CHOUDRANT ELEMENTARY

Week at a Glance - Parent

Week of August 17-21

	Welcome Back Aggies!!! If your child will be a car rider, please make sure you have a school issued car line tag before their first day. The tags should be displayed on the driver side for visibility. Please hold your sign up or attach to the driver's side visor. Remember to be patient with the carline process. It takes a little bit for our youngest students to get back into their routines.
