LETTER FROM THE SUPERINTENDENT

Welcome to the 2026–2027 school year in Bryan County Schools. It is an honor to serve as Superintendent of a district and community that mean so much to me. After 14 years in Bryan County Schools, I have seen firsthand what makes our system special: our people, our pride, our commitment to students, and our belief in the power of public education.

On August 5, 2026, we will welcome nearly 11,000 students, each bringing unique gifts, goals, and potential. As we begin this school year, our focus remains clear: growth, acceleration, opportunity, communication, and care. These priorities will guide our work and ensure every decision supports student learning, safety, relationships, and success.

Bryan County Schools continues to thrive because of the dedication of our Board of Education, staff, families, and community partners. Our success is built on high expectations, strong relationships, and a shared commitment to doing what is best for students.

As our county grows, the purposeful planning for facilities, transportation, staffing, safety, and academic opportunities continues. We are committed to ensuring our schools grow stronger and more connected as #ONEBRYAN.

To our students: bring your best effort each day and make the most of every opportunity.

To our families: thank you for your trust, partnership, and support.

To our teachers, leaders, and staff: thank you for the countless ways you serve and support students every day. Your work makes a lasting difference. Every student, family, employee, department, and school matters in Bryan County Schools.

On behalf of the Bryan County Board of Education and our district team, thank you for being part of Bryan County Schools. I look forward to a year filled with growth, opportunity, communication, and care.

Sincerely,

Mr. Bivins Miller
Superintendent
