February 12, 2026

Board of Education Meeting - LGI - 7 p.m.

CBT-SIMULATION

Grades 6-8 will be completing the NYS Computer Based Testing Simulation on Wednesday, 2/4. The purpose of this simulation is to be sure that our students, teachers, and technology are prepared for the NYS Computer Based tests in April. Students should be sure to come to school with their chromebooks fully charged. If you have any questions, feel free to reach out to your students' team leader.

Ms. Lanoue
