Ripley Central School

"Home of the Eagles"

Learn today. Lead tomorrow!

06/05/2026

What an amazing, sunshine-filled week we've had! The energy around the school has been incredible as our students soaked up the beautiful weather and participated in some truly unforgettable events. Thank you for your continued partnership in making this school year finish so strong.

We were thrilled to host Eric Jones this week, who delivered an incredibly powerful message to our students about the importance of following your dreams. To cap off his inspiring visit, he wowed us all by sculpting a massive, breathtaking Eagle entirely out of sand right before our eyes! It was a wonderful reminder to our students that with passion and dedication, you can shape your own future.

Our athletes filled us with pride this week at the Special Olympics hosted at Strider Field in Jamestown! Participating in a wide variety of activities, our students put on a spectacular display of grit, sportsmanship, and teamwork. Watching them cheer each other on and give it their absolute all was a beautiful reminder of what our school community is all about.

A huge thank you to all the families who joined us for our Spring Concert and for your support of our music program! The students' hard work truly paid off—their beautiful performances instantly put the entire room into a sunny, summer frame of mind. We are so incredibly proud of our young musicians for their dedication and talent.

Upcoming Events

Monday, June 8
Girls on the Run 4:30 pm

Saturday, June 13
Owen Miller Memorial Walk/Run 5 K 9:00 am
See back for details

Tuesday, June 16

Wednesday, June 17
Early Dismissal – 11:00 am
Student-Led Conferences

Thursday, June 18
Early Dismissal – 11:00 am

Friday, June 19
No School – Juneteenth Day

Our 5th graders embarked on some fantastic adventures this week with trips to Camp Onyasha and Lakeside Golf Course! It was a joy to see them step out of their comfort zones to try new things, work together as a cohesive team, and, most importantly, have a ton of fun making memories that will last a lifetime.

Our littlest learners proved they have giant hearts and serious determination this week! The Kindergarten class went on a biking adventure all the way to the town park. They demonstrated incredible grit and stamina pedaling their way there, and we couldn't be prouder of their active, adventurous spirit.

You have a couple more days to hit some local trails to be entered to win some great prizes! You can find the QR code on the flyers previously sent home with your students, or you can fill out the following link once you have completed your five selfies at each park sign or landmark: https://form.jotform.com/260565475078163.

Have a wonderful weekend, and I'll see everyone on Monday!
