Our first KITS Weekly Glance will be sent out on Sunday, August 16, 2026.

🚗 Ruston Junior High School

Updated Carline Procedures

Well… It Looks Like We're Getting the Full Construction Experience! 😂

Parents, if you've noticed a few changes around Ruston Jr. High, you're not imagining things! With all of the construction happening around us, our **carline has to change, too.**

We promise—we're not trying to make your morning drive feel like a Buc-ee's 🦫 **grand opening**! But, just like Buc-ee's, we're going to need a *little patience*, a *good sense of direction*, and *everyone following the signs*.

Step 1: Enter from Tarbutton Road

- Cars should approach the school using **Tarbutton Road.**
- Look for the **red signs** along the route. These signs will guide you toward the correct carline entrance.
- **Traffic directors will also be present to assist and direct traffic.**

Step 2: Turn Onto the Frontage Road

- After turning off **Tarbutton Road**, follow **the signs** 

and traffic directors to the **school access road**.
- The school access road will be used to access the school carline.

Step 3: Turn Left Into the Carline

- Once you reach the designated carline entrance, **ALL vehicles will turn LEFT**.
- Follow the traffic flow into the **semi-circle carline**.
- Please remain in your vehicle and follow the vehicle directly in front of you.

Step 4: Drop Off Students

- Continue through the semicircle carline.
- Students should be dropped off only in the **designated drop-off area**.
- Please pull forward as directed so we can keep the line moving.
- For everyone's safety, please do not stop in unauthorized areas or attempt to pass other vehicles.

Step 5: Exit the Carline

- After dropping off your student, continue through the carline loop.

- **ALL vehicles will make a RIGHT turn onto the school access road.**
- Follow the school access road and exit the school area as directed.
