	Construction Update: We are in our new building that has given us 3 new classrooms (1 being a storm shelter and a new set of restrooms for students to use) They are still planning the best option for our new parking lot. They hope to build a smaller parking lot for parents coming for meetings and smaller and functions (closer to the office) AND a large parking lot for BIG grade level and school events. There is a lot of planning and drawing that goes into this and we can't wait for this to get underway! The schoolboard knows this is a big need for us and has started the process.
