2026-2027 REQUIRED SUMMER READING

GRADE 9

ENGLISH I and ADVANCED ENGLISH I

Your task this summer is to read 200 pages. It sounds like a lot of reading, but you read much more than you think! All I'm asking you to do is log your reading efforts. This can be done in many ways through many different mediums such as novels, magazines, websites, blogs, etc.

Attached is a reading log where you will keep track of your reading. You must include date, author/source, and page count. If you're reading from a website, use **wordcounter.net** to convert the words into pages. ***I consider 250 words to be one page.***

The goal of this assignment is to enjoy reading what you care about and think about how we read more than we even imagine! Reach out to me (Mr. Rife) with any questions: **jacob.rife@stcschools.com.**

2026-2027 REQUIRED SUMMER READING

GRADE 10

ENGLISH II & ADVANCED ENGLISH II

This summer, you must read at least **one book** of your choosing. The book you choose must contain a minimum of **300 pages**, and I encourage you to choose a book that interests and challenges you. This could be a novel, memoir, etc., of any genre.

In the first few weeks of school, you will complete a project-based assignment on the book you read over the summer. Please be sure to not only read, but also take the time to understand and think about what you are reading. I can't wait to talk about your books and tell you about all the books I hope to read this summer. Happy reading!
