, March 21 from 4-6pm. This event is open for boys in grades PreK-6 and their moms or mom-like figures. Tickets are \$10 and can be bought on the Bethel Website or at the door.

Say "hello" to even more in the Bethel Local Schools app.

Parents/Guardians and students will use the **Bethel Local Schools** app for district and school news, events, dining, and more. Rooms, the Bethel Local Schools app., is fully integrated into our district app so you have one app for everything Bethel Local Schools.

Download the **Bethel Local Schools** app from the App Store or Play Store to get started.

You will be able to sign in to rooms using the mobile phone number you used when registering your student.

Within our app, you can switch to Rooms to see class specific announcements and to send direct messages to teachers.

Download the Bethel Local Schools app and enable notifications.

Junior Warriors is about introducing area youth ages 4-6 to the game of soccer and is instructional in nature, with training done by our All-Area High School players. Under the guidance of our Program Director, the players are taught fundamental soccer skills that will be a foundation for their skills to come. Now in its 13th year, we continue to grow and be the best in the Dayton area. Our programs match US Soccer's latest mandates in Age-Appropriate training and small sided games. The **Warrior Academy** (ages 6, 7 & 8), builds on the foundation of the Junior Warriors. They will meet two nights a week to introduce players to the select/club soccer environment. Warrior Academy training and coaching will be done by the Warrior Soccer Club's Professional Trainers.
