2026/2027 Yearbooks are available for $30.00 each. See attached form to order.

The food drive has started and the competition has begun! As of Wednesday, November 11th kindergarten is in first place and 2nd grade is in 2nd place for elementary. 6th grade is in 1st place and seniors are in 2nd place for secondary. Make sure to bring in your non-perishable food items or donations by the 23rd of November.

PBIS is trying a new fundraiser this year and will be selling Texas Roadhouse rolls, honey cinnamon butter and gift cards to help raise funds for end of year auctions for students and staff, teacher appreciation, quarterly awards for elementary, etc. They will be here in time for thanksgiving!

Mark your calendars for a very special Christmas program celebration on December 3, 2026 starting at 6:30 p.m.

Student Pick-Up: If you need to change your student's plans for the end of the day (they will be picked up, need to ride a different bus, etc.) please call the school office before 1:00 p.m. to make those changes. Any transportation changes should be communicated with the office. Messages sent to teachers and/or bus drivers aren't always communicated with the office.

Medication: Remember to bring in any medications you would like your children to take while at school. Tylenol, Motrin and Tums are the only medications the school will provide. If they need allergy medications or any prescription medications parents will have to bring them in with instructions.

Food Service: Remember to keep lunch account balance up to date. With access to teacherease everyone should be able to see their child's lunch account balance and also have the ability to pay online. If you are having trouble logging in to teacherease, please reach out to the office for assistance. The black box is still available for payment drop off outside of the office door.
