Upcoming Events:

- September 10 - 26:
    - Students in 2-4 will complete their iReady fall diagnostics in reading and math.
    - K-1 will complete DIBELS diagnostic assessments and iReady for learning paths.
- September 15-19th - Bus Safety Week

Announcements:

- **Student Drop off procedures** - Parents may not park and walk kids up to the building, or park to pick up kids in the afternoon. **Students cannot be dropped off at school before 8:35 am.** Please use 2 lanes to begin the car line, and then merge into the line closest to the building for drop off/pick up.

- **Early Pick-up Procedures -** If your child typically rides a bus, but needs to be a car rider for the day, you must let the office know no later than 2:30. If you know in advance, please send a note to school with your child.

- **Attendance** - If your child will not be at school, please call the school at 937-845-9439, and choose option 1 (attendance) from the menu. This line is ONLY to report absences. Leave a message stating your child's first and last name, grade level, and reason for their absence. The secretaries check these messages daily and update your child's attendance record.

- **Final Forms completion** - Please complete Final Forms as soon as possible. For returning students, the information still needs to be reviewed and confirmed in the system. Be sure your phone numbers and email addresses are accurate to ensure the school can contact you in the event of an emergency.
- **Specials Information** - We are excited to introduce a brand-new specials class this year focused on Social Emotional Learning (SEL). Students will take part in engaging, interactive lessons using the Character Strong curriculum, which helps children build important life skills such as kindness, empathy, problem-solving, and teamwork. Each unit will highlight a different character trait, giving students the tools they need to grow as friends, learners, and leaders. We can't wait to see how our students will shine in this new class!
