All proceeds go directly back to the Bethel Music Program and help purchase instruments, costumes, music, and performance opportunities for our music students. There is a parent kick-off meeting on Wednesday, September 9 at 6pm in Bethel Hall - every adult that attends helps our program earn even more money as a bonus, so please come out! Pizza and cookies will be provided.

- We are excited to introduce **"Handle with Care,"** a new way for our school staff to provide additional support to students who may be going through a difficult circumstance outside of school. The program gives staff a simple reminder to offer students a little extra **patience, understanding, and compassion** when needed, while continuing to maintain normal expectations and respect student privacy. If you feel your student could benefit from a **"Handle with Care"** notification, please reach out to your student's counselor. We are here to support your student and help make their school day a little easier.

- Free math study sessions are available every Tuesday immediately after school in Ms. Gerdeman's room (1436). Any high school math student can come in and get help. Sessions end at 3:15.
