Join us for 4-H parents' night!

You've got questions, we've got the answers

Are you curious about what 4-H has to offer? Join us for a fun and informative Parents' Night! This event is a great opportunity for parents, grandparents, guardians (or anyone invested in a young person's success) to learn more about the 4-H program, get your questions answered, and connect with our team.

4-H is open to youth of all ages: Cloverbuds begin at age 5 and in kindergarten, and 4-H members start at age 8 and in third grade (or 9 years old and any grade) through age 18.

While the adults explore 4-H, kids can dive into some fun activities, and light snacks will be available for everyone.

We can't wait to see you there!
