3. If you do **not** know your student's Unique Access Code (UAC), you may look it up by entering their Social Security Number in the highlighted box above, along with their date of birth, and legal first name. Then, click "Sign On."
4. After briefly displaying the student's Unique Access Code, the site will automatically route you to your student's results. Recommended: Write down your student's UAC and store in a safe place. This code will never change.
