- January 24 - 6-8p - Mother/Son Fun Night - See info below

Announcements:

- **Student Drop off procedures** - Parents may not park and walk kids up to the building, or park to pick up kids in the afternoon. **Students cannot be dropped off at school before 8:35 am.** Please use 2 lanes to begin the car line, and then merge into the line closest to the building for drop off/pick up.
- **Bethel Middle School is hiring!** Are you interested in being a translator for Bethel Middle School? BMS is currently in need of someone to assist in the 7th & 8th grade. If you are interested, please contact Angela Harding at hardinga@blsk12.org for more information.
- **Communications App** - Please be sure to download the Bethel Local Schools app to get classroom-specific information in addition to news about district and school news, events, dining, and more! Starting this year, parents are able to see class-specific announcements and message their students' teachers directly through the Bethel App. This new app is replacing the need for parents to have multiple different apps, like ClassDojo and Google Classroom, for their students' classroom information, as all of their students, K-12, will appear in their Rooms tab of the Bethel App. All parents need to do is download or update the Bethel

Local Schools App and sign in using the mobile phone number they provided when registering their child!

- **Early Pick-up Procedures** - If your child typically rides a bus, but needs to be a car rider for the day, you must let the office know no later than 2:30. If you know in advance, please send a note to school with your child.
- **Attendance** - If your child will not be at school, please call the school at 937-845-9439, and choose option 1 (attendance) from the menu. This line is ONLY to report absences. Leave a message stating your child's first and last name, grade level, and reason for their absence. The secretaries check these messages daily and update your child's attendance record.
- **Final Forms completion** - Please complete Final Forms as soon as possible. For returning students, the information still needs to be reviewed and confirmed in the system. Be sure your phone numbers and email addresses are accurate to ensure the school can contact you in the event of an emergency.
- **Mother / Son Fun Night** - See Flyer below - Open to all boys in K-6, and their mom-like figures, video games, legos, open gym and fun shenanigans! Light snacks provided.
