Ripley Central School

"Home of the Eagles"

Learn today. Lead tomorrow!

03/27/26

Happy Friday, families!

We had a wonderful week of learning and even spent some time outside! With warmer days just around the corner, we're looking forward to spending even more time learning outdoors!

Our 6th-grade students recently enjoyed a fantastic **Day of Play at JCC**. While it looked like a day of pure fun (and it certainly was!), there was a lot of meaningful "brain work" happening behind the scenes.

We also want to give a special shout-out to several of our students who are participating in the Teacher Cadet program. These older student leaders have been stepping up in a big way to support our school community. You can find our Cadets in the classroom assisting younger learners as they master their math facts and as an extra set of hands and positive role models during recess. It is inspiring to see our students take on these leadership roles with such care and responsibility. Great job, Cadets!

Now that we have finished *Nim's Island*, I wanted to remind you that we will have a special evening of tropical fun on Tuesday, March 31, from 6:00 PM to 7:00 PM. We can't wait to see everyone there for a little island-themed excitement!

Have a great weekend, and I'll see everyone on Monday!
