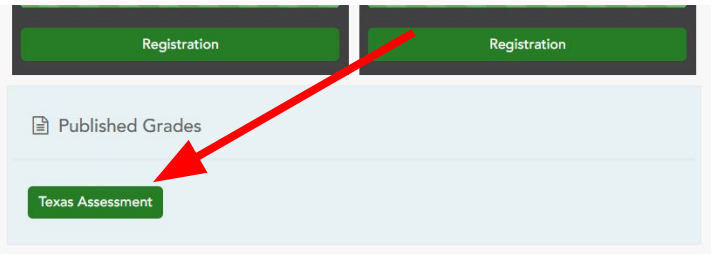
ACCESSING STAAR SCORE IN PARENT PORTAL

1. Log in to your Parent Portal Account

2. In the summary page select the student you want to view. Their name box should be outlined in red when selected.

3. Once the student is selected there will be a green Texas Assessment button under Published Grades.



4. Once clicked your student's Texas Assessment Family Portal page will open in a new tab displaying your student's STAAR score information.

5. If this is the first year your student took a STAAR test with Carthage ISD there may be a delay in the green Texas Assessment button being visible. Please check back in a few days.
