FROM THE PARTHENON TO THE AEGEAN: TAMARAC STUDENTS' ODYSSEY IN GREECE

Over Spring Break, Tamarac teachers Mrs. Bishop, Ms. Satalino, and Ms. Devine, along with a group of 19 students and family members, took a trip to Athens, Greece. They visited historic sites like the Parthenon, the 1896 Olympic Stadium, and the Temple of Apollo. They took day trips throughout the countryside and the mountain towns, swam in the clear blue Aegean Sea, and took a day cruise of the Saronic Bay with stops at three different islands. They experienced culture, learned new words and roots from the Greek language, heard many Greek myths and stories, sampled new foods, and even had time to learn traditional Greek Dances and smash some plates. Opa!
