Upcoming Events:

- February 25 - Connect to Kindergarten Night 4:30-6:30pm
- March 7 - Father / Daughter Dance 5-7pm
- March 12 - Read Across America Night 5-6:30
- March 21 - PTO Easter Egg Hunt
- March 21 - Mother / Son Fun Night

Announcements:

- **Kindergarten registration** - IS OPEN! If you or someone you know has a child who will be starting kindergarten in the 2026-2027 school year in our district, we would appreciate your help in spreading the word! All incoming Kindergarten students for the 2026-2027 school year are invited to come to Bethel Elementary on Wednesday, February 25th from 4:30-6:30pm for our Annual "Connect to Kindergarten Night". Parents and future kindergarten students will be able to meet the kindergarten teachers, view classrooms and complete registration!
- **Student Drop off procedures** - Parents may not park and walk kids up to the building, or park to pick up kids in the afternoon. **Students cannot be dropped off at school before 8:35 am.** Please use 2 lanes to begin the car line, and then merge into the line closest to the building for drop off/pick up.
- **Communications App** - Please be sure to download the Bethel Local Schools app to get classroom-specific information in addition to news about district and school news, events, dining, and more! Starting this year, parents are able to see class-specific announcements and message

their students' teachers directly through the Bethel App. This new app is replacing the need for parents to have multiple different apps, like ClassDojo and Google Classroom, for their students' classroom information, as all of their students, K-12, will appear in their Rooms tab of the Bethel App. All parents need to do is download or update the Bethel Local Schools App and sign in using the mobile phone number they provided when registering their child!

- **Early Pick-up Procedures** - If your child typically rides a bus, but needs to be a car rider for the day, you must let the office know no later than 2:30. If you know in advance, please send a note to school with your child.
- **Attendance** - If your child will not be at school, please call the school at 937-845-9439, and choose option 1 (attendance) from the menu. This line is ONLY to report absences. Leave a message stating your child's first and last name, grade level, and reason for their absence. The secretaries check these messages daily and update your child's attendance record.
- **Father Daughter Dance** - March 7th 5-7p. Open to all girls in K-6th and their father-like figures. No mothers are permitted to attend this event. There will be dancing, crafts and princess Bingo! Professional photos will be available for purchase and delivered after the event.
- **Read Across America Night**- This was a big hit last year, so we are bringing it back! There will be reading and math activities throughout the building, as well as the Book Fair and a raffle drawing. Bring the whole family and come have some fun!
- **Mother / Son Fun Night** - Rescheduled to March 21st - Open to all boys in K-6, and their mom-like figures, video games, legos, open gym and fun shenanigans! Light snacks provided.

Say "hello" to even more in the Bethel Local Schools app.

Parents/Guardians and students will use the **Bethel Local Schools** app for district and school news, events, dining, and more. Rooms, the Bethel Local Schools app., is fully integrated into our district app so you have one app for everything Bethel Local Schools.

Download the **Bethel Local Schools** app from the App Store or Play Store to get started.

You will be able to sign in to rooms using the mobile phone number you used when registering your student.

Within our app, you can switch to Rooms to see class specific announcements and to send direct messages to teachers.

Download the Bethel Local Schools app and enable notifications.

Theme: *Aviation Adventures – Where Imagination Takes Flight*

Celebrate Dayton, the Birthplace of Aviation, by bringing *Aviation Adventures* to life with LEGO bricks. Whether you're inspired by the Wright Brother's first flyer, a World War II aircraft, supersonic jets or high-tech airplanes, this challenge is all about creativity and pushing your imagination to new heights! You can create something that really existed, design something that *might* exist one day or invent something entirely your own!

Here are a few ideas to help you get started:

Historic Flyers: Build the Wright Flyer, a barnstorming biplane, Amelia Earhart's Lockheed Electra or any aircraft that shaped aviation history.

Airports Through the Ages: Create an early grass runway, a busy modern airport or a futuristic floating air terminal in the clouds.

Mission Scenes: Show a rescue helicopter on a mission, an airshow performance, an airmail plane landing or a spacecraft preparing for launch.

Future Flight: Dream big- flying cars, solar-powered airplanes, drone taxis or anything the future might hold!

Aviation Innovations: Build engines, hangars, air-traffic control towers or your own invention!

Entry Categories: ➔ Ages 5-8 ➔ Ages 9-12 ➔ Ages 13-16 ➔ Ages 17-99 ➔ Group Builds

Contest Info Packet: Download & print details at www.wacoairmuseum.org

Build big, dream bold and let your *Aviation Adventures* take off!

A vibrant poster for an Easter Egg Hunt. The background is a bright blue sky with stylized white clouds. At the top, a string of colorful triangular bunting flags hangs across the frame. Below the flags, several decorated Easter eggs are visible. In the center, a pair of large, white bunny ears with pink interiors stands prominently. The bottom of the poster features a green grassy field with more decorated Easter eggs and small flowers. The text is arranged in a clear, hierarchical manner, with the event title in large, bold letters, followed by a subtitle, and then the date, time, and location in distinct colored boxes.
